

# Benefits of SELLING YOUR PROPERTY With Seller Financing

Sell your property as-is, no repairs or costly improvements are needed

Skip the sales listing and mortgage process and close quicker

Enjoy passive, hands-off income without the hassle of maintenance, repairs, or tenants

Avoid costly real estate agent fees and listing fees

Leverage built-in default protection—you keep all the money you've earned and get the property back if the buyer defaults on the loan

It's a smart money move! You could potentially earn more by selling your home this way and earning regular payments each month, than by putting your hard-earned cash into a riskier investment.
