Soft City A Documentary Exploration Of Metropolitan Life:

Resilience & the City Peter Rogers, 2016-04-08 Following the turbulent events of the first few years of the 21st century the growth of new security and disaster measures have led to significant changes to urban design and the management of urban space This book blends the genealogical method of Foucault with the theory of rhythms by Lefebvre to examine these changes The spatial history of urban disaster is linked to the rhythms of everyday urban experience to offer a revised understanding of the regulation of order and disorder in the city In doing so the book highlights issues of hardening space the drift from civil defence to civil protection to civil contingencies and resilience this assessment realigns the potential impact of tightening security practices and resilient ways of thinking doing and acting on societal security This also links to growing concerns about quality of life over the use and potential abuse of security and disaster legislation for managing social unrest Examples studied include the increased exclusion of minorities such as young people from democracy and public life security oriented interventions in the ethnic minority communities the use of automated technologies in policing civil and minor offences e g digital plate recognition and speeding and the interplay of diverse social groups in more commercially aligned and increasingly securitised public spaces of the entrepreneurial city This book highlights many significant problems with the direction of British democracy and suggests there may be both positive and negative results from becoming more resilient While providing a critical appraisal of the realignment of neoliberal democracy at large it also links discussion on gentrification revanchism and urban security to a forward looking agenda for further research *The Immersive Worlds Handbook* Scott A. Lukas, 2013 Industry insider Scott Lukas teaches you how to design exciting believable authentic themed spaces Make your immersive worlds come alive with the gems in this book including key industry interviews and case studies **Panic City** Martin J. Murray, 2020-03-10 Despite the end of white minority rule and the transition to parliamentary democracy Johannesburg remains haunted by its tortured history of racial segregation and burdened by enduring inequalities in income opportunities for stable work and access to decent housing Under these circumstances Johannesburg has become one of the most dangerous cities in the world where the yawning gap between the haves and have nots has fueled a turn toward redistribution through crime While wealthy residents have retreated into heavily fortified gated communities and upscale security estates the less affluent have sought refuge in retrofitting their private homes into safe houses closing off public streets and hiring the services of private security companies to protect their suburban neighborhoods Panic City is an exploration of urban fear and its impact on the city's evolving siege architecture the transformation of policing and obsession with security that has fueled unprecedented private consumption of protection services Martin Murray analyzes the symbiotic relationship between public law enforcement agencies private security companies and neighborhood associations wherein buyers and sellers of security have reinvented ways of maintaining outdated segregation practices that define the urban poor as suspects City-making, Space and Spirituality Stéphan de

Beer,2023-09-29 This book is about the soul of the city embodied in its spaces and people It traces dynamics in inner city neighbourhoods of South Africa s post apartheid capital Pretoria Viewing the city through its most vulnerable people and places it recognizes that urban space is never neutral and shaped by competing value frameworks The first part of the book invites planners city makers and ordinary urban citizens to consider a new self understanding reclaiming their agency in the city making process Through the metaphor of becoming like children planning practice is deconstructed and re imagined A praxis based methodology is presented cultivating four distinct moments of entering reading imagining and co constructing the city After deconstructing urban spaces and discourses the second part of the book explores a concrete spirituality and ethic of urban space It argues for a shift from planning as technocracy to planning as immersed participatory artistry opening up to the genius of space responsive to urban cries and joining to construct new soul full spaces Local communities and interconnected movements become embodiments of urban alternatives through resistance and reconstruction building on local assets animating local reclamations and weaving nets of hope that will span the entire city Providing a concrete methodology for city making that is rooted in a community based urban praxis this book will be of interest to urban planning researchers professional planners and designers and also grass root community developers or activists *Concrete Reveries*

Mark Kingwell,2008-08-14 In *Concrete Reveries* acclaimed philosopher and cultural critic Mark Kingwell offers a thoughtful answer to Socrates injunction about the life worth living using the urban experience to illustrate the dynamic between concreteness and abstraction that operates within us Witty and authoritative the book is an exhilarating journey through unexpected terrain *Murder City* Michael Arntfield,2015-06-09 Like the mythic cities of Gotham or Gomorrah London Ontario was for many years an unrivalled breeding ground of depravity and villainy the difference being that its monsters were all too real In its coming to inherit the unwanted distinction of being the serial killer capital of not just Canada but apparently also the world during this dark age in the city s sordid history the crimes seen in London over this quarter century period remain unparalleled and for the most part unsolved From the earliest documented case of homicidal copycatting in Canada to the fact that at any given time up to six serial killers were operating at once in the deceptively serene Forest City London was once a place that on the surface presented a veneer of normality when beneath that surface dark things would whisper and stir Through it all a lone detective would go on to spend the rest of his life fighting against impossible odds to protect the city against a tidal wave of violence that few ever saw coming and which to this day even fewer choose to remember With his death in 2011 he took these demons to his grave with him but with a twist a time capsule hidden in his basement and which he intended to one day be opened Contained inside a secret cache of his diaries reports photographs and hunches that might allow a new generation of sleuths to pick up where he left off carry on his fight and ultimately bring the killers to justice killers that in many cases are still out there *Murder City* is an explosive book over fifty years in the making and is the history of London Ontario as never told before Stranger than fiction tragic ironic horrifying yet also

inspiring this is the true story of one city under siege and a book that marks a game changer for the true crime genre

