EDGAR CAYCE THE SLEEPING PROPHET PB. Jess Stearn, 1967 *THE STORY OF THE PROPHET EDGAR CAYCE*

Atlantis Edgar Cayce, 2010-03

Edgar Cayce has been called the Sleeping Prophet the father of Holistic medicine and the most documented psychic of all time During Cayces lifetime he gave more than 14 000 psychic readings on an amazing 10 000 different topics Some of the most fascinating readings were given on Atlantis According to the readings not only did Atlantis exist but the breadth of technology at that time surpassed our own In fact it was that civilizations unique use of a type of crystal energy that eventually led to the downfall of Atlantis over a period of several thousand years as it broke apart and into the ocean After a number of individuals who were given life readings by Cayce were told that they had been incarnated during a time in Atlantis a group of people working with Cayce decided to get a series of readings devoted solely to understanding Atlantis These readings were not given for individuals but for this group seeking information on this ancient and legendary land

Edgar Cayce: The "Sleeping" Medium & Spiritual Discernment John Weldon, 2013-02-09

Edgar Cayce 1877 1945 was one of the most famous trance mediums in the world and the best known psychic in America s history Not commonly placed under those occult classifications he is commonly referred to in a more soothing category as the sleeping prophet Through entering a self induced hypnotic trance he produced over 14300 health and spiritual Readings one of the largest psychic libraries in history allegedly from his unconscious mind and or the supposed akashic records Uniquely he may be considered the spiritual father of both the modern New Age movement and contemporary holistic medicine His influence has extended to millions of people This book takes a critical look at the life readings and health spiritual impact of Edgar Cayce It illustrates the timely warning of the old adage that the road to hell may be paved with perfectly good

intentions and how benevolent concepts such as improved health and spirituality may indeed become the devil's playground. Ironically this is the very thing Cayce himself had worried about in reference to the Readings. **Soul & Spirit** Edgar Cayce, 2006-09. The renowned Edgar Cayce gave the most thorough and insightful discourses on the true nature of our being and how to become aware of these nonphysical but most influential portions. Cayce presents a clear and profound distinction between our soul and spirit. Spirit is the Life Force within us and it can keep us healthy and bright. Soul is our developing True Self here is where our heart's deepest hopes and fears lie. Filled with stories, insights and guidance, this is a must read if you wish to fully understand yourself and your life. **The Sleeping Prophet** Edgar Cayce, 1967. *Handbook of the Theosophical Current*, 2013-01-08. Few religious currents have been as influential as the Theosophical. Yet few currents have been so under researched and the Brill Handbook of the Theosophical Current thus represents pioneering research. A first section surveys the main people and events involved in the Theosophical Society from its inception to today and outlines the Theosophical worldview. A second substantial section covers most significant religions to emerge in the wake of the Theosophical Society: Anthroposophy, the Point Loma community, the I AM religious activity, the Summit Lighthouse Movement, the New Age, theosophical UFO religions and numerous others. Finally, the interaction of the Theosophical current with contemporary culture including gender relations, art, popular fiction, historiography and science are discussed at length.

The Complete Idiot's Guide to 2012 Synthia Andrews, Colin Andrews, 2008. In the year 2012 there will be a presidential election in Finland on January 15, the opening ceremony of the Summer Olympic Games will begin in London at 7:30 p.m. UTC on July 27, there will be 7 billion people living on Earth on October 19 according to the U.S. Census Bureau and on December 21 the Mesoamerican Long Count calendar, referred to more familiarly as the Mayan calendar, will complete its thirteenth cycle. And based on all of these events according to the Mayan belief system, the world will come to an end. If you don't believe the Mayans, you can check in with The Bible Code which predicts a meteor, asteroid or comet will collide with the Earth. The Nostradamus Code which opts for a possible nuclear war or some other natural or man-made destruction or The Orion Prophecy which claims there will be a reversal of the Earth's magnetic field. Pick your poison, no matter what happens, we're all toast. Or maybe not, maybe the year 2012 is just a new opportunity, the dawning of a new age where we'll all get a shot at a second chance and can opt to get things right this time. Could 2012 bring us good things instead of bad? The Complete Idiot's Guide to 2012 gives readers a look at what the Mayan prophecy is all about, what it means to them and much more. The Cosmic Calendar revealed and how the ancient Egyptians, the Bible, the Koran, Nostradamus, Edgar Cayce and other sources all refer to an end time in 2012. Global warming and climate change and how the Mayans predicted them. Your own personal journal and the tools you'll need to survive into the 6th Age After 2012, the end of the world or a Golden Age to come. Kirkpatrick,Nancy Kirkpatrick,2015-06-01 There is perhaps no modern psychic more fascinating than Edgar Cayce and no better authors to explore the intricate details and eye opening stories of the people who received his readings than Sidney and Nancy Kirkpatrick The Kirkpatricks with decades of experience and research take us on a journey into the archives and history of these psychic passages finding the most interesting case studies and exploring the most astounding results of the Cayce work in so many people s lives Their findings are presented in a way that reads like a whodunit that you can t put down *KEEP SLEEPING KEEP MISSING* MANISH JAITLEY,2021-01-07 All over the world a spiritual awakening is taking place and those who are growing in awareness realise how connected we are to each other Mother Nature and the Universe Too long has humankind looked up to orthodox religions for happiness guidance and support However religions have failed miserably in creating a harmonious world They have hidden crucial knowledge that could hasten humanity s evolution and create a much more beautiful world Although organised religions have effectively given individuals a cultural and political identity they have prevented humankind from understanding consciousness This is the reason most people do not understand the difference between religion and spirituality They think that by performing outer rituals they will enter heaven or attain salvation Well nothing could be further from the truth There are forces on Earth that want to control humanity by keeping it in spiritual darkness orthodox religions are a powerful tool in the hands of these dark forces The average person is like a frog that lives inside a well and knows nothing of the world outside it This book will introduce you to some unknown facets of your being It explains how your non physical bodies steer your life how a critical mass of people can bring many positive changes on our planet how anger and violence bring only temporary solutions to conflicts and evil continues to manifest in different forms and more You will learn about the high frequency light above your physical body Your human eyes cannot detect this electronic radiation This light is awaiting your call and only by invoking it will you know your true identity as a son or daughter of God By summoning this light you can bring beneficial changes in your life and contribute to speeding up humankind s evolution This book seeks to inspire those people who live the everyday mundane life and are oblivious to the higher realities universal truths and benevolent forces all around us If our planet is to make a significant shift to higher consciousness more and more people need to awaken spiritually For this they must free themselves from the indoctrination and programming by religions Irrespective of whether you have the urge to grow spiritually this book will give you much food for thought *Virginia Legends & Lore* Charles A.
