Michael Chekhov's Acting Technique Sinéad Rushe, 2019-01-24

Intended for actors directors teachers and researchers this book offers an exceptionally clear and thorough introduction to the renowned acting technique developed by Michael Chekhov Sin ad Rushe s book provides a complete overview of the whole method and includes illuminating explanations of its principles as well as a wide range of practical exercises that illustrate step by step how they can be applied to dramatic texts Part One provides an outline of the ideas that underpin the work which help to prepare practitioners to become responsive and receptive and to awaken their imagination Part Two charts a journey through the foundational psychophysical exercises that can both orient an actor s training routine and be applied directly to the development of a role Part Three focuses on more specific and elaborate methods of scene work characterisation and the art of transformation Drawing on the full range of Chekhov s writing in English and French this book also examines unpublished material from the Dartington Hall archives and features interviews with actors who have worked with the technique including Simon Callow and Joanna Merlin It illustrates Chekhov s approach by referring to Rushe s own productions of Nikolai Gogol s short story Diary of a Madman and Shakespeare s Othello as well as characters and scenes in Sarah Kane s Blasted and the contemporary American television series Breaking Bad Michael Chekhov s Acting Technique is an accessible comprehensive and contemporary point of reference for those already trained in the method as well as an initiation and toolkit for practitioners who are just beginning to discover it

Chekhov's Letters Carol Apollonio, Radislav Lapushin, 2018-10-15 Of the thirty volumes in the authoritative Academy edition of Chekhov s collected works fully twelve are devoted to the writer s letters This is the first book in English or Russian addressing this substantial though until now neglected epistolary corpus The majority of the essays gathered here represent new contributions by the world s major Chekhov scholars written especially for this volume or classics of Russian criticism appearing in English for the first time The introduction addresses the role of letters in Chekhov s life and characterizes the writer s key epistolary concerns After a series of essays addressing publication history translation and problems of censorship scholars analyze the letters generic qualities that draw upon variously prose poetry and drama Individual thematic studies focus on the letters as documents reflecting biographical cultural and philosophical issues The book culminates in a collection of short at times lyrical essays by eminent scholars and writers addressing a particularly memorable Chekhov letter Chekhov s Letters appeals to scholars writers and theater professionals as well to a general audience

The Image of Chekhov Anton Pavlovich Chekhov, 1963

Chekhov's Children Nadya L. Peterson, 2021-08-15 Anton Chekhov s representations of children have generally remained on the periphery of scholarly attention Yet his stories about children which focus on communication and the emergence of personhood also illuminate the process by which the

author forged his own language of expression and occupy a uniquely important place within his work Chekhov's Children explores these stories dating from Chekhov's early writings in the 1880s as a distinct body of work unified by the theme of maturation and by the creation of a literary model of childhood Nadya Peterson describes the evolution of Chekhov's model and its connection with the prevalent views on children in the literature education medicine and psychology of his time As with his later writing Chekhov's portrayals of young protagonists exhibit complexity diversity and a broad reach across the writer's cultural and literary landscape dealing with such themes as the distinctiveness of a child's perspective the relationship between the worlds of children and adults the nature of child development socialization gender differences and sexuality While reconstructing a particular literary model of childhood this book brings to light a body of discourse on children childhood development and education prominent in Russia in the late nineteenth century Chekhov's Children accords this topic the significance it deserves by placing Chekhov's model of childhood within the broad context of his time and reassessing established notions about the child's place in the author's oeuvre *Lyric Incarnate* Timothy

Westphalen,2013-11-05 *Lyric Incarnate* examines the plays of Aleksandr Blok the pre eminent poet of Russian Symbolism and one of the greatest poets of the twentieth century Blok's plays have received less attention than his poetry in the West and this book is the first and only English language monograph devoted to Blok the playwright In chronological succession each of Blok's major plays is examined in detail Special attention is accorded to Blok's relations with the major directors of his time particularly Meyerhold and Stanislavsky Blok's role for instance in Meyerhold's formulation of the theatre of the grotesque proved to be critical and his relation to the Moscow Art Theatre just before the October Revolution helped to define the future course of that theatre Blok's innovative dramatic technique is carefully studied at each stage in his career from his earliest lyric dramas such as *A Puppet Show* and *The Stranger* to his great tragedy *The Rose and the Cross* **New**