The Roman Street Jeremy Hartnett, 2017-05-09 Every day Roman urbanites took to the street for myriad tasks from hawking vegetables and worshipping local deities to simply loitering and socializing Hartnett takes readers into this thicket of activity as he repopulates Roman streets with their full range of sensations participants and events that stretched far beyond simple movement As everyone from slave to senator met in this communal space city dwellers found unparalleled opportunities for self aggrandizing display and the negotiation of social and political tensions Hartnett charts how Romans preened and paraded in the street and how they exploited the street s collective space to lob insults and respond to personal rebukes Combining textual evidence comparative historical material and contemporary urban theory with architectural and art historical analysis The Roman Street offers a social and cultural history of urban spaces that restores them to their rightful place as primary venues for social performance in the ancient world

Singapore's Permanent Territorial Revolution Rodolphe De Koninck, 2017-05-19 Ever since Singapore became an independent nation in 1965 its government has been intent on transforming the island s environment This has led to a nearly constant overhaul of the landscape whether still natural or already manmade Not only are the shape and dimensions of the main island and its subsidiary ones constantly modified so are their relief and hydrology No stone is left unturned literally and one could add nor is a single cultural feature be it a house a factory a road or a cemetery Given one of Singapore s unique feature namely that the state is the sole landlord all types of property in all parts of the island rural as well as urban were and remain subject to expropriation fortunately always with due compensation This atlas illustrates essentially through diachronic mapping of the changing distribution of all forms of land use the universality of what has become a tool of social management By constantly replanning the rules of access to space the Singaporean State is thus redefining territoriality even in its minute details This is one reason it has been able to consolidate its control over civil society peacefully and to an extent rarely known in history

Books in Print Supplement , 2002 **Fantasy of Modernity** Aarti Wani, 2016-02-25 Romantic love overwhelms 1950s Bombay cinema Love and romance is evident in the themes lyrics and visual aesthetics of films of the period as it is in the publicity and gossip surrounding films and film stars Love in cinema becomes significant when social reality constrains its quotidian experience and expression By bringing a spectacular imagination of love to centre stage the 1950s cinema deflected anxieties of Indianness even as the new aesthetic and affect of romance offered an alternative engagement with the contradictions of modernity **Fantasy of Modernity Romantic Love in Bombay Cinema of the 1950s** explores the films the songs the stars and the extra cinematic discourse of the period to read love and romance as its most productive trope that mobilized a dynamic and contested public sphere

Fodor's Exploring New York City, 5th Edition Mick Sinclair, 2002 Alentejo Blue is the story of the Portuguese village of Mamarrosa told through the lives of those who live there and those who are passing through men and women children and old people locals tourists and expatriates For some such as Teresa a beautiful dreamy

village girl it is a place from which to escape for others the dysfunctional Potts family it is a way of running from trouble but not eluding it Vasco a cafe owner who has never recovered from the death of his American wife clings to a notion that his years in the USA make him superior to the other villagers One English tourist makes Mamarrosa the subject of her fantasy of a new life while for her compatriots a young engaged couple Mamarrosa is where their dreams finally fall apart At the book s opening an old man reflects on his long and troubled life in this beautiful and seemingly tranquil setting and anticipates the return of Marco Afonso Rodrigues the prodigal son of the village and a symbol of this now fast changing world The homecoming is the subject of continuing speculation and when Marco Afonso Rodrigues does finally appear villagers tourists and expatriates are brought together and their jealousies passions and disappointments must inevitably collide BOOK

JACKET **New York Magazine** ,1990-07-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Body, Sound and Space in Music and Beyond: Multimodal Explorations* Clemens Wöllner,2017-04-07

Body and space refer to vital and interrelated dimensions in the experience of sounds and music Sounds have an overwhelming impact on feelings of bodily presence and inform us about the space we experience Even in situations where visual information is artificial or blurred such as in virtual environments or certain genres of film and computer games sounds may shape our perceptions and lead to surprising new experiences This book discusses recent developments in a range of interdisciplinary fields taking into account the rapidly changing ways of experiencing sounds and music the consequences for how we engage with sonic events in daily life and the technological advancements that offer insights into state of the art methods and future perspectives Topics range from the pleasures of being locked into the beat of the music perception action coupling and bodily resonance and affordances of musical instruments to neural processing and cross modal experiences of space and pitch Applications of these findings are discussed for movement sonification room acoustics networked performance and for the spatial coordination of movements in dance computer gaming and interactive artistic installations **Black Enterprise** ,1983-07 BLACK ENTERPRISE is the ultimate source for wealth creation for African

American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **New York Magazine** ,1995-03-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Corporate Directory of US**

Soft City A Documentary Exploration Of Metropolitan Life Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soft City A Documentary Exploration Of Metropolitan Life has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soft City A Documentary Exploration Of Metropolitan Life has opened up a world of possibilities. Downloading Soft City A Documentary Exploration Of Metropolitan Life provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soft City A Documentary Exploration Of Metropolitan Life has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soft City A Documentary Exploration Of Metropolitan Life. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soft City A Documentary Exploration Of Metropolitan Life. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soft City A Documentary Exploration Of Metropolitan Life, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soft City A Documentary Exploration Of Metropolitan Life has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF

downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soft City A Documentary Exploration Of Metropolitan Life Books

1. Where can I buy Soft City A Documentary Exploration Of Metropolitan Life books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
