The Hunter Elite Tara Kathleen Kelly, 2018-03-15 At the end of the nineteenth century Theodore Roosevelt T S Van Dyke and other elite men began describing their big game hunting as manly sport with the rifle They also began writing about their experiences publishing hundreds of narratives of hunting and adventure in the popular press and creating a new literary genre in the process But why did so many of these big game hunters publish What was writing actually doing for them and what did it do for readers In exploring these questions The Hunter Elite reveals new connections among hunting narratives publishing and the American conservation movement Beginning in the 1880s these prolific hunter writers told

readers that big game hunting was a test of self restraint and manly virtues and that it was not about violence They also opposed their sportsmanlike hunting to the slaughtering of game by British imperialists even as they hunted across North America and throughout the British Empire Their references to Americanism and manliness appealed to traditional values but they used very modern publishing technologies to sell their stories and by 1900 they were reaching hundreds of thousands of readers every month When hunter writers took up conservation as a cause they used that reach to rally popular support for the national parks and for legislation that restricted hunting in the US Canada and Newfoundland The Hunter Elite is the first book to explore both the international nature of American hunting during this period and the essential contributions of hunting narratives and the publishing industry to the North American conservation movement **The Hunters of Artemis** Giorgio Groom,2020-10-17 Honour gets you killed cunning keeps you alive Hypnos God of Sleep Following the events of The Legions of Athena Maximus and his friends soon find themselves in the lush green forests of Diana the country ruled by Artemis the Olympian goddess of the Hunt But for reasons unknown to them they are greeted by a less than warm welcome by the famed Hunters of Artemis The forests of Diana not only hosts a variety of dangerous monsters but has also acted as the well tested hunting grounds for Artemis over the centuries Soon Artemis and her Hunters begin a new hunt with Max and his friends as their prey **The Hunt for the Red Banners** Paul Allen,2021-10-29 FROM THIS MASTER STORYTELLER COMES ONE OF THE MOST HIGHLY ANTICIPATED THRILLERS THIS YEAR An Australian scientist witnesses the theft of two Red Banner nukes from a Russian submarine in the Arctic The theft triggers a covert response from the Australian government spy agency ASIS Meanwhile operatives with the Chinese Ministry of State Security are funding the theft using two brothers from Bagdad The brother s journey becomes one of manipulation and betrayal The ASIS team follow a trail of evidence from Murmansk to London Moscow is desperate to get the Red Banners using highly placed sleeper agents Russia s infamous ZL kill teams plunges the MI5 deep into a maelstrom of destruction while the UK counter terrorism task force is bombed forcing the army to populate the streets of London with soldiers It was a mistake allowing one brother to take his revenge As the deadly dark hand of terrorism reaches up to the UK Prime Minister fear grips the heart of the nation Hunter must stay one step ahead of multiple invisible enemies while facing the most significant threat the destruction of London Hunter is determined to shut down the nuclear countdown and find the person behind the crime GRIPPING FROM BEGINNING TO STUNNING END This gripping mystery is perfect for fans of Peter May Lee Child Michael Connelly Ann Cleeves John Grisham David Baldacci Paula Hawkins or Val McDermid Author Paul Allen delivers a frightening novel on international terrorism The race is on BOOK DESCRIPTION The all action Hunter Wyatt thriller series continues written by Australian author Paul Allen ABOUT THE AUTHOR Paul Allen has five degrees in philosophy social science and theology In his research for the Hunter Wyatt novels including Traitors Bad Day and the Red Banners he and his wife Janine traveled across Europe and Asia for holidays providing location insights for each novel The author is currently working on a
