Delmont,2012-02-22 American Bandstand one of the most popular television shows ever broadcast from Philadelphia in the late fifties a time when that city

had become a battleground for civil rights. Counters to host Dick Clark's claims that he integrated American Bandstand, this book reveals how the first national television program directed at teens discriminated against black youth during its early years and how black teens and civil rights advocates protested this discrimination. Matthew F. Delmont brings together major themes in American history: civil rights, rock and roll, television, and the emergence of a youth culture, as he tells how white families around American Bandstand's studio mobilized to maintain all-white neighborhoods and how local school officials reinforced segregation long after *Brown vs. Board of Education*. *The Nicest Kids in Town* powerfully illustrates how national issues and history have their roots in local situations and how nostalgic representations of the past, like the musical film *Hairspray* based on the American Bandstand era, can work as impediments to progress in the present.

Toxic: Logan's Story K.A. Robinson, True love is forever. After years of chasing his best friend Chloe, Logan finally managed to win her heart, or so he thought. His world crashes down around him when she confesses to cheating on him with a local rock star, Drake. Unable to let her go completely from his life, Logan reassumes his role of best friend while he watches Chloe find her happily ever after with another man. Each day he sinks further and further into his depression, and the kind, caring Logan he once was dies. When Jade, a member of Drake's band, inserts herself into his life, Logan never expects to fall for her. He's too broken, too damaged. Jade ran away from home when she was seventeen, desperate to escape her abusive stepfather and her controlling boyfriend, Mikey. The only regret she has is that she left behind her little sister, Bethaney. When Jade's band, *Breaking the Hunger*, hits it big, she vows to go back to her hometown not only to reconnect with her little sister but also to show her stepfather that she's not worthless like he said. The moment Jade saw Logan, she knew she wanted him. Unfortunately, he was with Chloe at the time. After his world falls apart, Jade steps in to comfort him, determined to bring back the Logan she once knew. Sometimes you find true love with the person you never least expect. Can Logan and Jade heal each other? Or will they forever be changed by their toxic pasts? Book four of the *Torn Series*, but this title can be read as a standalone.

Shifting Moon Hope Worthington, 2023-08-31 Seventeen year old Remy West is a typical high school senior She is bright popular with her friends and schoolmates a leader on her cheerleader squad and looking forward to the next chapter of her life when she graduates and attends college Like most teenaged girls living in an affluent area of Long Island and part of what many consider the popular group Remy has her insecurities One of the prettier girls in school Remy has never had nor wanted a serious relationship or any relationship at all She feels much more at ease in a small quiet group of people or just hunkering down at home with a good book rather than hanging in a big crowd or partying with whom many consider to be her popular group of friends Remy has always felt that a piece of her was incomplete and her quest for something deeper often cast her as cold conceited and a bit of a tease by others Even as a little girl Remy had an intense feeling that something bigger was awaiting her just out of reach But now as a popular senior with the all of the peer pressure that accompanied such a label it would be so much easier if she could just let go not care and go

with the flow her friends always seemed to want from her Such pressure was no more present than with Daniel Gatto the tall popular senior that most girls would kill just to get close to Daniel had been courting Remy on and off all of senior year While Daniel was attractive something about him always made Remy apprehensive and a bit uncomfortable Moreover Daniel refused to take no for an answer despite Remy's polite rebuff to his advances leading Remy to question whether Daniel's interest in her was genuine or for some ulterior motive With a simple tap on the shoulder Remy's life would change forever Logan Canino was unlike any boy she had ever seen As soon as Remy lays eyes on him she knows he is more than just a new guy at school Remy does not know why but she feels an instant connection to Logan Little did she know that Logan had been keeping watch on Remy all her life and the connection she felt had been forged years before when she was just a little girl Remy quickly learns that Logan Canino is no boy at all Although appearing to be just 18 Logan is in reality decades older and not exactly human but instead a Canine Shifter and the designated future leader of the Shifter Council the ruling body overseeing the four shifter clans created in ancient Rome by Diana the goddess of the hunt and guardian of wild beasts horses and domesticated animals Logan's sudden appearance in Remy's life is no coincidence He has known since Remy was a child that she is his one true soul mate and the only person who can help him attain his full potential and power as leader of the four clans But there are dark forces lurking about that will take extreme measures to keep Remy and Logan apart and keep them from completing their bonding ritual As Logan's courtship of Remy intensifies Daniel's jealousy rages Adversaries since they were shifter children and schoolmates at an exclusive prep school a front for shifters adolescents Daniel a feline shifter and a sworn enemy of the canines and especially Logan will take extreme measures to keep Logan from taking his rightful place as leader of the Shifter Council even if it means sacrificing Remy's life to prevent Logan from reaching his full potential Alternating between ancient Roman times and the creation of the four shifter clans Druid life and Shaman Priests in Ireland during the Iron Age the founding of an exclusive prep school in 1901 in Upstate New York and the present day social pressures experienced by high school girls Remy the high school dreamer looking for more than life has thus far offered Logan the canine shifter destined for leadership who believes nothing is more important than finding one's true soul mate and Daniel the shrewd but evil nemesis who will stop at nothing to keep Logan from taking his rightful place as Leader of the Shifter Council
