Paul Feider, 2025-03-18 Jesus brought supernatural power to earth and demonstrated that power in his healing ministry. He promised that power to all who are baptized into a life commitment to him. This book takes readers into the mystery of divine healing to discover how this supernatural energy can enhance one's life and ministry. It breaks open twenty-nine healing accounts from the Gospels along with stories of healings in the present day to demonstrate how believers can carry this divine healing energy to those with whom they live and work. For people who want to learn more about how to participate in the divine healing described in the Gospels, this journey gives readers the tools to do what they desire. For those in the healthcare field, this journey will open the way to augment one's practice with divine energy to bring healing. For therapists discovering divine healing power, will allow one to go deeper into the core issues of people served and release the pain of their inner wounds that could not be reached alone. For healing prayer ministers or pastors of a church, this search will offer new insights on how to take people to a greater wholeness by the power of Jesus' healing love. *Journey to Cassadaga*
