The Man Who Conquered Death:

Understanding Franz Werfel Hans Wagener, 1993 Describes the life work of the Austrian poet novelist who heralded the German Expressionist movement in 1911 wrote some of Europe's most widely read novels in the 1930s enjoyed popular success in the 1940s with the film adaptations of his best selling novels *The Man who Conquered Death* Franz

Werfel, 1927 A German watchman of sixty four must live until his sixty fifth birthday in order that his wife and epileptic son may benefit from his insurance **Conquering Death** Jay Mendell, 2022-09-10 Thanatos is the personification of Death

itself and has walked the Earth longer than almost any other immortal on the planet He has met many gods and become familiar with a number of them including the war god Ares and the love goddess Aphrodite They've been willing to bring him into their relationship in the past but Thanatos is unsure of how far that favor extends He is their friend and occasional lover but could they really care for someone with his reputation Still Thanatos has a job to do and he knows the weight of his duty Though he believes himself to be quite familiar with mortals there are still some parts of them he doesn't understand He does know one thing for certain no mortal wants to die And some are willing to do nearly anything to avoid it When he is sent to apprehend King Sisyphus by Zeus the mortal seems quite agreeable At first But now Thanatos has been captured no one is dying and some are claiming the world is better for it Thanatos knows he can't allow this to continue but he can't get free on his own Will anyone be willing to rescue Death the one thing they all fear **The Standard**, 1928 **Behold the Man**

Colleen Conway, 2008-05-07 In this book Colleen Conway looks at the construction of masculinity in New Testament depictions of Jesus She argues that the New Testament writers necessarily engaged the predominant gender ideology of the Roman Empire whether consciously or unconsciously Although the notion of what constituted ideal masculinity in Greek and Roman cultures certainly predated the Roman Empire the emergence of the Principate concentrated this gender ideology on the figure of the emperor Indeed critical to the success of the empire was the portrayal of the emperor as the ideal man and the Roman citizen as one who aspired to be the same Any person who was held up alongside the emperor as another source of authority would be assessed in terms of the cultural values represented in this Roman image of the manly man Conway examines a variety of ancient ideas of masculinity as found in philosophical discourses medical treatises imperial documents and ancient inscriptions Manliness in these accounts was achieved through self control over passions such as lust anger and greed It was also gained through manly displays of courage the endurance of pain and death on behalf of others With these texts as a starting point Conway shows how the New Testament writings approach Jesus gender identity From Paul's early letters to the Gospels and Acts to the book of Revelation Christian writings in the Bible confront the potentially emasculating scandal of the cross and affirm Jesus as ideally masculine Conway's study touches on such themes as the relationship between divinity and masculinity the role of the body in relation to gender identity and belief in Jesus as a means of achieving a more ideal form of masculinity This impeccably researched and highly readable book reveals the importance of ancient

gender ideology for the interpretation of Christian texts **The Watchman-examiner** ,1928 Revelation (Baker Exegetical Commentary on the New Testament) Thomas R. Schreiner,2023-10-17 Find academic sophistication pastoral sensitivity and accessibility in the award winning BECNT series 2024 Christian Book Award Winner Bible Reference Works In this addition to the award winning BECNT series leading evangelical biblical scholar Thomas Schreiner offers a substantive commentary on Revelation Schreiner s BECNT volume on Romans has been highly successful with nearly 40 000 copies sold In this volume Schreiner presents well informed evangelical scholarship on the book of Revelation He leads readers through the text of Revelation to help them better understand the meaning and relevance of this biblical book As with all BECNT volumes this informative balanced commentary features Detailed interaction with the Greek text Extensive research Chapter by chapter exegesis A blend of scholarly depth and readability An acclaimed user friendly design The BECNT series aims for academic sophistication with pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers

Revelation: Tribulation and Triumph Practical Christianity Foundation, 2022-09-08 The Book of Revelation rings with familiar imagery and verses but what does it tell us about the last days Despite the countless interpretations available it often seems as though understanding the last days has never been more difficult Now through this easy to read devotional commentary Revelation will come alive as you venture into the powerful and dynamic message of this prophecy and diligently study the Second Coming of Jesus Christ Creeds Or No Creeds? Charles Harris, 1922 *The Zodia, Or, The Cherubim in the Bible and the Cherubim in the Sky* E. M. Smith, 1906 *The Just and Loving Gaze of God with Us, Second Edition* Henry Walter Spaulding III, 2024-08-01 In recent years Paul has become the subject of renewed interest among political philosophers These philosophers deploy Paul as a means to deconstruct late modern political issues such as liberalism biopolitics and sovereignty However these philosophers ultimately truncate Paul's message to fit nontheistic materialist ends Such an approach polarizes interpreters often leading either to a full endorsement or full rejection In this work Spaulding adds a needed voice in this conversation By neither fully endorsing or fully rejecting the new approach to Paul Spaulding argues that Paul's message is both materialist and faithful to the Christian tradition Spaulding critically utilizes both the new approach and recent studies in apocalyptic interpretations of Paul in order to articulate a Pauline political theology for our

Barton, 2017-07-28 As preachers who come to the pulpit before God and before God's people each and every week how do we make sense of the text as we live a new moment of its ongoing story Most options available to the preacher necessitate a hermeneutical step that requires us to preach outside of time in timeless truths experiences or realities But the gospel is the drama of God

appearing to and working with and loving God's people in time Preaching Through Time gives the preacher a timely homiletic for preaching together the times of God's gospel then and now while calling God's people to perform their own roles in today's moment of that gospel drama Anachronism preaching together the moments of God's drama is the language event that will get us from text to timely sermon week by week
