## **The Man:**

**The Man** Stoker Bram, 2009-03-31 I would rather be an angel than God is the very first sentence in Stoker's fiction *The Man*. It presents his sentimental ideals at the same time conveying his philosophical thoughts. Children have been presented as a beacon of light from whom the elders should learn about honesty and innocence. A horror tale is presented that chills the readers to the bones.

**The Man Who Met His Maker** George Chittenden, 2015-11-23 After decades of attacking Royal Navy ships, the world's most ruthless pirate Alfred Mudd finally dies, bringing his reign of terror to an end, but Captain Mudd's lifetime of success leaves a deadly legacy and a treasure haul large enough to finance a war for control of Europe. So begins a race for the treasure between the British and French navies, a race that will see Admiral Saunders lead a squadron of ships across the Atlantic around the dreaded Cape Horn and through the most dangerous seas on earth on the most important mission in the Royal Navy's history.

**The Man in the Iron Mask** Wilkinson Josephine, 2021-07-06 A vivid dramatic and eye-opening historical narrative. *The Man in the Iron Mask* reveals the story behind the most enduring mystery of Louis XIV's reign. *The Man in the Iron Mask* has all the hallmarks of a thrilling adventure story: a glamorous and all-powerful king, ambitious ministers, a cruel and despotic jailor, dark and sinister dungeons, and a secret prisoner. It is easy to forget that this story made famous by Alexandre Dumas is that of a real person, Eustache Danger, who spent more than thirty years in the prison system of Louis XIV's France, never to be freed. This narrative brings to life the true story of this mysterious man and follows his journey through four prisons and across decades of time. It introduces the reader to those with whom he shared his imprisonment: those who had charge of him and those who decided his tragic fate. *The Man in the Iron Mask* reveals one of the most enduring mysteries of Louis XIV's reign, but it is above all a human story. Using contemporary documents, this book shows what life was really like for state prisoners in seventeenth-century France and offers tantalising insight into why this mysterious man was arrested and why several years later his story would become one of France's most intriguing legends that still sparks debate and controversy today.

**The Man of the Forest** Zane Grey, 2008-12-30 The classic story of a man who chose the laws of nature over the laws of man.
