*Sweethearts* Bobbie Malone, Bill C. Malone, 2020-03-26 The story of Felice and Boudleaux Bryant is the story of towering artistic achievement wrapped in a love story so deep and so complete that the two are their own country song. Bobbie and Bill Malone are precisely the right match to tell this tale of love and genius. Ken Burns Director Country Music. You might not know the names of Boudleaux and Felice Bryant but you know their music. Arriving in Nashville in 1950 the songwriting duo became the first full time independent songwriters in that musical city. In the course of their long careers they created classic hits that pushed the boundaries of country music into the realms of pop and rock. Songs like *Bye Bye Love*, *All I Have to Do Is Dream*, *Love Hurts* and *Rocky Top* inspired young musicians everywhere. Here for the first time is a complete biography of Nashville's power songwriting couple. In *Nashville's Songwriting Sweethearts* authors Bobbie Malone and Bill C. Malone recount how Boudleaux and Felice married in 1945, began their partnership as itinerant musicians living in a trailer home and writing their first songs together. In Nashville the couple had to deal with racism, classism and in Felice's case sexism. Yet through hard work and business acumen and a dose of good luck they overcame these obstacles and rose to national prominence. By the late 1990s the Bryants had written as many as 6,000 songs and had sold more than 350 million copies worldwide. They were inducted into the Nashville Songwriters Hall of Fame in 1972 and in 1991 they became members of the Country Music Hall of Fame, a rare occurrence for songwriters who were not also performers. In 1982 their composition *Rocky Top* was adopted as one of the official state songs of Tennessee. The Bryants were lucky enough to arrive in the right place at the right time. Their emergence in the early fifties coincided with the rise of Nashville as Music City USA. And their prolific collaboration with the Everly Brothers beginning in 1957 sparked a fusion between country and pop music that endures to this day.

My name is William O. Thompson Jr. I was born the sixth child of eleven. I have three wonderful brothers and seven beautiful sisters. I was born in Harrisburg, Pennsylvania on March 3, 1967. I moved to Columbia, South Carolina in 2003 and I've been here ever since. I am the proud father of eight children. I have five beautiful daughters and three very handsome sons. I have two failed marriages and I have seen a lot of pain in my years so through all my pain I gave birth to this book. It is dedicated to the woman I have been looking for all my life. I am in love with you but I don't know who you are but I do know we share the same heart. If you happen to find me through this book then you will find us and some of the poems are for all those who are going through a rough time in their life and relationships, those who really want to be loved and give their love to that special someone. But people like us must beware that we are light and those who lurk in the shadows of darkness seek to destroy our hearts and everything that's good. I have been in two bad relationships and have seen the darkest side of life. That was so devastating to me but I never let it destroy the man I am. Instead I just put words to my pain and yours and all the things I see in this world. So I am a voice expressing for you and me.

My heart is still full of love and I am waiting patiently for the one I can give my all to So I hope this book of love letters to you finds you and you find us
