The Making Of The New Testament Documents Biblical Interpretation Series 39:

The Making of the New Testament Documents E. Earle Ellis, 2021-10-25 The Making of the New Testament Documents investigates literary tradition and their implications for the authorship origin and dating of the New Testament Gospels and letters Building upon earlier research it identifies and compares preformed pieces that in the letters call into question the traditional view that the letters were the sole product of an individual whose authorship could be vetted by internal criteria of vocabulary style and theological expression The numerous and diverse epistolary traditions many non authorial argue for a kind of corporate authorship that until now has been unappreciated and apparently unknown to critical scholarship A comparison of the traditions and of the common opposition they sometimes have in view supports a synchronic relationship of the various New Testament documents all of which with the exception of John s Gospel and letters reflect the pre AD 70 period It thus challenges the tradition of F C Baur still widely followed that apart from a few Pauline letters dates New Testament writings from the last decades of the first century to the first half of the second The author contends that the New Testament is the product of four contemporaneous and cooperating apostolic missions each of which produced a Gospel and a number of letters and each of which faced the same judaizing gnosticizing countermission These four allied missions shared both Gospel and epistolary traditions even as they pursued their discrete tasks in the service of the church The arguments of this book if persuasive will require a reassessment of the history of early Christianity This publication has also been published in paperback please click here for details

The Making of the New Testament Documents Edward Earle Ellis, 2002 This volume identifies and investigates literary traditions and their implications for the authorship and dating of the Gospels and the letters of the New Testament Ellis argues that the Gospels and the letters are products of the corporate authorship of four allied apostolic missions and not the creation of individual authors

The Oxford Handbook of Sacramental Theology Hans Boersma, Matthew Levering, 2015 This Handbook introduces the theology of the sacraments from a variety of perspectives It contains historical overviews biblical discussion philosophical and theological reflection as well as ecumenical discussion It is one of the most comprehensive overviews of the sacraments throughout the tradition of the Christian church

The Temporal Mechanics of the Fourth Gospel Douglas Estes, 2008-01-01 By redefining narrative temporality in light of modern physics this book advances a unique and innovative approach to the deep seated temporalities within the Gospel of John and challenges the implicit assumptions of textual brokenness that run throughout Johannine scholarship

[Interpreting the New Testament Text](#) Darrell L. Bock, Buist M. Fanning, 2006-10-20 With the explosive increase in availability of English Bible translations the question can easily be asked Why bother with the hard work of biblical exegesis Computers can translate foreign languages and our English texts can take us very close to the original meanings so why exegete Answer because the deepest truths of the Bible are found through the deepest study This book teaches the principles methods and fundamentals of exegeting the New Testament It also has examples of textual

exegesis that clearly and helpfully show the value of exegeting a text well Any serious student of Scripture would benefit from utilizing this book in the study of the Bible **The Blackwell Companion to The New Testament** David E.

Aune,2010-01-22 The Blackwell Companion to the New Testament is a detailed introduction to the New Testament written by more than 40 scholars from a variety of Christian denominations Treats the 27 books and letters of the New Testament systematically beginning with a review of current issues and concluding with an annotated bibliography Considers the historical social and cultural contexts in which the New Testament was produced exploring relevant linguistic and textual issues An international contributor list of over 40 scholars represent wide field expertise and a variety of Christian denominations Distinctive features include a unified treatment of Luke through Acts articles on the canonical Gospels and a discussion of the apocryphal New Testament **Dictionary of Biblical Criticism and Interpretation** Stanley E.

Porter,2007-01-24 First Published in 2007 Compiling the results from contemporary and exciting areas of research into one single important volume this book stands ahead of its field in providing a comprehensive one stop Handbook reference of biblical interpretation Examining a wide range of articles on many of the recognized interpreters including Augustine Luther and Calvin up to the modern figures of Martin Hengel and T W Manson Porter expertly combines the study of biblical interpretation with the examination of the theological and philosophical preconceptions that have influenced it and surveys the history of interpretation from different perspectives Key perspectives studied include the historical dimension addressing how interpretation has developed at various periods of time from early Jewish exegesis to the historical critical method the conceptual approach looks at the various schools of thought that have generated biblical interpretation and compares and contrasts competing conceptual models of interpretation the personal perspective addresses the reality of biblical interpretation by individuals who have helped plot the course of theological development With relevant bibliographies and a guide to further reading this Dictionary will be an extremely important reference held for many years not only by libraries but also by students scholars clergy and teachers of this fascinating and high profile subject **Sibyls, Scriptures, and**

