The Man With The Twisted Lip Sherlock Holmes:

The Man with the Twisted Lip Arthur Conan Doyle, 2019-05-27 The Adventures of Sherlock Holmes is a collection of twelve short stories by Arthur Conan Doyle featuring his fictional detective Sherlock Holmes. It was first published on 14 October 1892; the individual stories had been serialised in *The Strand Magazine* between July 1891 and June 1892. The stories are not in chronological order and the only characters common to all twelve are Holmes and Dr Watson. The stories are related in first person narrative from Watson's point of view. Neville St Clair, a respectable businessman, has disappeared and his wife claims she saw him at the upper window of an opium den. Rushing upstairs to the room, she found only a beggar who denied any knowledge of St Clair, whose clothes are later found in the room and his coat laden with coins in the River Thames outside the window. The beggar is arrested but a few days later St Clair's wife receives a letter from her husband. Holmes concludes then proves that the beggar is actually St Clair in disguise; he confesses that he has been leading a double life as a beggar making more money that way than in his nominal work.

The Man With the Twisted Lip Arthur Conan Doyle, Sir, 2014-10-07 Dr Watson is called upon late at night by a female friend of his wife. Her husband has been absent for several days and as he is an opium addict she is sure he has been indulging in a lengthy drug binge in a dangerous East End opium den. Frantic with worry she seeks Dr Watson's help in fetching him home. Watson does this but he also finds his friend Sherlock Holmes in the den disguised as an old man trying to extract information about a new case from the addicts in the den. Mr Neville St Clair, a respectable and punctual country businessman, disappears. Making the matter more mysterious is that Mrs St Clair is sure that she saw her husband at a second floor window of the opium den in Upper Swandam Lane, a rough part of town near the docks. He withdrew into the window immediately and Mrs St Clair is sure that there is something wrong. She tries to enter the building but her way is blocked by the opium den's owner, a lascar. She fetches the police but they cannot find Mr St Clair. The room in the window of which she saw her husband is that of a dirty disfigured beggar known to the police as Hugh Boone. The police are about to put this report down as a mistake of some kind when Mrs St Clair spots and identifies a box of wooden bricks that her husband said he would buy for their son. A further search turns up some of her husband's clothes. Later his coat with the pockets full of several pounds worth of pennies and halfpennies is found in the Thames just below the building. The beggar is arrested and locked up at the police station and Holmes initially is quite convinced that Mr St Clair has been the unfortunate victim of murder. However, several days after Mr St Clair's disappearance, his wife receives a letter in his own writing. The arrival of this letter forces Holmes to reconsider his conclusions, leading him eventually to an extraordinary solution. Taking a bath sponge to the police station in a Gladstone bag, Holmes washes Boone's still dirty face, causing his face to be revealed: the face of Neville St Clair. Upon Mr St Clair's immediate confession, this solves the mystery and creates a few problems.

The Man With The Twisted Lip Sir Arthur Conan Doyle, P. James Macaluso, 2016-08-31. Sherlock Holmes, the world's only unofficial consulting detective, was first introduced to readers in A Study in Scarlet, published by Sir Arthur Conan Doyle in 1887. It was with the publication of The Adventures of Sherlock Holmes, however, that the master sleuth grew tremendously in popularity, later to become one of the most beloved literary characters of all time. In this book series, the short stories comprising The Adventures of Sherlock Holmes have been amusingly illustrated using only Lego brand minifigures and bricks. The illustrations recreate through custom-designed Lego models the composition of the black and white drawings by Sidney Paget that accompanied the original publication of these adventures, appearing in The Strand Magazine from July 1891 to June 1892. Paget's iconic illustrations are largely responsible for the popular image of Sherlock Holmes, including his deerstalker cap and Inverness cape, details never mentioned in the writings of Conan Doyle. This uniquely illustrated collection, which features some of the most famous and enjoyable cases investigated by Sherlock Holmes and his devoted friend and biographer Dr. John H. Watson, including A Sandal in Bohemia and The Red-Headed League, is sure to delight Lego enthusiasts as well as fans of the Great Detective, both old and new.
