Code of the West Zane Grey,2015-09-15 Hot blooded Georgiana Stockwell will break a man s heart while he s eating out of her hand Moving from the East to join her schoolteacher sister in the rugged wilds of Tonto Basin Arizona Georgiana makes quite an impression Despite her sister s best efforts Georgiana creates a culture clash as her modern free spirited personality comes up against the code of the West the unwritten law of the range that everyone is expected to follow Georgiana s flirtations and coquetry provoke and outrage the proud Westerners of Tonto Basin The young and steadfast Cal Thurman is especially taken with Georgiana Cal is a man of the West through and through courageous loyal sincere quiet

spoken and hardworking Though she never expected to Georgiana finds herself falling for this man from another world But things are not as simple as either of them may want Georgiana soon realizes that loving Cal means coming up against a heritage of honor and violence she couldn't have imagined She's stirred things up too much and the pride of the West must be satisfied before things can be settled First published in 1934 *Code of the West* is another thrilling tale by the greatest novelist of the American West Better than any other writer Zane Grey vividly shows the West as it truly was defining itself through an unwritten code of honor and values and he details the consequences when an outsider refuses to live by it Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Grey and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Western Movies Michael R. Pitts, 2013-01-04 This revised and greatly expanded edition of a well established reference book presents 5105 feature length four reels or more Western films from the early silent era to the present More than 900 new entries are in this edition Each entry has film title release company and year running time color indication cast listing plot synopsis and a brief critical review and other details Not only are Hollywood productions included but the volume also looks at Westerns made abroad as well as frontier epics north woods adventures and nature related productions Many of the films combine genres such as horror and science fiction Westerns The volume includes a list of cowboys and their horses and a screen names cross reference There are more than 100 photographs
