Excerpt from *The Manhood of the Master* Neither is the book an attempted contribution to the the ology of the Church about Jesus It is an endeavor rather to get back behind the thoughts of the centuries about him and to see the Man Christ Jesus himself as he lives in the pages of the gospels Such an attempt has its advantages and disadvantages Many puzzling questions which concern the chronology of Jesus life and the exact import of cer tain of his teachings do not greatly trouble the student of his character The broad outlines of his personality are clear and cannot be obscured by details of interpretation Even deeper problems which concern the dates and composi tion of the gospels do not present a serious difficulty for the fundamental qualities and attitudes of our Lord are to be traced in all the gospels and this book has endeavored to conhue itself to these elemental matters About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Manhood of the Master* Harry Emerson Fosdick, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1914 edition Excerpt STUDY XII The Measure of the Stature of the Fulness of Christ DAILY READINGS First Day Twelfth Week Luke 7 6 9 And Jesus went with them And when he was now not far from the house the centurion sent friends to him saying unto him Lord trouble not thyself for I am not worthy that thou shouldest come under my roof wherefore neither thought I myself worthy to come unto thee but say the word and my servant shall be healed For I also am a man set under authority having under myself soldiers and I say to this one Go and he goeth and to another Come and he cometh and to my servant Do this and he doeth it And when Jesus heard these things he marvelled at him and turned and said unto the multitude that followed him I say unto you I have not found so great faith no not in Israel Luke 23 44 47 And it was now about the sixth hour and a darkness came over the whole land until the ninth hour the sun s light failing and the veil of the temple was rent in the midst And Jesus crying with a loud voice said Father into thy hands I commend my spirit and having said this he gave up the ghost And when the centurion saw what was done he glorified God saying Certainly this was a righteous man We are going to note this week the impression which the Master made on very different kinds of people The two centurions in these passages were attracted by his authoritative and powerful character whether shown in his daily

ministry or in the manner of his death Recall also the soldiers sent to arrest him who returned saying Never man spake like this man It is interesting to add the testimony of Napoleon a man of the centurion type Alexander Caesar Charlemagne and I have founded great empires but upon what
