The Magic Of The Word:

The Magic Word Robert Collier, 2023-11-20 In *The Magic Word* Robert Collier explores the transformative power of words in shaping human experience and personal destiny Collier's prose is both accessible and profound drawing on the principles of New Thought philosophy to convey the notion that language is a catalyst for change The book combines motivational writing with practical exercises urging readers to harness the potency of affirmations and positive thinking to manifest their desires Through a blend of personal anecdotes and timeless wisdom Collier situates his work within the early 20th century self help movement tapping into the zeitgeist that emphasizes individual empowerment and the ability to influence one's reality Robert Collier an emblematic figure of the self help genre dedicated his life to exploring the intersection of metaphysics and personal development His wealth of experience in publishing and marketing likely informed his dynamic approach to reaching audiences seeking change This endeavor stemmed from his own journey through hardship and a profound desire to uncover the mechanisms of success ultimately leading to the creation of a work that seeks to empower others in their pursuits Readers searching for inspiration and practical guidance in their personal and professional lives will find *The Magic Word* an invaluable resource Collier's insights and strategies serve as a beacon for those who wish to unlock their full potential making this book a must read for anyone passionate about self improvement and the art of persuasion

The Magic Word Sherrill S. Cannon, 2011-02 *The Magic Word* is one that everyone needs to learn Elisabeth Keys never said thank you excuse me or please She made fun of people she'd argue and tease She took what she wanted whenever she could Elisabeth's manners were not very good So begins the rhymed story of Elisabeth who discovers her lack of friends when no one wants to come to her birthday party Her mother suggests that she learn to be considerate of others and to say please as well as thank you She should treat others the way that you know you would like and should think more about others and less about you When Elisabeth goes to school the next day she remembers her mother's advice and uses the magic word please She also tries to become more thoughtful of others Imagine her pleasure when she returns home to find out that her new friends are all coming to her birthday party Wouldn't it be wonderful if children could learn at an early age to be polite and thoughtful of others This wonderful rhyming book will have your kids saying please before you know it
