The Making Of Scotland Nation Culture And Social Change:

The Making of Scotland, 1989 *The Necessary Nation* Gregory Jusdanis, 2011-06-27 In this controversial look at nationalism Gregory Jusdanis offers a sweeping defense of the nation as a protector of cultural difference and a catalyst for modernization Since the end of the Cold War the nation state has undergone intense scrutiny among critics in the media and the academy Many believe that civic nationalism may be fruitful but that cultural nationalism fosters xenophobia and backward thinking Jusdanis however emphasizes the positive collaboration between nation building and culture Through a series of critical readings of multicultural postcolonial and globalization theories the author reveals how nationalism enables people to defend their distinctive ways of life to fight colonial oppression and to build an independent society of citizens He explains why people over the last two hundred years have politicized their ethnic identities and have sought a union of culture and power within an autonomous nation state While seeking to defend nationalism Jusdanis also examines its potential to unleash extraordinary violence into the world He thus proposes federalism as a political solution to the challenges posed by nationalism and globalization Jusdanis applies the tools of disciplines ranging from anthropology to philosophy as he explores the nation building projects of numerous and diverse countries around the world What emerges is a fresh perspective on the subjects of national culture identity political nations globalization postcolonialism and diaspora

The Sociology of Nationalism David McCrone, 2002-05-03 In recent years nationalism has emerged as one of the dominant issues of our time In this lucid and balanced account David McCrone lays out the key issues and debates around a subject which is too often obscured by polemic Among topics covered are classical and contemporary theories of nationalism nationalism and ethnicity nationalism and the nation state colonial and post colonial nationalisms neo nationalism and post communist nationalism

Moving the Goalposts Martin Polley, 2002-09-11 Martin Polley provides a survey of sport in Britain since 1945 and examines sport's place in British culture He discusses issues of class gender race commerce and politics as well as analysing contemporary sport

The Palgrave Handbook of Sociology in Britain J. Holmwood, J. Scott, 2014-07-18 Leading sociologists outline the historical development of the discipline in Britain and document its continuing influence in this essential and comprehensive reference work Spanning the Scottish enlightenment of the 18th century to the present day this Handbook maps the discipline and the British contribution

Devolving Identities Lynne Pearce, 2017-03-02 There is no doubt that the political and cultural map of Europe is in the process of being radically redrawn Alongside the major upheavals in continental Europe the British Isles has undergone far reaching constitutional reform In *Devolving Identities* feminist scholars explore their personal negotiations of gender class ethnicity and national or regional identity through their readings of two literary and cultural texts The collection centres on the ontological experience of reading and writing as a feminist and combines the discussion of texts which are inscribed whether consciously or unconsciously with the academics own struggle to reconcile their roots with their current situations or identities This book s

focus on the overlapping of gender and national or regional identity is a direct response to the devolution movements currently active in the British Isles The contributors are drawn from Scotland Wales Cornwall Ireland Northern Ireland and selected regions of England In its complex engagement of subject and text and its political insistence that we no longer consider key aspects of identity in isolation this volume presents a truly state of the art investigation of a what it means to be regionally defined and b how the complexity of our positioning in terms of class gender and nation impacts upon our practice as literary and cultural critics

Social Work in the British Isles Malcolm Payne, Steven Shardlow, 2001-11-30 This ground breaking book provides invaluable insight into the diverse nature of social work practice within the British Isles The contributors explore key differences in social work s role and character and the legal systems and organisational structures in which it operates in the different regions

The Scots in South Africa John M. MacKenzie, 2013-07-19 The description of South Africa as a rainbow nation has always been taken to embrace the black brown and white peoples who constitute its population But each of these groups can be sub divided and in the white case the Scots have made one of the most distinctive contributions to the country s history Now available in paperback this book is a full length study of their role from the eighteenth to twentieth centuries It highlights the interaction of Scots with African peoples the manner in which missions and schools were credited with producing Black Scotsmen and the ways in which they pursued many distinctive policies It also deals with the inter weaving of issues of gender class and race as well as with the means by which Scots clung to their ethnicity through founding various social and cultural societies This book offers a major contribution to both Scottish and South African history and in the process illuminates a significant field of the Scottish Diaspora that has so far received little attention

Subverting Scotland's Past Colin Kidd, 2003-12-18 This book examines how the intellectual developments of the Scottish Enlightenment undermined Scotland s sense of nationalism

Alienation and Wellbeing Chris Yuill, 2023-12-21 Marx argued that capitalist society acts against the core capacities skills and talents of human beings and that it also limits their realisation or channels them into activities related to profit rather than need Bringing Marx s theory of alienation forward to the present day this book uniquely links it to health and well being Using case studies and vignettes of workers across different industries it reveals their lived experiences offering crucial insights into the insidious ways in which capitalism continues to damage human well being This is a resounding call for how society can change for the better

