

The Peace of Wild Things

When despair for the world
grows in me
and I wake in the night at
the least sound
in fear of what my life
and my children's lives
may be,

I go and lie down
where the wood drake rests
in his beauty on the water,
and the great heron feeds.

I come into the peace
of wild things who do
not tax their lives with
forethought of grief.

I come into the presence
of still water. And I feel
above me the day-blind stars
waiting with their light.

For a time I rest
in the grace of
the world,
and am free.

Kuhnheim, 2004 This is a major book for the field of contemporary Latin American poetry original in its scope depth and breadth It is a showcase of recent currents of expression in Latin America Jacobo Sefam Associate Professor of Spanish and Portuguese University of California Irvine Has poetry lost its relevance in the postmodern age unable to keep pace with other forms of cultural production such as film mass media and the Internet Quite the contrary argues Jill Kuhnheim in this pathfinding book which explores how recent Spanish American poetry participates in the fundamental cultural debates of its time Using a variety of interdisciplinary approaches Kuhnheim engages in close readings of numerous poetic works to show how contemporary Spanish American poetry struggles with the divisions between politics and aesthetics and between visual and written images grapples with issues of ethnic national sexual and urban identities and incorporates rather than rejects technological innovations and elements from the mass media Her analysis illuminates the ways in which contemporary issues
