Woodford,1991      The Inland Seas Series: The Complete Collection Gwyn McNamee,2022-01-28 Suspense Romance Murder Mayhem Working for the Italian mob in Chicago gets complicated for the modern pirates in The Inland Seas Series Raiding ships on the Great Lakes provides a steady source of income but it also exposes them to a world of dangers Rival families Duplicitous bosses Gunfights These men aren t afraid to spill blood when necessary to accomplish their tasks but when they meet the women who change their lives all bets are off Kidnapping Forced proximity Enemies to Lovers Second Chances at Love This series has it all Dive into the world of the modern pirates of the Inland Seas Series today This collection includes Squall Line Rogue Wave Safe Harbor Anchor Point and Dark Tide      **The Living Great Lakes** Jerry Dennis,2004-06 The author provides an account of his experiences as a crew member on a tall masted schooner during a six week voyage through the Great Lakes and discusses his other explorations of the lakes looking at their history geology and environmental disaster and rescue      Inland Seas ,1999      Our Inland Seas : Their Shipping & Commerce for Three Centuries Mills, James Cooke,1976      Charting the Inland Seas Arthur M. Woodford,1991      *The Inland Seas of North America* James Williamson,1854      **Our Inland Seas** James Cooke Mills,2000      **Mastering the Inland Seas** Theodore J. Karamanski,Theodore Karamanski,2020-04-21 Theodore J Karamanski s sweeping maritime history demonstrates the far ranging impact that the tools and infrastructure developed for navigating the Great Lakes had on the national economies politics and environment of continental North America Synthesizing popular as well as original historical scholarship Karamanski weaves a colorful narrative illustrating how disparate private and government interests transformed these vast and dangerous waters into the largest inland water transportation system in the world Karamanski explores both the navigational and sailing tools of First Nations peoples and the dismissive and foolhardy attitude of early European maritime sailors He investigates the role played by commercial boats in the Underground Railroad as well as how the federal development of crucial navigational resources exacerbated sectionalism in the antebellum United States Ultimately Mastering the Inland Sea shows the undeniable environmental impact of technologies used by the modern commercial maritime industry This expansive story illuminates the symbiotic relationship between infrastructure investment in the region s interconnected waterways and North America s lasting economic and political development      Voyages to the Inland Seas Series ,1986      **The Great Lakes** John Disturnell,2018-10-04      *The Inland Seas* Tonnes Bekker-Nielsen,Ruthy Gertwagen,2016      Blue Water Ballads Clarence P. is literally impossible to put down From the earliest days of the old wind wagons to the steel behemoths of today Great Lakes sails into the drama mystery and outright treachery of the dark side of navigating the lakes Screaming nor easter s and back stabbing corporate boardrooms all form part of the novel s captivating saga of the sweetwater seas As an historian reading historical novels has always been like scraping fingernails down chalkboards for me The plot may have been believable but the scope of the times was so misunderstood and characters mere poorly constructed cardboard cutouts the book invariably collapsed of its own ponderous ineptness By contrast Great Lakes is everything a historical novel should be rich in history with an overarching storyline balancing nicely between fact and fiction believable characters a narrative rarely told all set against a backdrop that while we think we understand it surprises keep emerging from the shadows Great Lakes the novel is certain to become a classic for the inland Seas Fred Stonehouse      *Spirit of the Inland Seas* Detroit and Cleveland Navigation Company,1902      *Land of the Inland Seas* William Donohue Ellis,1974
