The Man From Music Mountain:

Nan of Music Mountain Frank H. Spearman,2020-08-13 Reproduction of the original Nan of Music Mountain by Frank H Spearman **Nan of Music Mountain** Frank Spearman,2017-03-19 **The 66 Kid** Bob Boze Bell,2014-09-01 It s the most famous highway in the world find out or remember why Tens of thousands of travelers from around the world spend millions of dollars every year trying to recapture the aura of a simpler time When gasoline can top 4 a gallon and Route 66 is in many ways a shell of its former glory what keeps them coming Author Bob Boze Bell a lifelong resident of Kingman Arizona one of the quintessential Route 66 towns has accumulated a unique sense of the Mother Road s history not to mention friendships with folks from Kingman and other Route 66 communities In The 66 Kid part autobiography part narrative history part oral history Bell offers a highly illustrated account of the world s most famous highway full of the author s personal observations and recollections and exciting first person accounts from people who lived worked and played along the road Bell digs deep into the roots of the Route 66 offering insights into the people who made it run from the neon lit motels to the greasy spoon diners and even the shady roadside attractions Illustrated with period postcards and photos as well as the author s own maps and art created for this project The 66 Kid proves that you can still get your kicks on Route 66

Western Film Highlights Henryk Hoffmann,2015-07-11 Westerns may have had their heyday but they remain popular The greatest films from 1914 when The Squaw Man and The Virginian were among the genre s best through 2001 when American Outlaws and Texas Rangers were tops are the subject of this work For each year the author names the outstanding western films in the following categories picture screenplay original and adaptation direction cinematography music male and female leading roles and male and female supporting roles Also for each year the author lists the westerns that received Academy Award nominations and those that won makes note of the births and deaths of notable actors directors producers composers cinematographers authors and other such personalities and describes the genre s significant achievements

Gene Autry Don Cusic,2010-04-07 Gene Autry was the first of the wildly popular singing cowboys of the thirties and forties and the man who carried the flag for western in country and western popularizing the genre s marriage of seemingly disparate western and hillbilly influences Beyond his highly successful recording career his on screen persona influenced an entire generation of American boys Autry an accomplished investor and businessman was a longtime owner of Major League Baseball s Angels franchise This meticulously researched biography takes the reader from Gene Autry s childhood in Oklahoma through his phenomenally successful career as a singer and actor and covers his later triumphs in business and sports Of particular interest is the book s detailed day to day treatment of Autry s performing career with a wealth of information on each recording session and film shoot including key personnel e g songwriters engineers directors crew and interesting anecdotes The work includes information from the author s own interviews with Autry s contemporaries He Was Some Kind of a Man Roderick McGillis,2009-05-19 He Was Some Kind of a Man Masculinities in the B Western explores

the construction and representation of masculinity in low budget western movies made from the 1930s to the early 1950s. These films contained some of the mid twentieth century's most familiar names especially for youngsters: cowboys such as Roy Rogers, Hopalong Cassidy and Red Ryder. The first serious study of a body of films that was central to the youth of two generations. *He Was Some Kind of a Man* combines the author's childhood fascination with this genre with an interdisciplinary scholarly exploration of the film's influence on modern views of masculinity. McGillis argues that the masculinity offered by these films is less one dimensional than it is plural perhaps contrary to expectations. Their deeply conservative values are edged with transgressive desire and they construct a male figure who does not fit into binary categories such as insider/outsider or masculine/feminine. Particularly relevant is the author's discussion of George W. Bush as a cowboy and how his aspirations to cowboy ideals continue to shape American policy. This engagingly written book will appeal to the general reader interested in film westerns and contemporary culture as well as to scholars in film studies, gender studies, children's literature and autobiography.

Roy Rogers Robert W. Phillips, 1995-05-01 This is the definitive work on Roy Rogers, the King of the Cowboys. The lives and careers of Rogers and his wife Dale Evans are thoroughly covered, particularly their work on radio and television. The merchandising history of Roy Rogers reveals that his marketing of character related products was second only to that of Walt Disney. Roy Rogers memorabilia are still among the most popular items. Includes a comprehensive discography, filmography and comicography. Heavily illustrated.

Western Movies Michael R. Pitts, 2013-01-04 This revised and greatly expanded edition of a well established reference book presents 5105 feature length four reels or more Western films from the early silent era to the present. More than 900 new entries are in this edition. Each entry has film title, release company and year, running time, color indication, cast listing, plot synopsis and a brief critical review and other details. Not only are Hollywood productions included but the volume also looks at Westerns made abroad as well as frontier epics, north woods adventures and nature related productions. Many of the films combine genres such as horror and science fiction Westerns. The volume includes a list of cowboys and their horses and a screen names cross reference. There are more than 100 photographs.

Catalog of Copyright Entries Library of Congress. Copyright Office, 1968

The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness. Eileen Bowser, Museum of Modern Art Film Department. Comments on previous volumes. The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog. Thomas Cripps. Endlessly absorbing as an excursion into cultural history and national memory.

Arthur Schlesinger Jr. *A Biographical Dictionary of Silent Film Western Actors and Actresses* George A. Katchmer, 2015-05-20 Long before sound became an essential part of motion pictures, Westerns were an established genre. The men and women who brought to life cowboys, cowgirls, villains, sidekicks, distressed damsels and outraged townspeople often continued with their film careers, finding success and fame well into the

sound era always knowing that it was in silent Westerns that their careers began More than a thousand of these once silent Western players are featured in this fully indexed encyclopedic work Each entry includes a detailed biography covering both personal and professional milestones and a complete Western filmography A foreword is supplied by Diana Serra Cary formerly the child star Baby Peggy who performed with many of the actors herein **The Publishers Weekly** ,1917