Poetics of Chekhov's Major Plays Harai Golomb,2014-01-01 This text attempts to map the unique structure and meaning that comprise Chekhov's immensely rich artistic universe The prime components of his theatrical technique and fictional world are explored to uncover the basic principles governing the Chekhov's universe **Interpreting Chekhov's Prose**

Leonard A. Polakiewicz,2024-08-06 The essays collected in this book constitute a new contribution to our understanding of the originality and significance of Chekhov's prose A close textual analysis of his work is provided and especially of previously neglected works some long overdue for in depth investigation that Chekhov himself rightfully considered to be masterpieces Analysis of both these and other previously analyzed works offers a new interpretation which contrasts with those offered by previous Chekhov scholars Works examined include those dealing with Chekhov's astonishingly accurate and artistic portrayal of a wide variety of illnesses without the use of any medical terms These works are shown to be not mere clinical studies but genuine impressive works of art The author who suffered half of his life from tuberculosis effectively portrayed many characters afflicted with this disease which was incurable at the time Many of these works reveal an

indisputable symbiosis of the doctor and the artist Chekhov maintained that in Goethe the poet lived amicably side by side with the scientist a fitting description of him as well Doctors the most frequently portrayed characters in Chekhov s oeuvre are appropriately subjected to extensive analysis as are the themes of fate and death and dying that figure so prominently in Chekhov s work Attention is accorded to imaginative fictional works dealing with philosophy and the theme of crime and punishment as well as The Island of Sakhalin a narrative of non fictional sociological content

Actor Training Alison Hodge,2010-01-29 Actor Training expands on Alison Hodge s highly acclaimed and best selling Twentieth Century Actor Training This exciting second edition radically updates the original book making it even more valuable for any student of the history and practice of actor training The bibliography is brought right up to date and many chapters are revised In addition eight more practitioners are included and forty more photographs to create a stunningly comprehensive study The practitioners included are Stella Adler Eugenio Barba Augusto Boal Anne Bogart Bertolt Brecht Peter Brook Michael Chekhov Joseph Chaikin Jacques Copeau Philippe Gaulier Jerzy Grotowski Maria Knebel Jacques Lecoq Joan Littlewood Sanford Meisner Vsevolod Meyerhold Ariane Mnouchkine Monika Pagneux Michel Saint Denis W odzimierz Staniewski Konstantin Stanislavsky Lee Strasberg The historical cultural and political context of each practitioner s work is clearly set out by leading experts and accompanied by an incisive and enlightening analysis of the main principles of their training practical exercises and key productions This book is an invaluable introduction to the principles and practice of actor training and its role in shaping modern theatre

A Poet's Revolution Donna Hollenberg,2013-04-17 This first full length biography of Anglo American poet and activist Denise Levertov 1923 1997 brings to life one of the major voices of the second half of the twentieth century when American poetry was a powerful influence worldwide Drawing on exhaustive archival research and interviews with 75 friends of Levertov as well as on Levertov s entire opus Donna Krolik Hollenberg s authoritative biography captures the full complexity of Levertov as both woman and artist and the dynamic world she inhabited She charts Levertov s early life in England as the daughter of a Russian Hasidic father and a Welsh mother her experience as a nurse in London during WWII her marriage to an American after the war and her move to New York City where she became a major figure in the American poetry scene The author chronicles Levertov s role as a passionate social activist in volatile times and her importance as a teacher of writing Finally Hollenberg shows how the spiritual dimension of Levertov s poetry deepened toward the end of her life so that her final volumes link lyric perception with political and religious commitment
