It is truly a no man's land and the location where a bond of eternal friendship is forming between a ball player who fell short of his dreams and a young prospect who eagerly wants to achieve his. One has made a life-changing mistake and wants a second chance or at least a shot at absolution while the other is oblivious to the forces of good and evil that are literally tearing his soul apart. Will these two lost souls find their way to the promised land or will the forces of evil prevail? There's a war going on and they play for keeps. The only question left is who will be the last casualty of THE MAGIC GLOVE. **The Magic of Jelly** Sterling Publishing, 2005 Who doesn't love PB&J? Without jelly a PB&J would just be Pretty Boring.
