*The Ideologies of Violence* Kenneth W. Grundy, Michael A. Weinstein, 1974      **The Ideological Condition: Selected Essays on History, Race and Gender** Himani Bannerji, 2020-09-25 The Ideological Condition Selected Essays on History Race and Gender is a reader comprised of many of Himani Bannerji's English writings over a long period of teaching and research in Canada and India Bannerji creates an interdisciplinary analytical method and extends the possibilities of historical materialism by predominantly drawing on Marx Gramsci and Dorothy Smith Essays here instantiate Marx's general proposition that while all ideology is a form of consciousness all forms of consciousness are not ideological Applying this insight to issues ranging from patriarchy through race class nationalism liberalism and fascism Bannerji breaks through East West binaries challenging the mystifying approaches to the constitution of the social and shows that a sustained struggle against ideological thinking is at the heart of a fundamental socialist struggle Shortlisted for the Deutscher Memorial Prize 2021      **The Ideological Origins of the Dirty War** Federico Finchelstein, 2014 This book presents an intellectual genealogy of the Dirty War in Argentina It focuses on the theory and practice of the fascist idea in modern Argentine political culture including the connections between fascist fascism populism antisemitism and the military junta's practices of torture and state violence its networks of concentration camps and extermination      Jihad in the City Raphaël Lefèvre, 2021-05-06 An examination of militant Islamists in Tripoli Lebanon during the 1980s showing how they were shaped by both grand ideologies and local contexts      Understanding Terrorism Gus Martin, 2020-07-17 Understanding Terrorism Challenges Perspectives and Issues offers a comprehensive interdisciplinary exploration of domestic and international terrorism that helps students develop the knowledge and skills needed to critically assess the underlying causes of modern terrorist violence The Seventh Edition includes new or expanded discussions of critical topics in terrorism such as the evolution of right wing extremism in Western countries as well as analysis of recent events and updated terrorist tactics weapons and methods Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides      **Bloodscripts** Elana Gomel, 2003 We live in an increasingly violent world From suicide terrorists to serial killers violent subjects challenge our imaginations We seek answers to our questions on this subject in literature cinema and electronic media In Bloodscripts Elana Gomel examines how popular culture narratives construct violent subjectivity Using such various narratives as mystery horror detective and fantasy fiction as well as accounts of the atrocities perpetuated by serial killers and the Holocaust Bloodscripts offers a new map of the genres of violence and links the twin obsessions of postmodern culture crime and genocide Bloodscripts is a stimulating original and accessible account of the narrative construction of the violent subject It proposes a narrative model that will be of interest to literary critics cultural scholars criminologists and anyone trying to understand the role of violence in postmodern culture      The Age of Nihilism Curtis R. McManus, 2018 The Age of Nihilism

explores the ruinous philosophies currently underwriting the devastating slow motion implosion of Western civilization Most Western democracies structure their social and political orders around a vague poorly defined body of ideas called progressive and whose stated goal is social justice But using sources as powerful and diverse as Plato Friedrich Nietzsche Herman Melville and Albert Camus McManus explodes the myth of progress and unmasks the falsehood of social justice He argues instead for cycles of history and in doing so McManus reveals that the citizens of twenty first century Western democracies exist in the fast fading twilight of an increasingly distempered civilization whose fate was always determined We designate as progress the cultural and social changes of the past thirty years But it is not progress It is nihilism And it is the presence of nihilism itself that informs us that we are living at the end of an age The Great Right North Stéphane Lemani-Langlois, Samuel Tanner, Aurélie Campana, 2024-10-15 In February 2021 the Canadian government published a considerably expanded list of domestic terrorist entities While some such as Blood and Honour were already known others such as Atomwaffen Division the Base the Proud Boys and the Russian Imperial Movement emerged from the shadows Until then many considered far right groups in Canada a negligible phenomenon at worst a local police matter The Great Right North charts the growth of these groups illuminating how official and unofficial government attention generates the context in which they build their movements The result of seven years of research including social media scraping analysis of print and video sources and interviews with scores of leaders and adherents it examines how far right organizations operate recruit and finance their activities and explores why individuals choose to join Breaking new ground by revealing the ideological underpinnings and fragmentation within these groups the authors also highlight the role of digital platforms in their proliferation Most politicians have been quiet about the phenomenon of far right extremism in Canada insisting it is imported activism financed elsewhere The Great Right North provides an essential primer for journalists those working in policy institutes and think tanks and students and scholars for understanding its vast and urgent homegrown challenges

