The Integrity Of Mission The Inner Life And Outreach Of The Church:

The Integrity of Mission Orlando E. Costas, 1979-01-01 **Mission Reader** Samuel Jayakumar, 2002 *Diverse and Creative Voices* Sung Wook Chung, Dieumeme Noelliste, 2015-09-24 As the twentieth century passed its midpoint and was rushing toward its end a growing number of Majority World theologians came to realize that they could in fact do theology in their own contexts for the benefit of their own people Thus from the 1960s onward theologians in the global South have embarked on a form of theological construction that has sometimes been described as contextual reflection or contextualized theology This volume is motivated by the conviction that these efforts have resulted in theological work that is also beneficial for Christians in other parts of the world The editors have invited Majority World theologians to share their reflections on several themes of Christian faith from their own socio historical perspectives but with an unswerving commitment to the authority of Scripture It is hoped that these fresh reflections will help Christians in the West to engage and benefit from the perspectives of fellow believers in the global South Embodied Existence Pavol Bargar, 2023-05-04 This book makes a case from an ecumenical Christian perspective for a theological anthropology and a missiology that are based on the essential significance of story body imagination and relationality in order to understand what it means to be human vis vis God the other and creation Such an interpretation moreover enables seeking and pursuing a common life for the whole creation in the force field of God's radical and transformative reign To advance its argument it engages contemporary culture including cinema and to a lesser extent fiction and music *A Gospel for the Poor* David C. Kirkpatrick, 2019-04-11 In 1974 the International Congress on World Evangelization met in Lausanne Switzerland Gathering together nearly 2 500 Protestant evangelical leaders from more than 150 countries and 135 denominations it rivaled Vatican II in terms of its influence But as David C Kirkpatrick argues in *A Gospel for the Poor* the Lausanne Congress was most influential because for the first time theologians from the Global South gained a place at the table of the world's evangelical leadership bringing their nascent brand of social Christianity with them Leading up to this momentous occasion after World War II there emerged in various parts of the world an embryonic yet discernible progressive coalition of thinkers who were embedded in global evangelical organizations and educational institutions such as the InterVarsity Christian Fellowship the International Fellowship of Evangelical Students and the International Fellowship of Evangelical Mission Theologians Within these groups Latin Americans had an especially strong voice for they had honed their theology as a religious minority having defined it against two perceived ideological excesses Marxist inflected Catholic liberation theology and the conservative political loyalties of the U S Religious Right In this context transnational conversations provoked the rise of progressive evangelical politics the explosion of Christian mission and relief organizations and the infusion of social justice into the very mission of evangelicals around the world and across a broad spectrum of denominations Drawing upon bilingual interviews and archives and personal papers from three continents Kirkpatrick adopts a transnational perspective to tell the story of how a Cold War

generation of progressive Latin Americans including seminal figures such as Ecuadorian Ren Padilla and Peruvian Samuel Escobar developed named and exported their version of social Christianity to an evolving coalition of global evangelicals

