leadership rooted in pragmatic success dominate Christian leadership in the West It makes our work impersonal and exploitive And at worst it serves the leader rather than those the leader leads We need a different style of leadership one patterned after Jesus We need to learn to influence others out of our character for that is what Jesus did The Christian Leader is not about improving your church your work or your family it is about changing how you lead It does more than teach you how to modify your behavior it shows you how to change the sources of your behavior your motives and reasons for being a Christian leader In the end as everything you know and believe about Christian leadership is transformed it will lead to transformation in those you lead and serve
