The Many Faces Of Menopause With Humor:

The Many Faces of Menopause with Humor Gladys Gobely, 2003-07-01 *The Many Faces of Biblical Humor* David A. Peters, 2007-11-06 The Many Faces of Biblical Humor examines how the Bible writers intentionally used humor irony and sarcasm to argue their points concisely This work begins with the dysfunctional families of Genesis continues delightfully through every book of the Bible and ends with a glorious fulfillment in Revelation Along the way the reader is presented humorous stories pathetically funny characters and poignant quips and quotes from prophets poets and principals The author paraphrases each biblical text in an engaging prose that highlights the humor of that passage humor that may not have been previously noted by the reader Between the paraphrases the author sets the historical and linguistic setting allowing the reader to see how the humor and puns of the text enrich the biblical understanding of God's message Also included are applications of these marvelous passages to our daily lives as we see our own foibles portrayed in the biblical characters In many ways this is a Bible commentary with an accent on the humorous In another sense it is simply a delightful book that makes the Bible come alive through the latent humor of its characters and their stories This revised edition contains corrections of typographical errors in the first edition as well as some clarifying material to make the humor more enjoyable For more information visit the author's website The Menopause Industry Sandra Coney, 1993 This work challenges the stereotypes of women at mid life and questions the pressures which the new preventative medicine is creating It examines the benefits and risks of interventions such as hormone replacement therapy mammography and cervical screening

Humor, 2000 *The Female Body Bible* Emma Ross, Baz Moffat, Bella Smith, 2023-05-11 UNDERSTAND YOUR BODY TO EMPOWER YOURSELF FOR LIFE This book will help you create healthy habits that consider all aspects of female health at every life stage including how to harness your hormones to improve your cycle symptoms work productivity and exercise habits fuel your body to have the energy you need to smash your goals exceed your personal best for fun fitness or competition exercise safely and build strength to benefit your long term health equip you with the knowledge to manage injuries that women are more prone to than men change the language used to talk to adolescent girls about their bodies and give them the confidence to advocate for themselves confidently communicate with your health and fitness practitioners friends partners or colleagues about health issues you may be facing Merging the latest science with the combined experience of its three expert authors NHS doctor Bella Smith sports research scientist Dr Emma Ross and athletic coach Baz Moffat The Female Body Bible busts the myths and taboos that persist around women's bodies This isn't just a book it's a movement a call to action Every woman deserves to know more about her body and everyone regardless of their sex needs to know more about women's bodies to remove the vestiges of secrecy and shame once and for all This is the playbook of all the elements that go into getting the most out of your body and a selection of strategies that you can try to find out what works for you and your incredible body Instead of prioritising how a body looks we need to focus on how it feels and functions When
