**Wedding Confessions of a Very Married Man** Clyde Shaw,2013-03-05 Marriage love and sex are topics that garner a lot of attention from various writers and rightly so as these topics are juicy enough to satisfy any appetite for a good read Weddings invariably a tangible manifestation of Marriage Love and Sex are just as interesting These events are a beast in and unto themselves and can provide enough drama to fill all the national libraries of the world So although this book does touch on issues pertaining to sex love and marriage they are all tied to the wedding context Therefore the issues that happen before the wedding during the wedding and unusual tips on how to preserve relationships are all dovetailed to produce these wedding confessions This book will instigate discussions and arguments in book clubs amongst the girls and amongst the guys but don t take it too seriously unless of course you want to The writer speaks directly to the women but it s a book applicable to both genders especially if navigating a relationship or getting married and provides a bit of empowerment It is a candid funny irreverent but very honest look at the wedding process and some of the situations that affect and influence this supposedly wonderful affair If you re already married some of these stories will look ridiculously familiar while if you re