Psychological Roots of Political and Ideological Violence R. Kevin Hennelly,1987 *Fear Thy Neighbor* Lorenzo Vidino,Francesco Marone,Eva Entenmann,2017-09-11 Over the last three years Europe and North America have been hit by an unprecedented wave of terrorist attacks perpetrated by individuals motivated by jihadist ideology Who are the individuals who have carried out these attacks Were they born and raised in the West Or were they an imported threat refugees and migrants How did they radicalize Were they well educated and integrated or social outcasts Did they act alone What were their connections to the Islamic State The answers to these and other questions have large implications for our understanding of the threat facing us and consequently help us design sounder policy solutions built on empirical evidence This study the first of its kind seeks to analyze the demographic profile radicalization trajectories and connections to the Islamic State of all the individuals who have carried out attacks inspired by jihadist ideology in North America and Europe in the three years since the proclamation of the caliphate in June 2014 *Ideology in Britten's Operas* J. P. E.

Harper-Scott,2018-09-06 This thematic examination of Britten s operas focuses on the way that ideology is presented on stage To watch or listen is to engage with a vivid artistic testament to the ideological world of mid twentieth century Britain But it is more than that too because in many ways Britten s operas continue to proffer a diagnosis of certain unresolved problems in our own time Only rarely as in Peter Grimes which shows the violence inherent in all forms of social and psychological identification does Britten unmistakably call into question fundamental precepts of his contemporary ideology This has not however prevented some writers from romanticizing Britten as a quiet revolutionary This book argues in contrast that his operas and some interpretations of them have obscured a greater social and philosophical complicity that it is timely if at the same time uncomfortable for his early twenty first century audiences to address **Multispecies**

**Modernity** Sundhya Walther,2021-06-01 *Multispecies Modernity* Disorderly Life in Postcolonial Literature considers

relationships between animals and humans in the iconic spaces of postcolonial India the wild the body the home and the city Navigating fiction journalism life writing film and visual art this book argues that a uniquely Indian way of being modern is born in these spaces of disorderly multispecies living The zones of proximity traversed in Multispecies Modernity link animal human relations to a politics of postcolonial identity by transgressing the logics of modernity imposed on the postcolonial nation Disorderly multispecies living is a resistance to the hygiene of modernity and a powerful alliance between human and nonhuman subalterns In bringing an animal studies perspective to postcolonial writing and art this book proposes an ethics of representation and an ethics of reading that have wider implications for the study of relationships between human and nonhuman animals in literature and in life

**Forms of Fanonism** Reiland Rabaka, 2010-03-08 When Frantz Fanon's critiques of racism sexism colonialism capitalism and humanism are brought into the ever widening orbit of Africana critical theory something unprecedented in the annals of Africana intellectual history happens five distinct forms of Fanonism emerge Forms of Fanonism Frantz Fanon's Critical Theory and the Dialectics of Decolonization is discursively distinguished from other engagements of Fanon's thought and texts insofar as it is the first study to consciously examine his contributions to Africana Studies and critical theory or rather the Africana tradition of critical theory Forms of Fanonism identifies and intensely analyzes Fanon's contributions to the deconstruction and reconstruction of Africana Studies radical politics and critical social theory In highlighting his unique solutions to the problems of racism sexism colonialism capitalism and humanism five distinct forms of Fanonism materialize These five forms of Fanonism allow contemporary critical theorists to innovatively explore the ways in which his thought and texts can be dialectically put to use in relieving the wretched experience of this generation's wretched of the earth Critics can also apply these forms to deconstruct and reconstruct Africana Studies radical politics and critical social theory using their anti imperialist interests Throughout Forms of Fanonism Reiland Rabaka critically dialogues with Fanon incessantly asking his corpus critical questions and seeking from it crucial answers This book in short solemnly keeps with Fanon's own predilection for connecting critical theory to revolutionary praxis by utilizing his thought and texts as paradigms and points of departure to deepen and develop the Africana tradition of critical theory

**Disturbing Revelation: Leo Strauss, Eric Voegelin, and the Bible** John J. Ranieri, 2008 Ranieri shows how Leo Strauss and Eric Voegelin drew on biblical texts in their philosophies to explore the relationship between religion politics and violence while maintaining a deep ambivalence about the Bible's vision of life and its influence on politics and finally compares their thought with that of Ren Girard Provided by publisher
