Crawshaw, 1907 **The Making of the English Literary Canon** Trevor Thornton Ross, 1998 It is widely accepted among literary scholars that canon formation began in the eighteenth century when scholarly editions and critical treatments of older works designed to educate readers about the national literary heritage appeared for the first time In *The Making of the English Literary Canon* Trevor Ross challenges this assumption arguing that canon formation was going on well before the eighteenth century but was based on a very different set of literary and cultural values Covering a period that extends from the Middle Ages to the institutionalisation of literature in the eighteenth century Ross's comprehensive history traces the evolution of cultural attitudes toward literature in English society highlighting the diverse interests and assumptions that defined and shaped the literary canon An indigenous canon of letters Ross argues had been both the hope and aim of English authors since the Middle Ages Early authors believed that promoting the idea of a national literature would help publicise their work and favour literary production in the vernacular Ross places these early gestures toward canon making in the context of the highly rhetorical habits of thought that dominated medieval and Renaissance culture habits that were gradually displaced by an emergent rationalist understanding of literary value He shows that beginning in the late seventeenth century canon makers became less concerned with how English literature was produced than with how it was read and received By showing that canon formation has served different functions in the past *The Making of the English Literary Canon* is relevant not only to current debates over the canon but also as an important corrective to prevailing views of early modern English literature and of how it was first evaluated promoted and preserved It is widely accepted among literary scholars that canon formation began in the eighteenth century when scholarly editions and critical treatments of older works designed to educate readers about the national literary heritage appeared for the first time In *The Making of the English Literary Canon* Trevor Ross challenges this assumption arguing that canon formation was going on well before the eighteenth century but was based on a very different set of literary and cultural values Covering a period that extends from the Middle Ages to the institutionalisation of literature in the eighteenth century Ross's comprehensive history traces the evolution of cultural attitudes toward literature in English society highlighting the diverse interests and assumptions that defined and shaped the literary canon An indigenous canon of letters Ross argues had been both the hope and aim of English

The Making of English Literature Crawshaw William H 1861-1940, HardPress, 2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Paradise Lost and the Making of English Literary Criticism David A. Harper, 2023-12-20 *Paradise Lost and the Making of English Literary Criticism* identifies the early reception of *Paradise Lost* as a site of contest over the place of literature in political and religious controversy Milton's earliest readers and critics Dryden Addison Dennis Hume and Bentley confronted a poem and author at odds with the prevailing culture and the revanchist conservatism of the restored monarchy Grappling with the epic required navigating Milton's reputation as a fanatic who had called in print for Charles I's execution inveighed openly against monarchy on the eve of Charles II's return and held heretical views on the trinity baptism and divorce Harper argues that foundational figures in English literary criticism rose to this challenge by innovating new ways of reading producing creative and subversive rewritings of *Paradise Lost* articulating new theories of the sublime explaining the poem in the first substantial body of annotations for an English vernacular text and by pioneering early forms of textual criticism and editing

The Making of Indian English Literature Subhendu Mund, 2021-07-08 *The Making of Indian English Literature* brings together seventeen well researched essays of Subhendu Mund with a long introduction by the author historicising the development of the Indian writing in English while exploring its identity among the many appellations tagged to it The volume demonstrates contrary to popular perceptions that before the official introduction of English education in India Indians had already tried their hands in nearly all forms of literature poetry fiction drama essay biography autobiography book review literary criticism and travel writing Besides translation activities Indians had also started editing and publishing periodicals in English before 1835 Through archival research the author brings to discussion a number of unknown and less discussed texts which contributed to the development of the genre The work includes exclusive essays on such early poets and writers as Khyas Chunder Dutt

Shoshee Chunder Dutt Toru Dutt Mirza Moorad Alee Beg Krupabai Saththianadhan Swami Vivekananda H Dutt and Sita Chatterjee and historiographical studies on the various aspects of the genre The author also examines the strategies used by the early writers to indianise the western language and the form of the novel The present volume also demonstrates how from the very beginning Indian writing in English had a subtle nationalist agenda and created a space for protest literature The Making of Indian English Literature will prove an invaluable addition to the studies in Indian writing in English as a source of reference and motivation for further research Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *Documentary Culture and the Making of Medieval English Literature*

