The Manual For Light Artillery 1863

Jacques N. Jacobsen

The Manual For Light Artillery 1863:

The Manual for Light Artillery, 1863 Jacques N. Jacobsen, 1989-01-01 *Manual for Light Artillery, 1863* Jacques Noel Jacobsen, 1968 **Legislative and State Manual of Indiana**, 1899 Elementary Manual of Practice United States. Auditor for War Department, 1900 **Confederate Artilleryman 1861-65** Philip Katcher, 2013-10-20 An illustrated exploration of what it was like to be a Confederate Artilleryman in the American Civil War In the heady days of the rush to arms in 1861 comparatively few Southern men volunteered for service in the artillery most preferred the easily accessible glory of the infantry or cavalry Yet those that did quickly earned the respect of their fellow soldiers and a reputation for being able to pull through deeper mud ford deeper springs shoot faster swear louder than any other class of men in the service Given that field artillery was invariably deployed in front of the troops that it was supporting the artillerymen were exposed to a high level of enemy fire and losses were significant This title guides the reader through the life and experiences of the Confederate cannoneer where he came from how he trained and lived how he dressed ate and was equipped and how he fought *Guide to Missouri Confederate Units, 1861-1865* James E. McGhee, 2011-07 Tracing the origins and history of Missouri Confederate units that served during the Civil War is nearly as difficult as comprehending the diverse politics that produced them Deeply torn by the issues that caused the conflict some Missourians chose sides enthusiastically others reluctantly while a number had to choose out of sheer necessity for fence straddling held no sway in the state after the fighting began The several thousand that sided with the Confederacy formed a variety of military organizations some earning reputations for hard fighting exceeded by few other states North or South Unfortunately the records of Missouri s Confederate units have not been adequately preserved officially or otherwise until now James E McGhee is a highly respected and widely published authority on the Civil War in Missouri the scope of this book is startling the depth of detail gratifying its reliability undeniable and the unit narratives highly readable McGhee presents accounts of the sixty nine artillery cavalry and infantry units in the state as well as their precedent units and those that failed to complete their organization Relying heavily on primary sources such as rosters official reports order books letters diaries and memoirs he weaves diverse materials into concise narratives of each of Missouri s Confederate organizations He lists the field grade officers for battalions and regiments companies and company commanders and places of origin for each company when known In addition to listing all the commanding officers in each unit he includes a bibliography germane to the unit while a supplemental bibliography provides the other sources used in preparing this unique and comprehensive resource **Civil War High Commands** John Eicher, David Eicher, 2002-06-01 Based on nearly five decades of research this magisterial work is a biographical register and analysis of the people who most directly influenced the course of the Civil War its high commanders Numbering 3 396 they include the presidents and their cabinet members state governors general officers of the Union and Confederate armies regular provisional volunteers and militia and admirals and commodores of the two navies Civil War High Commands will

become a cornerstone reference work on these personalities and the meaning of their commands and on the Civil War itself. Errors of fact and interpretation concerning the high commanders are legion in the Civil War literature in reference works as well as in narrative accounts. The present work brings together for the first time in one volume the most reliable facts available drawn from more than 1 000 sources and including the most recent research. The biographical entries include complete names birthplaces important relatives education vocations publications military grades wartime assignments wounds captures exchanges paroles honors and place of death and interment. In addition to its main component the biographies the volume also includes a number of essays tables and synopses designed to clarify previously obscure matters such as the definition of grades and ranks the difference between commissions in regular provisional volunteer and militia services the chronology of military laws and executive decisions before during and after the war and the geographical breakdown of command structures. The book is illustrated with 84 new diagrams of all the insignias used throughout the war and with 129 portraits of the most important high commanders.

Fort Bowie, Arizona Douglas C. McChristian, 2012-10-19

Fort Bowie in present day Arizona was established in 1862 at the site of the famous Battle of Apache Pass where U S troops clashed with Apache chief Cochise and his warriors. The fort's dual purpose was to guard the invaluable water supply at Apache Spring and to control Indians in the developing southwestern region. Douglas C McChristian's *Fort Bowie Arizona* spans nearly four decades to provide a fascinating account of the many complex events surrounding the small combat post. In a sweeping narrative McChristian presents Fort Bowie in fresh contexts of national expansion and regional development weaving in threads of early exploration transcontinental railroad surveys the overland mail mining ranching and the conflict with the Apaches.

The History of Battery E, First Regiment Rhode Island Light Artillery, in the War of 1861 and 1865, to Preserve the Union George Lewis, 1892

The War of the Rebellion United States. War Department, 1886

Official records produced by the armies of the United States and the Confederacy and the executive branches of their respective governments concerning the military operations of the Civil War and prisoners of war or prisoners of state. Also annual reports of military departments calls for troops correspondence between national and state governments correspondence between Union and Confederate officials. The final volume includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published. Accompanied by an atlas.

The War of the rebellion: a compilation of the official records of the Union and Confederate armies, prepared by R.N. Scott [and others]. 4 ser. 69 vols. [in 127 pt. 'Additions and corrections', dated 1902, have been inserted in the vols. With] Ser.1. Index to battles, campaigns, etc United States dept. of war, 1902

Guardian of Savannah Roger S. Durham, 2008

Durham's harrowing account of life and combat at Fort McAllister and of the subsequent restoration is augmented by twelve maps and sixty photographs including rare images of Sherman's troops at the end of the March to the Sea and of early preservation initiatives.

Mr. Lincoln's Forts Benjamin Franklin Cooling, III, Walton H. Owen,

II,2009-10-06 During the American Civil War Washington D C was the most heavily fortified city in North America To protect Washington with all it contained and symbolized the Army constructed a shield of fortifications 68 enclosed earthen forts 93 supplemental batteries miles of military roads and support structures for commissary quartermaster engineer and civilian labor force some of which still exist today Revised in style format and content the new edition of Mr Lincoln s Forts is the premier historical reference and tour guide to the Civil War defenses of Washington D C **Catalogue of the Library of the Royal United Service Institution** Royal United Service Institution (Great Britain). Library,1908 Guide to Louisiana Confederate Military Units, 1861-1865 Arthur W. Bergeron, Jr.,1996-10-01 Bergeron has produced a book essential to the serious Confederate scholar Journal of American History In Guide to Louisiana Confederate Military Units Arthur W Bergeron Jr examines the 111 artillery cavalry and infantry units that Louisiana furnished to the Confederate armies No other reference has the complete and accurate record of Louisiana s contribution to the war For each unit Bergeron provides a brief account of its war activities including battles losses and dates of important events He also lists the units field officers the companies in each regiment or battalion and the names of company commanders This book should serve as a model for studies of other states in the Civil War Military History of the Southwest **The History of Battery B, First Regiment Rhode Island Light Artillery, in the War to Preserve the Union, 1861-1865** John H. Rhodes,1894 **Arms and Armour** Arms and Armour Society,1992 Army & Navy Official Gazette ,1864 House documents ,1892 **The War of the Rebellion: v. 1-53 [serial no. 1-111] Formal reports, both Union and Confederate, of the first seizures of United States property in the southern states, and of all military operations in the field, with the correspondence, order and returns relating specially thereto. 1880-1898. 111 v** United States. War Department,1888 Official records produced by the armies of the United States and the Confederacy and the executive branches of their respective governments concerning the military operations of the Civil War and prisoners of war or prisoners of state Also annual reports of military departments calls for troops correspondence between national and state governments correspondence between Union and Confederate officials The final volume includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published Accompanied by an atlas
