

The Institutional Presidency

The Institutional Presidency

Richard J. Ellis

The Institutional Presidency:

The Institutional Presidency John P. Burke, 1992 When Franklin Roosevelt decided his administration needed a large executive staff he instituted dramatic and lasting changes in the federal bureaucracy and in the very nature of the presidency Today no president can govern without an enormous White House staff Yet analysts have disagreed about whether the key to a president's success lies in his ability to understand and adapt to the constraints of this bureaucracy or in his ability to control and even transform it to suit his needs In *The Institutional Presidency* John Burke argues that both skills are crucial Burke examines how the White House staff system larger and more powerful than ever interacts with a particular president's management ability and style He begins by describing the institutional presidency that emerged during the Roosevelt administration and that every modern president inherits Burke's central argument is that analysts and advisers must examine both the management style of individual presidents and the institutional features of the presidency that transcend particular administrations The success of an administration he argues lies in the degree to which the two models can be drawn upon in the day to day work of defining and furthering the president's agenda Burke concludes with a detailed comparison of the Carter and Reagan administrations He describes Carter as a variant of the collegial manager and Reagan as more formalistic In spite of very different approaches to the presidency he observes neither was a particularly successful manager and both experienced tellingly similar difficulties coping with the institutional dynamics of the White House staff Burke also makes some preliminary observations about George Bush who combines Eisenhower's more formal procedures with Kennedy's informal collegial style

The Institutional Presidency John P. Burke, 2000-09-14 Beginning with the institutional presidency that emerged during the Roosevelt administration this new edition includes a revised chapter on the Bush administration and a new chapter on Bill Clinton

The American Presidency William G. Howell, 2023-02-21 How institutions shape the American presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance enabling students to think more clearly and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities William Howell offers unparalleled perspective on the world's most powerful office from its original design in the Constitution to its historical growth over time its elections and transitions to governance its interactions with Congress the courts and the federal bureaucracy and its persistent efforts to shape public policy Comprehensive in scope and rooted in the latest scholarship *The American Presidency* is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well being of the republic Focuses on the institutional structures that presidents must navigate the incentives and opportunities that drive them and the constraints they routinely confront Shows how legislators judges bureaucrats the media and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the

lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power rules norms and organization that undergird democracy **The Institutional Presidency** Ralph Gordon Hoxie,1983 **The Institutional Presidency** Center for the Study of the Presidency,1983 *The Presidency and the Political System* Michael Nelson,2018-03-08 Written by top notch presidency scholars and carefully edited into a text reader format The Presidency and the Political System Eleventh Edition showcases a collection of original essays focused on a range of topics institutions and issues relevant to understanding the American presidency Author Michael Nelson rigorously edits each contribution to present students with a set of analytical yet accessible chapters and contextual headnotes introducing each essay You will read about different approaches to studying the presidency the elements of presidential power presidential selection presidents and politics and presidents and government New to the Eleventh Edition A new chapter focused on the Trump administration Chapter 10 discusses major shifts represented by the new administration especially in regards to the president s relationship with the media New coverage of Obama s second term enables you to compare and contrast Obama s two presidential terms as well as better understand how the similarities and differences of Obama s approach compared to his predecessors Revised time tested essays reflect current scholarship that explores the themes of modern presidential power and effectiveness *Vital Statistics on the Presidency* Lyn Ragsdale,2014-04-17 Looking beyond the individual office holders to the office itself this Fourth Edition of Vital Statistics on the Presidency covers George Washington s tenure through the 2012 election The book s expansive view of the presidency allows readers to recognize major themes across administrations and to reach overall conclusions about the nature of the institution and its future The illuminating data is put into context by thoughtful essays explaining key statistical patterns making this edition an intriguing and comprehensive reference to important patterns throughout the history of the presidency **Encyclopedia of Public Administration and Public Policy - 5 Volume Set** Domonic A. Bearfield,Evan Berman,Melvin J. Dubnick,2020-08-14 Now in its third edition Encyclopedia of Public Administration and Public Policy remains the definitive source for article length presentations spanning the fields of public administration and public policy It includes entries for Budgeting Bureaucracy Conflict resolution Countries and regions Court administration Gender issues Health care Human resource management Law Local government Methods Organization Performance Policy areas Policy making process Procurement State government Theories This revamped five volume edition is a reconceptualization of the first edition by Jack Rabin It incorporates over 225 new entries and over 100 revisions including a range of contributions and updates from the renowned academic and practitioner leaders of today as well as the next generation of top scholars The entries address topics in clear and coherent language and include references to additional sources for further study *The Development of the American Presidency* Richard J. Ellis,2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens analyzing how historical turns have shaped the modern institution The Development of the American

Presidency pays great attention to that historical weight but is organized topically and conceptually with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines practice quizzes and key terms to help students master the book s lessons

Researching the Presidency George C. Edwards, John H. Kessel, Bert A. Rockman, 1993-02-15 This collection brings together two groups of scholars The first persons active in presidential research assess the state of the literature in the recruitment and selection of presidential candidates presidential personality advisory networks policy making evaluations of presidents and comparative analysis of chief executives A second group of scholars specialists in cognitive psychology formal theory organization theory leadership theory institutionalism and methodology apply their expertise to the analysis of the presidency in an effort to generate innovative approaches to presidential research By taking a fresh look at a well established field these groundbreaking essays encourage scholars to renew their emphasis on explanation in research

