Lutheranism in North America, 1914-1970 E. Clifford Nelson, 1972 **Lutherans in North America** Clifford E. Nelson, 1975 This book gives today's Lutherans a sense of heritage identity and continuity a sense of self understanding Readers will see themselves as part of a family They can identify with the struggles hopes and frustrations of wave after wave of immigrants adapting to the strange new world of America and at the same time trying to preserve all they had known and loved and brought with them from the homeland The genius of the entire volume is that it points beyond family memories to an ongoing and continuing life of which we and our children are a living part Contributors Theodore G Tappert Eugene Fevold Fred W Meuser H George Anderson August R Suelflow and E Clifford Nelson *The Soaring Crane* Edmond Yee, This inspirational new book tells the story of Asian Lutherans in North America A stirring witness to the work of the Holy Spirit in the church and the community **Lutherans in America**, 2015-01-09 The story of Lutherans in America is one of mutual influence From the first small groups of Lutherans to arrive in the colonies to the large immigrations to the rich heartland of a growing nation Lutherans have influenced and been influenced by America In this lively and engaging new history Granquist brings to light not only the varied and fascinating institutions that Lutherans founded and sustained but the people that lived within them The result is a generous human history that tells a complete story not only about politics and policies but also the piety and the practical experiences of the Lutheran men and women who lived and worked in the American context Bringing the story all the way to the present day and complemented with new charts maps images and sidebars Granquist ably covers the full range of Lutheran expressions bringing order and clarity to a complex and vibrant tradition **Lutherans in North America** Richard C.
