Slaves Of The White Myth The Psychology Of Neocolonialism:

Slaves of the White Myth Thomas Gladwin, Ahmad Saidin, 1980 No specifically Aboriginal material

White Myth Thomas Gladwin, 1980 *Subject to Others (Routledge Revivals)* Moira Ferguson, 2014-08-01 First published in 1992 *Subject to Others* considers the intersection between late seventeenth to early nineteenth century British female writers and the colonial debate surrounding slavery and abolition Beginning with an overview that sets the discussion in context Moira Ferguson then chronicles writings by Anglo Saxon women and one African Caribbean ex slave woman from between 1670 and 1834 on the abolition of the slave trade and the emancipation of slaves Through studying the writings of around thirty women in total Ferguson concludes that white British women as a result of their class position religious affiliation and evolving conceptions of sexual difference constructed a colonial discourse about Africans in general and slaves in particular Crucially the feminist propensity to align with anti slavery activism helped to secure the political self liberation of white British women A fascinating and detailed text this volume will be of particular interest to undergraduate students researching colonial British female writers early feminist discourse and the anti slavery debate

The New Plantation B. Hawkins, 2010-02-15 *The New Plantation* examines the controversial relationship between predominantly White NCAA Division I Institutions PWI s and black athletes utilizing an internal colonial model It provides a much needed in depth analysis to fully comprehend the magnitude of the forces at work that impact black athletes experiences at PWI s Hawkins provides a conceptual framework for understanding the structural arrangements of PWI s and how they present challenges to Black athletes academic success yet challenges some have overcome and gone on to successful careers while many have succumbed to these prevailing structural arrangements and have not benefited accordingly The work is a call for academic reform collective accountability from the communities that bear the burden of nurturing this athletic talent and the institutions that benefit from it and collective consciousness to the Black male athletes that make up the largest percentage of athletes who generate the most revenue for the NCAA and its member institutions Its hope is to promote a balanced exchange in the athletic services rendered and the educational services received

[Unthinking Eurocentrism](#) Ella Shohat, Robert Stam, 2013-09-27 This excellent book corrects eurocentric criticism from media studies in the past by examining Hollywood movie genres such as the western and the musical from a multicultural perspective

Colonialism Melvin E. Page, 2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern

nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism's bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered **Ariadne's Thread** Mary E. Clark,1989-07-24 This book is a powerful interdisciplinary introduction to environmental studies **Racism in the United States** Meyer Weinberg,1990-05-21 This volume represents the most comprehensive book length bibliography on the subject of racism available in the United States Compiler Meyer Weinberg has surveyed a wide ranging group of material and classified it under 87 subject headings drawing on articles books congressional hearings and reports theses and dissertations research reports and investigative journalism Historical references cover the long history of racism while the heightened awareness and activity of the recent past is also addressed in detail In addition to works that fit the narrow definition of racism as a mode of oppression or group denial of rights based on color Weinberg includes references dealing with sexism antisemitism economic exploitation and similar forms of dehumanization References are grouped under a series of subject headings that include Civil Rights Desegregation Housing Socialism and Racism Unemployment and Violence against Minorities Items which do not have self explanatory titles are annotated and virtually every section is thoroughly cross referenced Also included is one section of carefully selected references on racism in countries other than the United States Unlike the remainder of the book this section is not comprehensive but rather provides an opportunity to view racism comparatively The volume concludes with an author index This work will be a significant addition to both academic and public libraries as well as an important resource for courses in racism sociology and black history **Caring and Compassion in Clinical Practice** Seymour B. Sarason,1977-07-07 Sarason shows that treatment derives not from intent but from the ways helping professionals are chosen schooled and supervised **Encyclopedia of U.S. campaigns, elections, and electoral behavior** Kenneth F. Warren,2008-04-04 These approximately 450 articles explore all topics relevant to American political campaigns elections and electoral behaviour including some cross cultural comparisons to help place American trends in a global context **Psychology Misdirected** Seymour Bernard Sarason,1981 **National Union Catalog** , Includes entries for maps and atlases **Subject Catalog** Library of Congress, **The Education of Poor and Minority Children** ,1986-09-23 With this first supplement to his world bibliography which was published in 1981 Weinberg continues his efforts to retrieve and provide access to the many invaluable contributions on the subject of educating the world's poor and minority children that are frequently overlooked in the prevailing emphasis on mainstream educational and institutional concerns Covering the literature that appeared between 1979 and 1985 in some 20 000 entries this volume offers a detailed introduction to schooling as it is affected by the social economic and political forces around it **Oceania** Alfred Reginald Radcliffe-Brown,Raymond Firth,Adolphus Peter Elkin,1982 **Ecological Psychology** Deborah Du Nann

Winter,2003 As an introduction to psychology applied to environmental problems this book is written for the introductory psychology student the environmental studies student and for the layperson who may wonder if psychology has anything useful to say about mounting ecological difficulties The opening chapter outlines the main features of environmental problems and argues that because they have been caused by human behaviours beliefs decisions and values psychology is crucial for finding solutions to them Chapter two discusses some historical contributions in Western intellectual thought to contemporary views about nature Chapters three to seven each examine a particular field or theory in psychology and apply it to a selected environmental problem Chapter eight summarizes and compares these five psychological approaches and analyses where psychology has been and where the author believes it should go in order to make stronger and more potent contributions to solving environmental problems Racial Otherness in Shakespeare's "The Tempest" Patricia Khan,1991

Studies in Third World Societies ,1991 **Enemies and Passing Friends** P. M. Clayton,1996 This book examines the new framework of ideas since 1989 which will inform our understanding on how development in the old Third World should be understood Colonialism: N-Z Melvin Eugene Page,Penny M. Sonnenburg,2003 A comprehensive reference on colonialism focuses on the politics economy culture and society of both colonizers and colonized and features nearly 600 entries from an international team of academic experts along with extensive chronologies of 15 modern empires