Engaging Latino/a/x Theologies Sharon E. Heaney, 2024-02-26 Sharon E Heaney describes how the life giving interruption of Latin American poets novelists artists and theologians changed her life in a conflict ridden Northern Ireland An outsider in this study she provides an engagement with a stream of theology in the United States she takes to be exemplary Latino a x theology is theolog a en conjunto collaborative theology It models ways to examine complicated and contested histories and identities and it resists dominant assumptions about theological points of departure in favor of also valuing the everyday as locus theologicus Identifying major themes and foundational thinkers alongside more recent developments Heaney offers an overview and invites readers to further reading study and formation Modelling what it esteems each chapter closes in conversation with a Latino a x leader in the church The conclusion is written by practical theologian Altagracia Perez Bullard She affirms this is not just an intellectual exercise this engagement is the practice of our lives as we journey with God and as we journey with one another It is an exciting journey It changes us Christ Outside the Gate Orlando E. Costas, 2005-08-22 Solidly theological amply historical thoroughly ecumenical and remarkably current Orlando Costas Christ Outside the Gate is the most succinct yet comprehensive analysis of the missiological issues facing the church and the churches that has appeared in many years Alan Neely Southeastern Baptist Theological Seminary Wake Forest Learning and passion come together in Christ Outside the Gate to make it an outstanding contribution to missiology Gabriel Fackre Abbot Professor of Christian Theology Andover Newton Theological School You have in your hands a new way of seeing missions North America as a receiving country the marginalized as the subject as well as object of missions world evangelization with one foot in Melbourne and one foot in Pattaya Few authors blend together so effectively so many worlds evangelism and scholarship northern hemisphere and southern hemisphere sociology and theology Harvie M Conn Westminster Theological Seminary Philadelphia Costas may well be or is on his way to becoming the ablest missiologist alive Jorge Lara Braud Director Council on Theology and Culture Presbyterian Church in the U S Costas writes from the background of an Hispanic Evangelical but goes far beyond the normal concerns of that tradition In a series of far ranging essays he deals with virtually every aspect of the contemporary missiological debate in a manner that is usually balanced and always provocative While some readers will violently question his views at certain points all will be stimulated and challenged to think more deeply and participate more effectively in the total world mission to which God has called His Church Paul E Pierson Fuller Theological Seminary Christ Outside the Gate offers us a perspective of missions that focuses on the transition from paternalism to the contextualization of the Gospel Oscar I Romo Director Language Missions Division Southern Baptist Convention Costas writes from the viewpoint of those who live on the periphery of society He challenges Christians of all denominations to a renewed understanding of the Christ who suffered outside the gates John T Boberg Catholic Theological

Reading James Missiologically Abeneazer G. Urga, Jessica A. Udall, Edward L. Smither, 2025-02-18 What can James teach us about mission While books on a New Testament theology of mission abound most of them focus only on certain tried and true books and passages while often ignoring the contribution of the General Epistles In *Reading Hebrews Missiologically and Reading 1 Peter Missiologically* we began to address this gap in missiological scholarship and we seek to continue in the same vein in this work on the book of James *Reading James Missiologically* explores the missionary dimensions of the Epistle of James through three parts the missionary motive is the reason behind missionary efforts the why the missionary message reveals what missionaries communicate the what and the missionary methods outline strategies for mission the how The global contributors examine James s profound call to action among the poor and inspire believers toward holistic engagement with the world as doers of the word not hearers only Jas 1 22 ESV

Wolaitta Evangelists E. Paul Balisky, 2009-09-01 This study presents the religious dynamics of the Wolaitta Kale Heywet Church in southern Ethiopia from 1937 to 1975 On the basis of detailed research from within southern Ethiopia E Paul Balisky demonstrates that the indigenous extension of the Wolaitta Christian movement into southern Ethiopia through the instrumentality of her evangelists helped Wolaitta regain her own religious center and subsequent identity after centuries of various forms of colonialism and imperialism *Wolaitta Evangelists* broadens one s understanding of how an imported model of Christianity provided religious answers to the ideals of a particular Ethiopian society and continues to motivate her members to evangelize The evangelists who went to people of similar culture and worldview were successful in effecting social change To ethnic groups who had moved beyond their former primal religions and to those of disparate culture the evangelists were those who scattered the seed and impacted the religious social economic and political life of southern Ethiopia *Wolaitta Evangelists* tells the story of how missionary activity played a role in Wolaitta once again becoming a people

Reading the Bible Missionally Goheen, 2016 Over the past half century it has become clear that mission is a central theme in the Bible s narrative and moreover is central to the very identity of the church This book significantly widens and deepens the emerging conversation on missional hermeneutics Essays from top biblical and missiological scholars discuss reading the Scriptures missionally using mission as a key interpretive lens Five introductory chapters probe various elements of a missional hermeneutic followed by sections on the Old and New Testaments that include chapters on two books from each to illustrate what a missional reading of them looks like Essays in two concluding sections draw out the implications of a missional reading of Scripture for preaching and for theological education Publisher