The President's Day Matthew N. Beckmann, 2024-10-15 A president s work is defined by two challenges knowing what to do and finding the time to do it While the first of these has commanded extensive attention the second has received little to none until now The President s Day is a groundbreaking study of the history theory and practice of modern presidential time management Matthew N Beckmann argues that the seemingly innocuous task of scheduling turns out to be anything but In choosing what and who will fill their time presidents determine their value define their role and drive their agenda Combining extensive archival research with interviews spanning administrations from John F Kennedy to George W Bush Beckmann exposes each president s signature pattern in terms of when to work how long to work how much to pack in what to prioritize and whom to see along the way In these ways The President s Day demystifies what John F Kennedy called the secret of the presidential enterprise

The Oxford Handbook of the American Presidency George C. Edwards, William G. Howell, 2011-08-04 With engaging new contributions from major figures in the field The Oxford Handbook of the American Presidency provides the key point of reference for anyone working in American politics today

Coping with Catastrophe Gary L. Wamsley, National Academy of Public Administration, Philip A. Odeen, 1995 A comprehensive Federal responsibility FEMA the Federal responsibility state is the current approach viable Extensive bibliography Charts tables

Rebuilding FEMA United States. Congress. Senate.

Committee on Governmental Affairs,1994 **Causal Inference and American Political Development** Jeffery A. Jenkins,2024-12-02 This volume discusses the application of causal inference techniques in the study of American political development APD Within political science a movement focused on increasing the credibility of causal inferences CI has gained considerable traction in recent years While CI has been incorporated extensively into most disciplinary subfields it has not been applied often in the study of APD This edited volume considers ways in which scholars of CI and APD can engage in mutually beneficial ways to produce better overall research The Managerial Presidency James P. Pfiffner,1999 As the scope and size of the U S government has expanded the importance of good management to the success of a presidency has also increased Although good management cannot guarantee political or policy success poor management can certainly undermine good policy and political efforts In this second edition of The Managerial Presidency James P Pfiffner brings together both classic analyses and more recent treatments of managerial issues that affect the presidency Some of the foremost presidency scholars have contributed to this volume including Richard Neustadt Charles O Jones Hugh Heclo George Edwards and Louis Fisher This second edition includes more recent scholarship by Roger Porter Steven Kelman Peri Arnold and Ronald Moe The focus of this collection is the extent to which presidents can exercise control over the executive branch bureaucracies and whether it is wise for them to exert that control Part one deals with the question of how to organize the White House staff If this organizational problem is not resolved solving the broader problems of organization and policy will be that much more difficult Part two addresses the question of how much control presidents should exert over the departments and agencies of the executive branch and how the White House staff and other political appointees relate to career civil servants The final section examines presidential managerial reform efforts and the congressional role in managing the government Although the contributors to this collection do not all agree on how the presidency should be managed there is surprising consensus on which questions ought to be asked The analyses addressing those questions will be of interest to students and scholars of the modern presidency as well as those interested in executive leadership and public administration **Book Reviews on Presidents and the Presidency** Frank H. Columbus,2008 This new book presents 245 in depth and incisive book reviews about presidents and the presidency of the United States This book is a must reference in political science current affairs and sociology **Encyclopedia of the American Presidency, Fourth Edition** Michael Genovese,2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind Encyclopedia of the American Presidency Fourth Edition is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American

government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more Trajectory of Power Terry M. Moe, William G. Howell, 2025-08-19 A penetrating account of how over many decades conservative backlash to the administrative state led to the rise of a strongman presidency that threatens American democracy In Trajectory of Power leading political scientists William Howell and Terry Moe provide a sweeping account of the historical rise of presidential power arguing that it has now grown to the point where in the wrong hands it threatens to subvert American democracy and replace it with a de facto system of strongman rule whether led by Donald Trump or someone else The book shows that for much of the twentieth century Republican and Democratic presidents pursued power in very similar ways and almost always within democratic bounds But Republican presidents since Ronald Reagan in a transformation that has grown increasingly extreme over time have gone beyond the normal incentives that have traditionally shaped presidential behavior and still shape the behavior of Democratic presidents to pursue a presidency of such expansive unilateral power and with such disregard for basic democratic requirements that it puts democracy at serious risk Trajectory of Power traces this divergence in approach to the backlash of conservatives against the administrative state and to their epiphany that a war on big government could only be waged through a presidency of extraordinary power With this vision in mind Reagan s Justice Department pioneered the Unitary Executive Theory which justified vast expansions of unilateral presidential power and was further radicalized over the decades as the Republican Party became more ideologically extreme more populist more anti system and ultimately more supportive of a strongman presidency Timely urgent and original Trajectory of Power reveals how the presidency has been profoundly transformed during the modern era and why it now puts our democracy in imminent danger **American President** Colin Seymour-Ure, 1982-06-18

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **The Institutional Presidency**

In some sort of inundated with displays and the cacophony of instantaneous transmission, the profound power and psychological resonance of verbal art often fade into obscurity, eclipsed by the continuous barrage of sound and distractions. Yet, nestled within the musical pages of **The Institutional Presidency**, a captivating perform of fictional brilliance that pulses with fresh feelings, lies an wonderful journey waiting to be embarked upon. Penned with a virtuoso wordsmith, that interesting opus manuals viewers on an emotional odyssey, delicately revealing the latent possible and profound affect embedded within the elaborate web of language. Within the heart-wrenching expanse of this evocative examination, we shall embark upon an introspective exploration of the book is main themes, dissect its charming writing design, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

The Institutional Presidency Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Institutional Presidency has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Institutional Presidency has opened up a world of possibilities. Downloading The Institutional Presidency provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Institutional Presidency has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Institutional Presidency. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Institutional Presidency. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Institutional Presidency, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Institutional Presidency has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Institutional Presidency Books

1. Where can I buy The Institutional Presidency books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Institutional Presidency book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Institutional Presidency books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Institutional Presidency audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide

selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