Scrolls Joel Baden,Hindy Najman,Eibert J.C. Tigchelaar,2016-10-11 This volume a tribute to John J Collins by his friends colleagues and students includes essays on the wide range of interests that have occupied John Collins's distinguished career Topics range from the ancient Near East and the Hebrew Bible to the Dead Sea Scrolls and Second Temple Judaism and beyond into early Christianity and rabbinic Judaism The contributions deal with issues of text and interpretation history and historiography philology and archaeology and more The breadth of the volume is matched only by the breadth of John Collins's own work **Joel's Use of Scripture and the Scripture's Use of Joel** John Strazicich,2007-04-30 The methodological approach employed in this research utilizes the hermeneutics of comparative midrash combined with aspects of Bakhtinian dialogism and intertextuality The purpose of this enterprise is to discern the function of scripture in Joel and its New Testament Nachleben The terms appropriation and resignification are descriptive of the process through which an

antecedent text is transformed by its displacement condensation and recontextualization These methodologies assist in giving an account of the intertextual dialogism involved in a text's unrecorded hermeneutics The scope of the work looks at the use of scriptural traditions within the book of Joel during the Second Temple period There is an introduction to the hermeneutical methods employed followed by a general introduction to the book of Joel in chapter one Chapters two and three concern the function of scripture in Joel Finally the last chapter deals with Joel's New Testament *Nachleben* Each chapter has an introduction and conclusion This work does not eschew the importance of diachronic issues The diachronic method pays attention to the context of an antecedent's voice while the synchronic methodological approach pays attention to the function and purpose in which the receptor text resignifies the appropriated motifs and allusions The diachronic becomes fused with the synchronic in the process of an allusion's recontextualization This study in a heuristic manner focuses on the way that each allusion is appropriated and resignified for the needs of both Joel's community and those of the later NT in order to understand the function of canonical hermeneutics

Colossians and Philemon Michael F Bird, 2011-05-26 Michael Bird's commentary on Colossians and Philemon in the New Covenant Commentary Series pays close attention to the socio-historical context the flow and dynamics of the text their argumentative strategy theological message and the meaning of Colossians and Philemon for the contemporary church today Bird situates Colossians in the context of Paul's Ephesian ministry and describes how Paul attempts to persuade a congregation in the Lycus Valley to remain firm in the gospel and to grasp the cosmic majesty of Jesus Christ over and against the views of certain Jewish mystics who have thrown the Colossians into confusion He shows how in the letter to Philemon Paul intercedes for a slave estranged from his master through a carefully crafted feat of pastoral persuasion from a missionary friend of Philemon The commentary combines exegetical insight rhetorical analysis theological exposition and practical application all in one short volume Bird shows Paul at work as a theologian pastor and missionary in his letters to the Colossians and Philemon

Jesus and Time Ma'afu Palu, 2012-05-03 This study examines Jesus' conception of time focusing on the proclamation in Mark 1:15 'Time is fulfilled and the Kingdom is near'

Essential Bible Study Tools for Ministry Professor David R. Bauer, 2014-03-18 This up-to-date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship

1 Enoch as Christian Scripture Bruk Ayele Asale, 2020-06-05 Since its publication in English translation in 1821 the book of Enoch has enjoyed immense popularity in Western culture as a variety of religious groups interested historians and academics have sought to illuminate the Jewish context of Christian beginnings two thousand years ago Taking the quotation of 1 Enoch in Jude 14 as its point of

departure the present study explores the significance of Enochic tradition within the context of Christian tradition in the Horn of Africa where it continues to play a vital role in shaping the diverse yet interrelated self understanding of Orthodox Catholic and Protestant churches As discussions on the importance of 1 Enoch from antiquity to the present take on new dimensions among increasingly global and diverse voices 1 Enoch as Christian Scripture offers a rare orientation into a rich culture in which the reception of the book is at home as a living tradition more than anywhere else in the world today The present work argues that serious attention to 1 Enoch holds forth an opportunity for church traditions in Ethiopia and indeed around the world to embrace some of their indigenous roots and has the capacity to breathe life into time worn expressions of faith

