The Bolsheviks Volume II John D. Loscher,2009-09 We must seek to build a Russia based on three sound principles Peace Land and Bread NOTHING ELSE William Donaldson newly promoted Charge d Affaires for the United States Embassy in Petrograd formerly Saint Petersburg Russia could only cringe at hearing Lenin's stirring proclamation announcing the primary goals for the Petrograd Soviet These ambitious words ran counter to the aims of his employer the American government As an American diplomat during the administration of President Woodrow Wilson William is obligated to support his country's self-serving objectives But as the husband to Sonja Mastrova a Russian nation William is torn must he care out his duty or advocate a cause which he knows in his heart to be morally and ethically right Since he was a conscripted diplomat being named embassy charge d affaires should have been the crowning achievement for William Donaldson However as Russia spirals ever deeper into chaos and revolution his posting becomes a curse Caught up in a web of intrigue woven by America's inept luxury-loving ambassadors William is a witness to the final overthrow of Russia's imperial family His dealings with the weak Russian provisional government will provide William with a textbook example chronicling the pitfalls of democracy As the faltering democratic provisional government splinters and becomes mired in gridlock the Russian people become truly desperate Knowing how desperate people will do desperate things the situation becomes ripe for Vladimir Lenin and his henchmen to finally implement their own vision for Russia's future without any annoying outside interference When that model is forcibly imposed William can only lament at what he sees as the consequence for the Russian people of being yoked to the science of communism Is Russia's exploited peasant population any better off than they were before

**KEYWORDS** spicy romantasy series romantasy series spicy romantic fantasy spicy fantasy romance *The House of Sand* Terrence Douglas, 2011-11-22 The House of Sand is not a story directed at the excesses of the House of Saud and the Kingdom of Saudi Arabia nor is it a veiled reference to present day Bahrain or Yemen and their exclusive ruling families nor even to the once privileged now embattled or deposed families of Libya Tunisia Egypt Syria or elsewhere in the world Rather The House of Sand is a story about the greed ambition self absorption of ruling classes wherever they reside who are not responsive to the aspirations of the people the international political forces that prop up such regimes and the business interests that despoil the areas The story is about the ancient traditions misplaced but eventually reclaimed wisdom ignored for a time and the courage of the people that emerges in the end to seize the opportunity only freedom can offer but not impose Author Terrence Douglas has observed the excesses and endemic corruption throughout the world in the course of his travels always marveling how wisdom and courage stir just below the surface until the appropriate time when it reappears in the soul of the people Follow the journey across the desert from the perspective of Aziz who embodies an ancient wisdom and integrity his son Sultan who wields power only to satisfy his personal and exorbitant tastes and foibles and Chester Holycross so desperate to reclaim his business reputation who is willing to stoop to satisfy Sultans every whim The supporting cast of characters offers the contrast and reliefsometimes comic that the story requires **In Sylvan Shadows** R.A. Salvatore, 2011-08-16 Cadderly leaves his home at the Edificant Library to aid the elves of Shilmista Forest in an epic battle against evil forces Cadderly the cleric and his fellow inhabitants of the Edificant Library have vanquished the Chaos Curse that was unleashed upon their home But their celebrations are cut short when a terrible piece of news arrives at their door The Curse has spread farther than they could have ever imagined leaving the rag tag band of heroes with no choice but to

