end they purposed to make of him It is true he did not feel easy in his mind for despite this touch of hospitality his captors regarded him with looks of undisguised hatred R M Ballantyne 1825 1894 was a Scottish juvenile fiction writer Born Robert Michael Ballantyne in Edinburgh he was part of a famous family of printers and publishers In 1848 he published his first book Hudson s Bay or Life in the Wilds of North America For some time he was employed by Messrs Constable the publishers but in 1856 he gave up business for the profession of literature and began the series of adventure stories for the young with which his name is popularly associated *The Madman and the Pirate* Robert Michael Ballantyne,2021-03-29 When Antonio Zeppa recovered consciousness he found himself lying on a mattress in the schooner s hold bound bleeding and with a dull and dreadful sense of pain at his breast which at first he could not account for Ere long the sudden splash of a wave on the vessel s side recalled his mind to his bereavement and a cry loud long and terrible arose from the vessel s hold which caused even the stoutest and most reckless heart on board to quail Richard Rosco now a pirate captain heard it as he sat alone in his cabin his elbows resting on the table and his white face buried in his hands He did not repent he could not repent at least so he said to himself while the fires kindled by a first great crime consumed him Men do not reach the profoundest depths of wickedness at one bound The descent is always graduated for there are successive rounds to the ladder of sin but it is sometimes awfully sudden When young Rosco left England he had committed only deeds which men are apt lightly to name the follies of youth These follies however had proved to be terrible leaks through which streams of corruption hadflowed in upon his soul **The Madman and the Pirate** Robert Ballantyne,2021-10-10 Book Excerpt ght have answered temperately if they had been alone but Zeppa was lying on a locker reading and his son was also present and Rosco knew that the captain meant to put him to shame before them His spirit fired Scoundrel he cried the measure of your iniquity is filled You shall no longer command this schooner Thus far he got when the captain livid with rage sprang up to rush at him Zeppa also leaped up to aid in putting down what he clearly perceived was premeditated mutiny but the mate sprang out of the cabin and shutting the door with a bang locked it At the same instant the man at the wheel knowing what had occurred closed and fastened the cabin sky light The captain threw himself several times with all his weight against the door but it opened inwards and could not be forced There were two square windows in the stern of the schooner one of which was open Orlando perceived this sprang up clambered through it gained the deck unperceived and running down t Read More *The Madman and the Pirate* R. M. Ballantyne,2017-06-22 Chapter One A beautiful island lying like a gem on the breast of the great Pacific a coral reef surrounding and a calm lagoon within on the glass like surface of which rests a most piratical looking schooner Such is the scene to which we invite our reader s attention for a little while At the time of which we write it was an eminently peaceful scene So still was the atmosphere so unruffled the water that the island and the piratical looking schooner seemed to float in the centre of a duplex world where every cloudlet in the blue above had its exact counterpart in the blue below No sounds were heard save the dull roar of the breaker that fell at long regular intervals on the seaward side of the reef and no

motion was visible except the back fin of a shark as it cut a line occasionally on the sea or the stately sweep of an albatross as it passed above the schooner's masts and cast a look of solemn inquiry upon her deck. But that schooner was not a pirate. She was an honest trader at least so it was said though what she traded in we have no more notion than the albatross which gazed at her with such inquisitive sagacity. Her decks were not particularly clean her sails by no means snow white. She had indeed four goodly sized carronades but these were not an extraordinary part of a peaceful trader's armament in those regions where man was and still is unusually savage. The familiar Union Jack hung at her peak and some of her men were sedate looking Englishmen though others were Lascars and Malays of the cut throat type of whom any wickedness might be expected when occasion served. The crew seemed to have been overcome by the same somnolent influence that had subdued Nature for they all lay about the deck sleeping or dozing in various sprawling attitudes with the exception of the captain and the mate. The former was a huge rugged man of forbidding aspect and obviously savage temper. The latter well it is not easy to say what were his chief characteristics so firmly did he control the features of a fine countenance in which the tiger like blue eyes alone seemed untamable. He was not much above the middle height but his compact frame was wiry and full of youthful force. Lower away the dinghy said the captain gruffly to the mate and let one of these lazy lubbers get into her with a box of figs. Get into her yourself I may want you. The mate replied with a stern Ay ay sir and rose from the gun carriage on which he had been seated while the captain went below. In a few minutes the latter reappeared and soon the little boat with its three occupants was skimming over the lagoon towards the land. On that land a strange and interesting work was going on at the time. It was no less than the erection of a church by men who had never before placed one stone upon another at least with a view to house building. The tribe to which these builders belonged had at first received their missionary with yells of execration had torn the garments from his back had kicked him into the sea and would infallibly have drowned him if the boat from which he landed had not returned in haste and rescued him.

The Madman and the Pirate R. M.

Ballantyne, 2014-06-17 *The Madman and the Pirate* is an exciting pirate tale from the master of the pirate genre R M Ballantyne. One of the young men influenced by Ballantyne was Robert Louis Stevenson. He was so impressed with the story of *The Coral Island* 1857 that he would later base portions of his famous book *Treasure Island* 1881 on themes found in Ballantyne. He honoured Ballantyne in the introduction to *Treasure Island*.

Such is the scene to which we invite our reader's attention for a little while. At the time of which we write it was an eminently peaceful scene. So still was the atmosphere so unruffled the water that the island and the piratical looking schooner seemed to float in the centre of a duplex world where every cloudlet in the blue above had its exact counterpart in the blue below.