Emily Steiner,2003-05-29 Emily Steiner describes the rich intersections between legal documents and English literature in the fourteenth and fifteenth centuries She argues that documentary culture including charters testaments patents and seals enabled writers to think in new ways about the conditions of textual production in late medieval England

The Routledge Companion to Medieval English Literature Raluca Radulescu,Sif Rikhardsdottir,2022-12-30 The Routledge Companion to Medieval English Literature offers a new inclusive and comprehensive context to the study of medieval literature written in the English language from the Norman Conquest to the end of the Middle Ages Utilising a Trans European context this volume includes essays from leading academics in the field across linguistic and geographic divides Extending beyond the traditional scholarly discussions of insularity in relation to Middle English literature and isolationism this volume Oversees a variety of genres and topics including cultural identity insular borders linguistic interactions literary gateways Middle English texts and traditions and modern interpretations such as race gender studies ecocriticism and postcolonialism Draws on the combined extensive experience of teaching and research in medieval English and comparative literature within and outside of anglophone higher education and looks to the future of this fast paced area of literary culture Contains an indispensable section on theoretical approaches to the study of literary texts This Companion provides the reader with practical insights into the methods and approaches that can be applied to medieval literature and serves as an important reference work for upper level students and researchers working on English literature *A Short History of English Literature*

George Saintsbury,1908 **The Constitution of English Literature** Michael

Gardiner,2013-09-12 Michael Gardiner examines the ideology of the discipline of English Literature arguing that it is intimately linked with the emergence of the English State **Poetry and the Making of the English Literary Past, 1660-1781**

Richard G. Terry,2001 The book concludes that the opening up and ordering of the English literary past occurs earlier than is generally supposed and the same also applies to the process by which women writers achieve their own distinctive form of canonical recognition **BOOK JACKET** *The Cambridge Bibliography of English Literature* Joanne Shattock,1999

Oxford in English Literature John Dougill,1998 As the English Athens Oxford has long been seen as central to England s intellectual life For over six centuries the city has been lauded slighted and cited in the pages of English

literature While it has been hailed as the embodiment of excellence beauty and truth on the one hand it has also been attacked for its elitism insularity and traditionalism on the other Oxford in English Literature provides for the first time an overview of these literary representations ranging from Chaucer s account of medieval students to modern day detective stories set in the city The book begins with the early university possibly founded by an eighth century princess named Frideswide The volume moves on through the Middle Ages with Chaucer s clerks and Foxe s martyrs Oxford in English Literature touches on more recent centuries with Lewis Carroll and Alice in Wonderland Matthew Arnold Max Beerbohm and Evelyn Waugh and the Infamous St Oscar Following the rise of the colleges the literature becomes characterized by a sense of insulation for the closed collegiate structure led to elitism and eccentricity The notion of the university as a paradise of youth beauty and intelligence led to the so called Oxford myth and the backlash against it after World War II The underlying argument of John Dougill s work is that the defining symbol of Oxford is not so much the dreaming spire as the college wall In Oxford literature the college is depicted as a world of its own secluded conservative and eccentric driven by its own rituals Idealized it becomes a cloistered utopia an Athenian city state a fantasy wonderland or an Arcadian idyll Exclusivity led to resentment from those on the outside as is evident in Thomas Hardy s Jude the Obscure With the advent of democratic and egalitarian values in the twentieth century the privilege and elitism of the university has come under increasing attack as has the whole notion of the English Athens Oxford in English Literature is aimed at the general reader interested in the literature and history of a very unusual town Its familiar subject and the inclusion of numerous rare and specially commissioned illustrations and photographs make this a compelling book John Dougill is Associate Professor of English Literature Ryukoku University Kyoto Japan He is an Oxford graduate and author of The Writers of English Literature

The Making Of English Literature: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Making Of English Literature : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Making Of English Literature : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Making Of English Literature : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
