The Insurrection In Dublin:

The Insurrection in Dublin James Stephens, 1916 The Easter Rising of April 1916 was an attempt by Irish nationalists to provoke a nationwide rebellion and thereby secure Ireland's independence from British rule. In fighting that was largely confined to Dublin, 60 insurgents and 130 troops and police were killed, along with 300 civilians caught in the crossfire. In the aftermath of the uprising, the British executed another 15 conspirators, including Sir Roger Casement, a Protestant who had become an ardent Irish nationalist and who had sought to acquire weapons for the insurgents from Germany, Britain's enemy in World War I, underway at that time. *The Insurrection in Dublin* is an account of the Easter Rising by the poet and novelist James Stephens (1882-1950), a leading figure in the Irish literary revival of the early 20th century and a supporter of Irish independence. Stephens witnessed firsthand the events described in the book, and many of those killed were his friends and colleagues. The book begins with a strictly chronological account, with seven successive chapters devoted to the events of Monday April 24 through Sunday April 30. The remaining five chapters deal with the ending of the insurrection, the volunteers who took part in it, its leaders, the role of labor during the insurrection, and 'The Irish Questions'. In this final chapter, Stephens argues that there are two Irish questions: an international question concerning the independence of the country and a national question relating to relations between Catholics and Protestants on the island. The Easter Rising became a rallying point for Irish nationalists and eventually led to the Anglo-Irish Treaty of December 1921, followed shortly after by the establishment of the Irish Free State and the partition of Ireland. The edition of *The Insurrection in Dublin* presented here was published in New York in 1916.

The Insurrection in Dublin James Stephens, 2016-02-01 The Easter Rising, Irish or Amach na Cúige, also known as the Easter Rebellion, was an armed insurrection in Ireland during Easter Week 1916. The Rising was mounted by Irish republicans to end British rule in Ireland and establish an independent Irish Republic while the United Kingdom was heavily engaged in World War I. It was the most significant uprising in Ireland since the rebellion of 1798. Organised by seven members of the Military Council of the Irish Republican Brotherhood, the Rising began on Easter Monday, 24 April 1916, and lasted for six days. Members of the Irish Volunteers, led by schoolmaster and Irish language activist Patrick Pearse, joined by the smaller Irish Citizen Army of James Connolly, along with 200 members of Cumann na mBan, seized key locations in Dublin and proclaimed an Irish Republic. There were isolated actions in other parts of Ireland, with an attack on the Royal Irish Constabulary barracks at Ashbourne, County Meath, and abortive attacks on other barracks in County Galway and at Enniscorthy, County Wexford. With vastly superior numbers and artillery, the British army quickly suppressed the Rising, and Pearse agreed to an unconditional surrender on Saturday, 29 April. Most of the leaders were executed following courts-martial, but the Rising succeeded in bringing physical force republicanism back to the forefront of Irish politics. Support for republicanism continued to rise in Ireland. In December 1918, republicans, then represented by the Sinn Féin party, won 73 Irish seats out of 105 in the 1918 General Election to the British Parliament on a policy of

abstentionism and Irish independence On 21 January 1919 they convened the First Dail and declared the independence of the Irish Republic and later that same day the Irish War of Independence began with the Soloheadbeg ambush

The Insurrection in Dublin (Classic Reprint) James Stephens, 2017-09-08 The Easter Rising of 1916 was a moment in time where a spark caught and the embers are still glowing today After centuries of a contentious relationship between England and Ireland Irish nationalism had woken up and a desire for independence was in the air James Stephens made his name moving his audience with Irish fairy tales but here he presents a down to earth realistic but illustrative account of the experiences of a district in Dublin on Easter Monday He describes the noise the enquiring looks darting between passers by and the frightening unknown sounds echoing through streets that were by turns heaving and empty Nationalists tussled with the British on the wide boulevard of Merrion Row with revolvers and bayonets and along with Stephens you feel swept along in a tide that has somehow been building forever and yet come roaring out of nothing The simplicity of Stephens prose in describing the exchanges between the citizens of Dublin that Holy Week allows the stark nature of the emotions and disbelief that was rife to fully come through on the page Realise with the people of Dublin that the insurrection has worked This account brings to life the incongruity of trenches in the streets and forts within factories Our benefit of hindsight does nothing to take away the sense of suspense on the air or on the page So rarely in history does one get the chance to cast off the shackles of elite perspectives and dreary timelines but The Insurrection in Dublin is the genuine article About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
