With clever insights and dark humor to spare, David Comfort, a thirty-year veteran of the publishing trenches, explores the achievements and faults of literary masters and editorial workaholics to show readers how they too can use their creativity and composure to overcome publishing pitfalls. Work with agents, editors, publishers and critics like a pro. Deal with rejection and success while avoiding the madhouse. Navigate the pros and cons of both traditional and self-publishing. *Inside Track*. Donna Barton Brothers. Let's face it, horse racing can be complicated. Inside Track Insider's Guide to Horse Racing makes it easy and demystifies the complexities. Want to know how to bet and decide which horse to pick? It's in the book. Where do the jockeys come from and how do they prepare for a race? What are the best tracks to visit? Why all the fuss over the Kentucky Derby? What to wear to the track? It's all in there. And each chapter stands alone, so if you want to know about that subject, read that chapter. If not, move on. Easy. There's even a glossary of horse racing terms and a section with recommendations of horse racing books, horse racing periodicals, movies, etc. If you already know all this, then buy the book for your friends who are interested in horse racing but don't know anything about it. That way you can grab a beer or better yet, a mint julep, a racing program and a seat and enjoy a day at the races while they learn everything they need to know from the book. Win-win!
