Miller, 2015-09-25 Today in the era of the spoiler alert surprise in fiction is primarily associated with an unexpected plot twist but in earlier usage the word had darker and more complex meanings Originally denoting a military ambush or physical assault surprise went through a major semantic shift in the eighteenth century from violent attack to pleasurable experience and from external event to internal feeling In *Surprise* Christopher R. Miller studies that change as it took shape in literature ranging from *Paradise Lost* through the novels of Jane Austen Miller argues that writers of the period exploited and arbitrated the dual nature of surprise in its sinister and benign forms Even as surprise came to be associated with pleasure it continued to be perceived as a problem a sign of ignorance or naiveté an uncontrollable reflex a paralysis of rationality and an experience of mere novelty or diversion for its own sake In close readings of exemplary scenes particularly those involving astonished or petrified characters Miller shows how novelists sought to harness the energies of surprise toward edifying or comic ends while registering its underpinnings in violence and mortal danger In the Roman poet Horace's famous axiom poetry should instruct and delight

but in the early eighteenth century Joseph Addison signally amended that formula to suggest that the imaginative arts should surprise and delight Investigating the significance of that substitution Miller traces an intellectual history of surprise involving Aristotelian poetics Cartesian philosophy Enlightenment concepts of the passions eighteenth century literary criticism and aesthetics and modern emotion theory Miller goes on to offer a fresh reading of what it means to be surprised by sin in Paradise Lost showing how Milton's epic both harks back to the symbolic functions of violence in allegory and looks ahead to the moral contours of the novel Subsequent chapters study the Miltonic ramifications of surprise in the novels of Defoe Haywood Richardson Fielding and Sterne as well as in the poems of Wordsworth and Keats By focusing on surprise in its inflections as emotion cognition and event Miller's book illuminates connections between allegory and formal realism between aesthetic discourse and prose fiction and between novel and lyric and it offers new ways of thinking about the aesthetic and ethical dimensions of the novel as the genre emerged in the eighteenth century **My Life a Record of**

**Events and Opinions** Alfred Russel Wallace, 2016-05-25 This early work by Alfred Russel Wallace was originally published in 1908 and we are now republishing it with a brand new introductory biography My Life a Record of Events and Opinions is an autobiography that details Wallace's experiences from schoolboy to scientist It discusses his exploration of the Amazon his lecture tour of America and many other interesting periods of his life Alfred Russel Wallace was born on 8th January 1823 in the village of Llanbadoc in Monmouthshire Wales Wallace was inspired by the travelling naturalists of the day and decided to begin his exploration career collecting specimens in the Amazon rainforest He explored the Rio Negra for four years making notes on the peoples and languages he encountered as well as the geography flora and fauna While travelling Wallace refined his thoughts about evolution and in 1858 he outlined his theory of natural selection in an article he sent to Charles Darwin Wallace made a huge contribution to the natural sciences and he will continue to be remembered as one of the key figures in the development of evolutionary theory [The Canadian Historical Review](#), 2000 *Strategic Military Surprise* Klaus

Eugen Knorr, Patrick M. Morgan, *Inner City Public Schools Still Work* Mateen A. Diop, 2012-05 Inner City Public Schools is a beacon call for everyone to take a close look at how effective our inner city public schools have been Dr Diop shares some of his life stories and how the public schools in his neighborhood shaped his thinking With education reformists extolling the value and achievement of charter schools to the peril of public schools Dr Diop is honest in his evaluation of the schools he has led and how he and his teachers set and achieved immense goals resulting in the highest math scores in the school's history Dr Diop is also candid as he discussed the emotional struggles faced by his sister and how those struggles enabled him to relate to the anguish many of his students face daily This book will show everyone that there is value in our nation's inner city public schools and his life is living proof **Applied Eng Grammar-07** Saxena Raina, Grammar and Chairperson National Progressive Schools Conference Raina Saxena has over 40 years of teaching experience in international schools including The British School and Lycee de Francais Delhi She believes in a holistic approach to learning
