**Branded Faith** Rajkumar Dixit, 2010-06-07 Christianity may be the greatest story ever told but in Western culture it is losing ground against the powerful forces of secularization In examining the root causes of this cultural shift does the church have anything to learn from secular society and the business sector For decades the church has resisted the idea of using business methodologies in the religious sphere Yet a closer look reveals that most church hierarchies have borrowed much of

their organizational structure from the business sector But the church is not alone in its borrowing Today the lines between the church and the business sector are blurred as both entities influence each other interchangeably In *Branded Faith* Rajkumar Dixit enters an engaging and intellectually stimulating analysis of what the church can learn from the business practices of marketing branding and contextualization Using examples drawn from widely recognized companies such as Nike Starbucks Coca Cola and Subway Dixit systematically builds a case for the power of a story and emphasizes the importance of seeking culturally relevant ways to spread it Those who care deeply about sharing Christianity powerfully and effectively will find in *Branded Faith* a thoughtful presentation of ideas on how to maintain the integrity of the gospel while exploring fresh methods of communicating the good news to a postmodern society **How to Teach a Nation to Read** Dr. Jean Marc Désiré,2022-10-24 The information about the book is not available as of this time *The Reality of Christianity: Being a Christian-Believer* Lida,2019-04-17 What The What Is Going On At Church Have you ever been in a room and everyone is smiling but you re not You feel as though something is missing and wrong Today people are esteeming culture tradition and ethnicity above the Church with lukewarm standards and dismissal of any Scripture that requires humility meekness and change in character and behavior The Church is missing accountability for Righteous living You know there is confusion when people try to make Christianity synonymous with other religions People are trying to merge Christianity with other ideologies and beliefs in order to substantiate lifestyle choices root comes from the pit of Hell Christianity is unique and set apart from all other faiths and religions Christianity has the GODhead a personal Saviour Jesus Christ fully GOD and fully human the indwelling power of the Holy Spirit inside of Christian Believers and GOD the Father who is the mastermind over all things living and non living The GODhead is all power all present and all knowing As Christian Believers we must come out of complacency to be an example of Jesus Christ to the world because people are lost They need to know about the path of Christianity to the GODhead Christianity is the way to bring order to all of this chaos and show the right path to everlasting life I pray that this book will bring you to the Cross and strengthen your walk in Christianity Motivate yourself to put Faith N Motion and begin to show What The What you are doing by Faith because without Faith it is impossible to please GOD This book is written by Faith *BIBLE DIFFICULTIES Genesis* Edward D. David Farnell,Thomas Howe,Thomas Marshall,Dianna Nedwman,2017-10-29 [THE FUNDAMENTALS OF THE CHRISTIAN FAITH](#) Edward D. Andrews,Reuben Archer Torrey,2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then

and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God s Word Herein THE FUNDAMENTALS OF THE CHRISTIAN FAITH puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies

**No Longer Silent** Mike Beck, 2011-10 QUOTES FROM THE CHAPTER LET S BE REAL Do we have any understanding of the un churchd culture in which we live and the way these people view the church Do we spend intentional

time cultivating relationships with non Christian people or is our attitude one of they know where we are and they ll come if they want to If the church is truly to experience a revival we must seek to understand the needs and thinking of unchurched Harry and Mary We need to stop playing our pious religious games and realize that the church is to be a haven for broken hurting people who feel they don t have their lives all together And if we look at the teachings of Jesus He consistently taught that it was those people who felt they had it all together who in fact were farthest from God In no way am I diminishing the importance of sound doctrine but I have often laughingly said that we will be surprised when we get to Heaven at some of the people living in our neighborhood We must acknowledge our own struggles with complex issues and at times admit that we don t have God in a neat box and therefore don t have all the answers Although sound theology is important my Bible says first and foremost that they will know we are Christians by our love Christ said that He had come not to comfort the already comfortable but to preach good news to the poor to proclaim recovery of sight to the blind to release the oppressed and to proclaim the year of the Lord s favor Is that our message as well If not then it s time for us to be real
