The Majesty of The Lord's Prayer Ralph K. Anderson III,2020-12-23 Across the centuries probably no passage of scripture has been repeated more by Christians than the Lord s Prayer Despite its prevalence the depth of its meaning is often overlooked The book uniquely reviews this fundamental prayer using logical reasoning to elicit deeper thought concerning the purpose of this prayer When we methodically analyze the Lord s Prayer in this way we see that each petition in the prayer builds upon the next to establish not only a theological framework for our prayer lives but a foundation for how we may become more complete Christians Therefore this book analyzes not just the meaning of the words in the Lord s Prayer but also the general implications of each petition and the personal responsibility each petition entails on Christians

The Kingdom of Heaven and the Kingdom of God Earl B. Schrock,2014-01-06 God has prepared a kingdom John 14 1 3 through Jesus Christ our Lord The kingdom is free and available to all willing to be a child of God Romans 8 14 Inheriting the kingdom of God does not take place by desire Nor can it be entered into by force Its not a place that you can see or touch or feel or search for on a map It is not a place it is a relationship It is the relationship mankind has with their Creator God when they surrender their all to Him allowing Him to be the King of every aspect of their lives Thus they become the children of God Dear children do not let anyone lead you astray The one who does what is right is righteous just as he is righteous The one who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devils work No one who is born of God will continue to sin because Gods seed remains in them they cannot go on sinning because they have been born of God This is how we know who the children of God are and who the children of the devil are Anyone who does not do what is right is not Gods child nor is anyone who does not love their brother and sister 1 John 3 7 10 The kingdom or inheritance of God is entered into by the righteous Its entered into by those who recognize they are lost sinners who have been redeemed by the blood of the Lamb Revelation 5 9 12 11 Its inherited by those who surrender their will to

Book of Revelation artificial super intelligence fulfilled prophecy bad apologetics and various insights This book is rather long with some two hundred chapters and because of this fact it cannot be easily summarized That said the foremost purpose of this book is a detailed commentary on the Book of Revelation to explain the nature of the beast or the antichrist and the mysteries of God Although given the length of the commentary there is more theology than talk about the beast or artificial super intelligence The book is also available as a completely free download on my website Leo Tolstoy and the Kingdom

of God within You Daniel H. Shubin, 2009-08-01 This volume is an analysis and new translation of Leo Tolstoy s most influential compositions The initial sections of this book contain an Introduction a Biography of Leo Tolstoy and an Analysis of Tolstoy s Convictions as understood by the writer and translator The balance and bulk of this volume is a new translation of the entire text of Confession selections from What do I Believe The Kingdom of God is within You and The Christian Teaching and the complete text of The Gospels in Brief Included are 2 of Tolstoy s smaller compositions on love and belief as well as his excommunication from the Russian Orthodox Church and his response to the excommunication Tolstoy apart from being one of the worlds greatest writers also deals with political economic sociological and domestic issues based on his understanding of the Gospel of Jesus Christ in his compositions including an explanation of the concept of Christian pacifism

Ecce Deus-Homo, Or, The Work and Kingdom of the Christ of Scripture Alexander White Pitzer, 1868 **1 John L.** Daniel Cantey Jr., 2016-12-23 What if heresy had grown within the church maturing secretly over more than a millennium working ill under the cover of right belief and worship This startling and provocative book argues that the ancient heresy of Docetism reappearing in a form resonant with its original denial of Christ s body has brought the Western church to its current state of disrepair Docetism has irreparably fractured Western Christendom reducing the church to a tangled mass of denominations and sects while also infecting the course of Western society beyond the ecclesia Progressing from an ontological foundation oriented toward the dissolution of form Docetism has led peoples convinced of their march toward unity into ever deepening alienation Although it has repercussions for theological anthropology this ontological foundation has its profoundest implications for the doctrine of God The solution to Docetism as proposed by the author begins with a theory of the Trinity grounded in the tenets of biblical Wisdom and explicated in terms of the relations of origin between the divine persons **1**

John, Revised and Extended L. Daniel Cantey, 2021-07-28 In 1 John On Docetism and Resurrection 2016 the author elucidated the fundamental principles driving the modern order The latter works according to a novel form of salvation an ontology unto dissolution that the author recognizes as a new manifestation of the ancient heresy of docetism The modern heresy turns on faith in the Christ Idol an idolatry hidden for centuries beneath the cover of Western Christianity Its theological solution requires renewed engagement with the Trinitarian love understanding that love as a function of mutual life giving between the divine persons The revised and extended version of 1 John assumes the undoing of Western society under the docetic ethos seeking theological foundations for the society that might follow It details the meaning of various aspects of docetic modern society through a Johannine lens explaining these aspects as forms of oppression The author counters these through the Eastern Orthodox focus on the inner life over the external one the spiritual world over the physical and the proper appreciation of hierarchy as opposed to docetic equality

The Kingdom Among Us Michael Stewart Robb, 2022-09-27 Despite perennial attraction to his teachings Dallas Willard s theology has not been easy for his readers and colleagues to figure out or piece together His approach to theology was an odd one His five bestselling books on the Christian life were a side job to his quiet career as a professional philosopher To what if not to his profession can one attribute the lasting attraction of his books On one hand it is Willard s rhetorical skill and his cross disciplinary knowledge philosophical psychological biblical regarding the central issues of human life But more importantly his books all proclaim a gospel which in the late twentieth and early twenty first centuries can be especially hard to hear Willard spoke of this gospel in biblical terms the gospel of the kingdom a gospel of spiritual living The Kingdom Among Us presents a comprehensive account of that gospel But it is much more than mere interpretation By examining both Willard s writings and hundreds of hours of audio recordings Michael Stewart Robb both recovers and expands Willard s theological vision The book will help long time readers of Willard s books make sense of his position in professional theology and philosophy Robb s reconstruction of a gospel of spiritual living will help scholars theologians and philosophers make sense of Willard s side job But all readers will encounter in these pages the most complete picture available of one of the giants of modern Christian spirituality

The Kingdom of God Edward Everett Hale, 1880 *The Magnificent Immeasurable Kingdom of God the Father* George E Pfautsch, 2019-07-18 Our knowledge of God the Father is very limited Because the Son of God Jesus Christ is the Person of the Blessed Trinity who took on humanity and lived among us it is He to whom humans can best relate Nevertheless as maker of heaven and earth as well as all things visible and invisible our Father in Heaven is highly deserving of our thoughts and prayers Although our knowledge of the Father is very limited it is the purpose of this book to examine as best as we are able the magnificent and immeasurable Kingdom of our Heavenly Father
