The Sheer Curtain Maria Elena Garza, 2016-06-17 This short novel is dedicated to my wonderful family my children Cathy Fernando Phillip my grandchildren Jozette Alaena Phoenix and my husband Max The novel is

especially written for an audience of young readers or adults who choose to have a child's imagination. It was such fun for me to develop the characters and scenes of this mystery. It all starts with a woman's silhouette that appears on the third floor window of this old Victorian mansion. No one in the town of Sneila has ever seen her except when she stands behind the sheer curtain. The children of the town look forward to Halloween every year. The children together walk down the dirt road to the mansion that sits at the edge of town behind enormously tall trees and a black iron fence. Every Halloween the children know that in front of the mansion outside the gate there will be a mysterious white cauldron filled with magic candies for each child. The candies are in baggies with each child's name written on the front of the baggie. How does she know every child's name? Where does this candy come from? The children agree that the candy is very different, like it's out of this world. These are only two of the mysteries that exist in the town of Sneila. Much mystery lives in the town of Sneila. The number of people in this town never changes. When one person dies, another is born. People who die are not buried. The number 8 appears throughout the town. Sometimes you have to add two digits to find the 8. The infinity symbol appears throughout the novel. Magic turtles surface and communicate with the two main characters, Samantha and Victoria. Flickering lights, hidden doors, basement baskets, spaceships, magic turtles, mysterious bubbles, candles, and fairies create a magical kingdom. Wrinkles and gray hair are witnesses to times past. The surprise ending is sure to give you goose bumps. Other books from the author include the following: *Sleepy Tears*, *Laughing Tears*, *Sleepy Tears Miss You*, *Tears God's Love is Real*, poetry book *Friends and Angels*, poetry book *The Secret Meeting of the Sorcerers*. *A Beginner's Guide to Tribal Marketing* GATHONI NJENGA, A beginner's guide to tribal marketing lays out the fundamentals of social and community based marketing. On TikTok, Instagram, Twitter, and more, witches set intentions, manifest their dream jobs, and even create virtual altars for their ancestors. *Social Media Spellbook* is a perfect way to take part in this trend by using social media to channel the power of the universe.
