Military Review ,1961 *A Special Force: Origin And Development Of The Jedburgh Project In Support Of Operation Overlord* Major Wyman W. Irwin,2015-11-06 This study examines the history of the Jedburgh project from the origin of the concept through development of the Jedburgh plan to final preparations for deployment It includes a study of the recruitment process used to man the force and the training program undertaken to prepare the Jedburghs for their unconventional warfare UW mission The Jedburgh plan provided for 100 three man teams composed of American British French Belgian and Dutch special forces personnel These teams operated well behind German lines with the primary mission of coordinating the activities of the various resistance elements to ensure that their operations supported the overall Allied campaign effort These operations indeed the very concept of a force designed to work directly with partisans in an occupied country in support of conventional forces remain significant because they are the doctrinal basis for our current special forces Today s UW doctrine centers increasingly around the support of revolutionary insurgents in a low intensity conflict environment U S Army Special Forces leaders must understand the different and complex nature of conducting UW with partisans in a mid to high intensity conflict though if they are to remain prepared to conduct these operations The amount of lead time required to develop such a capability will probably not be available in future conflicts **The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers** James Karman,2011-10-12 The 1930s marked a turning point for the world Scientific and technological revolutions economic and social upheavals and the outbreak of war changed the course of history The 1930s also marked a turning point for Robinson Jeffers both in his career as a poet and in his private life The letters collected in this second volume of annotated correspondence document Jeffers rising fame as a poet his controversial response to the turmoil of his time his struggles as a writer the growth and maturation of his twin sons and the network of friends and acquaintances that surrounded him The letters also provide an intimate portrait of Jeffers relationship to his wife Una including a full account of the 1938 crisis at Mabel Dodge Luhan s home in Taos New Mexico that nearly destroyed their marriage Code Name Pauline Pearl Witherington Cornioley,2013-08-01 Pearl Witherington Cornioley one of the most celebrated female World War II resistance fighters shares her remarkable story in this firsthand account of her experience as a special agent for the British Special Operations Executive SOE Told through a series of reminiscences from a difficult
