H. Spurgeon, Book 1 (Vol. 1-3)* C. H. Spurgeon, 2015-03-22 The story of Charles Haddon Spurgeon s life is nothing less than titanic Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance What can account for the meteoric rise in popularity Why did so many wish to hear his sermons It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky *Is Jehovah Universally the Only Supreme God?* P. Dalton Simms, 2022-08-03 To all who may be privileged to encounter this book I do hope that it can bring a tranquil peace knowing that it speaks of a creator and at the same time points to scriptures that might or might not convince its readers Believing in a creator or not is a freedom of choice duly given even before one enters into creation So before accepting or not grab a copy and read for yourself then feel free to disagree or not We will still be cardual friends author and reader believer or none believer the creator loves us all equally the same Just or unjust the rain falls for all so as the sun moon and stars shines for all we all live and die so as the beast weather we have a few letters to our names or a bank full of money our wealth or possessions does not make us exist any longer than our time here on planet earth So believing in a supreme God or not it does not matter as the world keeps on turning and things roll over My greatest desires are for humanity to live in peace and love So read and voice your opinion privately or not to the question on the title of the book Is Jehovah the only Supreme God Everyone has the responsibility in believing in a creator just as they do and also

A New New Testament Hal Taussig, 2013-03-05 Important both historically and theologically Readers will not be able to see the New Testament in the same way again Marcus Borg author of The Heart of Christianity A New New Testament does what some of us never dreamed possible it opens the treasure chest of early Christian writings restoring a carefully select few of them to their rightful place in the broad conversation about who Jesus was what he did and taught and what all of that has to do with us now Barbara Brown Taylor author of Leaving Church and An Altar in the World There are twenty seven books in the traditional New Testament but the earliest Christian communities were far more vibrant than that small number might lead you to think In fact many more scriptures were written and just as important as the New Testament in shaping early Christian communities and beliefs Over the past century many of those texts that were lost have been found and translated yet are still not known to much of the public they are discussed mainly by scholars or within a context of the now outdated notion of gnostic gospels In A New New Testament Hal Taussig is changing that With the help of nineteen important spiritual leaders he has added ten of the recently discovered texts to the traditional New Testament leading many churches and spiritual seekers to use this new New Testament for their spiritual and intellectual growth Remarkable Not meant to replace the traditional New Testament this fascinating work will be Taussig hopes the first of several new New Testaments Booklist
