The Magician Of Cracow:

The Magician of Cracow Krystyna Turska,1986 *The Magician'S Tale* R. Brooke Jeffrey MD,2017-08-22 It is the 1940s in the Lodz Ghetto in Poland as Michal Frankel a Jew trapped by the Nazis records in his journal his struggle to find meaning through his activities in the resistance and his love for Rachel Meanwhile his teenage brother David has escaped the ghetto and created another family hiding in the forest With help from two former Polish soldiers and an orphaned girl David somehow manages to survive Over thirty years later David is a physician living in the United States who has realized his past may not be as easy to abandon as he once believed After he returns to Europe to find traces of his lost family he uncovers a secret German wartime operation that puts his life in danger When he acquires a priceless heirloom from a defecting KGB agent he learns it may be the key to accessing the archives and reuniting with those he once loved But as his life comes full circle now only time will tell if David will find a way to make his shocking war findings public for the world to see In this historical thriller a Polish American Jewish doctor returns to his tortuous past in Russia and Poland to search for his lost family and unwittingly uncovers a secret that changes everything

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1977 *Doctor Faustus - Second Edition* Christopher Marlowe,2007-02-12 Doctor Faustus is a classic its imaginative boldness and vertiginous ironies have fascinated readers and playgoers alike But the fact that this play exists in two early versions printed in 1604 and 1616 has posed formidable problems for critics How much of either version was written by Marlowe and which is the more authentic Is the play orthodox or radically interrogative Michael Keefer's early work helped to establish the current consensus that the 1604 text was censored and revised the Keefer edition praised for its lucid introduction and scholarship was the first to restore two displaced scenes to their correct place Most competing editions presume that the 1604 text was printed from authorial manuscript and that the 1616 text is of little substantive value But in 2006 Keefer's fresh analysis of the evidence showed that the 1604 quarto's Marlovian scenes were printed from a corrupted manuscript and that the 1616 quarto though indeed censored and revised preserves some readings earlier than those of the 1604 text This edition has been updated and revised Keefer's critical introduction reconstructs the ideological contexts that shaped and deformed the play and the text is accompanied by textual and explanatory notes and excerpts from sources