Ephesians Harold W. Hoehner, 2002-12-01 Harold Hoehner has taught biblical exegesis to thousands of students over the years He now brings that experience to bear on this important work He begins with a helpful introduction to the letter of Ephesians in which he addresses issues of authorship structure and genre historical setting purpose and theology At the end of the introduction the author includes a detailed bibliography for further reading Hoehner then delves into the text of Ephesians verse by verse offering the Greek text English translation and detailed commentary He interacts extensively with the latest scholarship and provides a fair and thorough discussion of every disputed point in the book Pastors students and scholars looking for a comprehensive treatment on Ephesians will be interested in this commentary Hoehner's interaction with the latest scholarship combined with his detailed exegesis will make this new commentary the only resource they will need to consult

Horizons in Hermeneutics Stanley E. Porter, Matthew Malcolm, 2013-04-25 From essays that focus on the horizon of the text through to essays that consider the horizon of the twenty first century church this collection invites reflection on the illumination that hermeneutical awareness brings to biblical interpretation This Festschrift in honor of Anthony C Thiselton aims to consider exemplify and build upon his insights in philosophical hermeneutics and biblical studies particularly in relation to Paul and his writings

The Early Christians in Ephesus from Paul to Ignatius Paul Trebilco, 2007-10-17 The capital city of the province of Asia in the first century CE Ephesus played a key role in the development of early Christianity In this book Paul Trebilco examines the early Christians from Paul to Ignatius seen in the context of our knowledge of the city as a whole Drawing on Paul's letters and the Acts of the Apostles Trebilco looks at the foundations of the church both before and during the Pauline mission He shows that in the period from around 80 to 100 CE there were a number of different communities in Ephesus that regarded themselves as Christians the Pauline and Johannine groups Nicolaitans and others testifying to the diversity of that time and place Including further discussions on the Ephesus addresses of the apostle John and Ignatius this scholarly study of the early Ephesian Christians and their community is without peer

Second Corinthians and Paul's Gospel of Human Mortality Richard I. Deibert, 2017-01-30 How does Paul's bodily mortality both collapse his apostolic authority in Corinth and yet confirm his gospel Richard I Deibert explores the vital relationship between Paul's experience of death and his theology of death Back cover

Out of Adventism Jerry A.

Gladson,2017-10-17 From its humble beginnings in the nineteenth century Seventh day Adventism has remarkably grown to become one of America s largest home grown faiths numbering nearly nineteen million members worldwide Yet Adventism harbors dark secrets within its history This is the true story of how one Adventist pastor and university and seminary professor discovered these dark secrets and learned through painful personal experience that neither the denomination nor its doctrine could be trusted As his odyssey takes him from pastoral assignments in rural and urban congregations and finally into teaching religion at an Adventist university he suddenly finds himself caught up in the maelstrom of a church s greatest theological crisis For him the denomination s theology and practice agonizingly unravel forcing him to choose between loyalty to his church his vocation and his personal integrity Rich in anecdotes and personal experiences Out of Adventism guides readers interested in religious history cults and sects through the ins and outs of a religious community in crisis Along the way the reader not only gets an insider s view of Adventism but also discovers a careful critique of the peculiar teachings of Seventh day Adventism

Jesus Then and Now Marvin Meyer,Charles Hughes,2001-03-01 Conservative and liberal theologians engage each other in this provocative collection of essays discussing the place of faith the nature of history the character of literary texts and the purpose of theology Original

Jesus and Gospel Traditions in Bilingual Context

Sang-Il Lee,2012-04-26 Most historical Jesus and Gospel scholars have supposed three hypotheses of unidirectionality geographically the more Judaeo Palestinian the earlier modally the more oral the earlier and linguistically the more Aramaized the earlier These are based on the chronological assumption of the earlier the more original These four long held hypotheses have been applied as authenticity criteria However this book proposes that linguistic milieu of 1st century Palestine and the Roman Near East were bilingual in Greek and vernacular languages and that the earliest church in Jerusalem was a bilingual Christian community The study of bilingualism blurs the lines between each of the temporal dichotomies The bilingual approach undermines unidirectional assumptions prevalent among Gospels and Acts scholarship with regard to the major issues of source criticism textual criticism form criticism redaction criticism literary criticism the Synoptic Problem the Historical Jesus provenances of the Gospels and Acts the development of Christological titles and the development of early Christianity There is a need for New Testament studies to rethink the major issues from the perspective of the interdirectionality theory based on bilingualism