Sport and Tourism James Higham, Tom Hinch, 2010-05-04 Sport and Tourism Globalization Mobility and Identity marks a new era in sport tourism texts Written by global experts whose previous collaborations have been integral to the development of the field the book applies key social science concepts and issues relevant to the academic study of sport and tourism This is a ground breaking text which Critically explores the wider manifestations of sport related tourism and mobility Addresses key themes such as globalization mobility and identity Explores the unique interrelationship that exists in a sport tourism context between activity people and place Includes case studies written by a range of leading scholars from

around the world Set to be the an essential text for any student or academic in the field this book cements and advances previous studies by building upon existing literature while extending the field by exploring avenues of study that are yet to be comprehensively addressed The latest collaboration by internationally renowned authors applies new theoretical perspectives for the advancement of sport tourism An Intellectual History of Political Corruption B. Buchan,L. Hill,2014-01-22 Few concepts have witnessed a more dramatic resurgence of interest in recent years than corruption This book provides a compelling historical and conceptual analysis of corruption which demonstrates a persistent oscillation between restrictive public office and expansive degenerative connotations of corruption from classical Antiquity to 1800

Reactions to Revolutions Ulrich Broich,2007 The outbreak of revolution in Paris in 1789 forced Britain into a political and military conflict that had a profound impact on politics economy public discourse and cultural life well into the 19th century The essays collected here examine the various responses to the revolution and the significant changes wrought within Britain by the events Some essays discuss the ideological divisions within Britain and Ireland Others take a closer look at the media and the debate on the press and reinvestigate responses to the revolution by prominent contemporaries such as William Godwin Dugald Stewart and William Wordsworth *Sporting Nationalisms* Mike Cronin,David Mayall,2005-07-08 This volume examines the ways in which sport shapes the experiences of various immigrant and minority groups and in particular looks at the relationship between sport ethnic identity and ethnic relations The articles in this volume are concerned primarily with British American and Australian sporting traditions and the themes covered include the consolidation of ethnic identity in host societies through participation immigrant sports and exclusive sporting organizations assimilation into host societies through participation in indigenous national sports and the construction by outsiders of separate ethnic identities according to sporting criteria Beyond Pug's Tour ,2022-06-08 At a time when the world Europe especially is once more threatened by murderous conflicts between groups of people claiming ethnic and national identity as a basis for sovereignty over specific territories it is timely to consider the part that literature has played and is playing in the creation of ethnic and national stereotypes What role do such stereotypes have in literature How are they created From what materials are they constructed What purpose do ethnic and national stereotypes serve Can it ever be a useful one Are they avoidable Can we live without them What can be done about the deleterious effects they may be thought to produce Stereotyping is worldwide is there a tribe race and nation in existence which escapes being stereotyped by its neighbours In what sense are these stereotypes accurate How are these stereotypes reflected in and reinforced by literature Should and can literature do anything about them In Beyond Pug s Tour National and Ethnic Stereotyping in Theory and Literary Practice literary scholars as well as academics engaged in sociological and psychological research consider these and other questions by examining the work of specific authors and the circumstances in which stereotyping plays such a crucial part Whaur Extremes Meet Catriona M.M. MacDonald,2009-10-30 On the cusp of memory and history the story of Scotland s twentieth century is

contested territory international yet parochial prosperous yet ailing and passionate yet temperate This thematic account of Scotland's twentieth century examines the economic social political and cultural aspects that shaped the country during the period Catriona MacDonald underlines the tensions inherent in the life of a nation distinguished by stark changes and surprising continuities a fragmented identity a shifting and at times uneasy accommodation in the UK nation state and an ongoing engagement with globalising tendencies In identifying the choices ambitions possibilities and contradictions that Scotland experienced during a century of profound change she uncovers a country in which one can truly say extremes met

Adam Ferguson: History, Progress and Human Nature Eugene Heath, 2015-09-30 Unique among the leading figures of the Scottish Enlightenment Ferguson saw two eighteenth century revolutions the American and the French This monograph contains essays that range across all of Ferguson's works to investigate his engagement with contemporary events and his contributions to our understanding of history and human action *New Theatre Quarterly 68: Volume 17, Part 4* Clive

Barker, Simon Trussler, 2002-01-28 Provides an international forum where theatrical scholarship and practice can meet

Nationalism in a Global World Sam Pryke, 2017-09-16 What can globalization studies tell us about national identity This text looks at historical and contemporary debates to assess the key issues of nationalism and national identity from economic nationalism to cultural homogenisation Setting issues in a global context and packed with examples this is an important and engaging student text Scots Imagination and Modern Memory Andrew Blaikie, 2013-08-20 Blaikie explores how our

different ways of seeing influence the relationship between place and belonging He argues that our memories however brief or complex invoke imagined pasts But do our recollections share a common frame of reference Blaikie's c