resume their battle against its great evil Now Cadderly and his friends must journey to the forest of Shilmista the homeland of the elves where an evil collective of wizards named Castle Trinity has waged war While fighting for his life and the home of his new companions Cadderly also navigates his new status as priest of the Deneiran order and his new feelings of jealousy for the elven prince Elbereth *A Concordance to the Poems of Robert Browning* Leslie Nathan Broughton, Benjamin Franklin Stelter, 1924 The Eunuch's Heir Elaine Isaak, 2012-07-09 Prince Wolfram of Lochalyn can't possibly live up to the reputation of his father the Blessed Rhys so why bother to try Until a series of self-started catastrophes plunges him into the midst of the growing refugee population They claim to be fleeing a war and only Wolfram sees the danger that lurks in their mysterious ways But his love for an exotic stranger and his concern for the princess who pursues him collide with a more terrible struggle in which his kingdom may fall and his very Goddess be brought to Her knees Discredited by his past and disdained by his own mother Wolfram must find the truth of his birth and fight to make amends for all that he's done or be seduced by the darkness of distant power **From Hunting to Drinking** David McKnight, 2003-09-02 Based on extensive ethnographic fieldwork this is a vital addition to the literature on alcohol use and problem drinking social change and postcolonialism *From Hunting to Drinking* reveals the social change witnessed over a period of 30 years by an anthropologist on Mornington Island off the North Queensland Coast Australia most notably the devastating effects that alcohol has had on this community **Dark Prince's Mate** Anna Zaires, Charmaine Pauls, 2025-06-17 I thought nothing was worse than dying Then I discovered there are things that hurt an awful lot more than chemo like getting your heart trampled on by the insanely powerful superhuman prince who claims you're his mate Right after we consummated the mating no less Well he can have a nice life The moment an opportunity presents itself I'm out of here I just need to locate someone who'll portal me back to Earth before he finds me **Arcanum** Simon Morden, 2014-01-28 Rome was the center of the most powerful empire the world had ever seen but that didn't stop it falling to Alaric the Goth his horde of barbarian tribesmen and their wild spell-casting shamans Having split the walls with their sorcery and slaughtered the inhabitants with their axes the victors carved up the empire into a series of bickering states which were never more than an insult away from war A thousand years later and Europe has become an almost civilized place The rulers of the old Roman palatinates confine their warfare to the short summer months trade flourishes along the rivers and roads and farming has become less back-breaking all due to the magic bestowed by gods that infuses daily life Even the barbarians' gods have been tamed where once human sacrifices poured their blood onto the ground there are parties and picnics drinking and singing fit for decent people and their children But it looks like the gods are going to have the last laugh before they slip quietly into ill-remembered obscurity Year of Desperate Struggle Monte Akers, 2015-02-19 This chronicle of the legendary Confederate Army of Northern Virginia brings vivid detail and insight to the campaigns of Maj Gen Jeb Stuart By the summer of 1863 following the Southern victory at Chancellorsville it was clear to everyone on both sides of the Civil War that the Army of Northern Virginia was the most formidable force

Americans had ever put in the field Much of that army s success was attributable to its cavalry arm led by Maj Gen J E B Jeb Stuart But while Stuart could literally run rings around the enemy Union arithmetic and expertise were gradually catching up In Year of Desperate Struggle author Monte Akers tracks Stuart and his cavalry from Gettysburg to the Overland Campaign concluded only when Jeb himself succumbed to a gunshot wound at the gates of Richmond It was a year of grim casualties and ferocious fighting in short a year of desperate struggle with the gloves off on both sides In this sequel to Year of Glory historian Monte Akers provides a minute examination of Stuart s cavalry during the controversial Gettysburg campaign followed by nine months of sparring during which the Union Army of the Potomac declined to undertake further thrusts against Virginia After Stuart s death the Army of Northern Virginia would eventually be cornered but while he was alive it was often the Northerners who most needed to look to their security Crown of Thorns Stephane Groueff,1998-08-06 A fascinating biography of Bulgaria s tragic monarch Boris III based on private correspondence and extensive interviews with members of the Bulgarian royal family The son of King Ferdinand of Saxe Coburg Gotha Boris became king after the first World War Noted for defying Hitler wishes for Bulgaria s Jews the popular king died mysteriously in 1943 after a stormy meeting with Hitler **Legends Lost** Katheryn Shelly,2021-02-22 Welcome to the kingdoms of Crystal City and Hagville where two royal children reside Young beautiful Princess Arabella lives in Crystal City while the youthful adventurous Prince Elgrin dwells in Hagville Individually they are both content fulfilled children until a full moon brings them together in a chance encounter Maybe it wasn t a chance encounter at all but prophecy as they meet at the energy wall at the border between kingdoms Now they must overcome dangerous adventures and mishaps as they grow into adults and also grow closer together Step into a land of legend as two young royals quest to save their kingdoms their people and the world
