Bookseller and the Stationery Trades' Journal, 1891 *Roman Portraits* Paul Zanker, 2016-11-14 Portrait sculptures are among the most vibrant records of ancient Greek and Roman culture. They represent people of all ages and social strata: revered poets and philosophers, emperors and their family members, military heroes, local dignitaries, ordinary citizens, and young children. The Met's distinguished collection of Greek and Roman portraits in stone and bronze is published in its entirety for the first time in this volume. Paul Zanker, a leading authority on Roman sculpture today, has brought his exceptional knowledge to the study of these portraits in presenting them; he brings the ancient world to life for contemporary audiences. Each work is lavishly illustrated, meticulously described, and placed in its historical and cultural context. The lives and achievement of significant figures are discussed in the framework of the political, social, and practical circumstances that influenced their portraits' forms and styles, from the unvarnished realism of the late Republican period to the idealizing and progressively abstract tendencies that followed. Analyses of marble portraits recarved into new likenesses after their original subjects were forgotten or officially repudiated provide especially compelling insights. Observations on fashions in hairstyling, which typically originated with the Imperial family and spread as fast as the rulers' latest portraits could be distributed, not only edify and amuse but also link the Romans' motives and appetite for imitation to our own. More than a collection catalogue, *Roman Portraits* is a thorough and multifaceted survey of ancient portraiture. Charting the evolution of this art from its origins in ancient Greece, it renews our appreciation of an connection to these imposing, timeless works. **Hands of Time** Mia Capley, 2013-10-14 Elizabeth's Place was in danger. Growling, swishing noises were swamping her peaceful home, and owner Sara McKenzie was struggling to find the answers to save her home. But not only was the estate in jeopardy, the surrounding community seemed to be a risk as well as the road around the small spot in the Southern road was literally sinking into the earth. Calling on her friends at Carblo Grocery, her border Ashton, and her earthbound ghost William Alexander Cooper, Sara must find a way to save the historic home and unleash the monsters that threaten to doom her. Along the way, Sara meets some colorful characters, and she could even fall in love. [The Impossible Bird](#) Patrick O'Leary, 2003-03-05

There is a place a world where famine and poverty do not exist. Nor sickness nor misery nor unhappiness of any kind. Is it Heaven? As two brothers are about to discover, it's more like Hell. Michael Glynn is a hotshot director addicted to a there's no success like excess hedonism. Daniel Glynn is a professor of literature, devoted husband and doting father with a quietly buttoned-down life. Brothers bound by blood. But brothers waging a private civil war, an emotional feud of lies and deceit and dark secrets buried but not forgotten. But all that is about to change. One day the brothers are visited simultaneously by gun-wielding strangers claiming to be agents of an elite government security agency. Each brother is questioned about the whereabouts of the other. What they want is the code. The strangers are convinced one of the brothers possesses the code but they aren't sure which. Having maintained only sporadic contact, Michael and Daniel can be of no assistance. Or so they think. The strangers will not take no for an answer. Their instructions are simple: find your brother or die. But what begins as a cross-country manhunt, brother converging on brother, turns into an odyssey of discovery neither could have imagined. It is a journey that will take them to a world of perfect human happiness. A world purged of suffering. A world without death. A world where a life can be relived and mistakes corrected. Both have been given a second chance. The question is: is a second chance what they really need? For Michael and Daniel, the answer to that question will be found by unraveling the mystery of the impossible bird.
