Surprising Myself:

Surprising Myself Christopher Bram, 2013-05-28 DIV Seventeen year old Joel can't be gay if he's straight. DIV After four years of living with relatives in Switzerland, seventeen year old Joel Scherzenlieb finds himself in the United States for the summer working at a Boy Scout camp. There he meets nineteen year old Corey Cobbett, a fellow counselor who's the only person Joel wants to be friends with. Soon Joel's sarcastic distant CIA father shows up and whisks him away to live with his mother, grandmother, and older sister on a farm in Virginia. He's not going back to Switzerland after all. As his father pleads poverty and his dreams of going to college vanish, Joel faces his longest year yet. But everything changes when Corey returns to his life, bringing with him the discovery and excitement of reciprocal love. **Rain Village** Carolyn Turgeon, 2006 In this hypnotic, magically real debut novel, a tiny young woman from the heart of the Midwest overcomes an abusive childhood by following her mysterious and beautiful mentor's footsteps to become a circus trapeze artist. **Mailbox on the Beach** Robert Edward Williams, 2025-07-11 On the foggy shores of the Massachusetts coast, a grieving literature professor stumbles upon a mysterious mailbox containing a notebook filled with strangers' confessions. Drawn to a cryptic message, he embarks on a journey to save a life and discovers the power of connection, hope, and second chances. **A Very Accidental Love Story** Claudia Carroll, 2019-01-15 An original, funny, and poignant story about those things in life that you just can't plan for. Eloise Elliot is one of Dublin's youngest newspaper editors. Respected and revered by her peers, she's at the very top of her game. On the eve of her thirtieth birthday, Eloise is hit by a long, sharp pang of loneliness and realises she craves to be a mother. Three years on, after a successful trip to the sperm bank, Eloise is now the adoring yet fraught single mother to Lily. But panic sets in when Lily starts asking about her daddy, and Eloise is left with no choice but to try and find him. What could possibly go wrong? Perfect for the fans of Marian Keyes. **White Knuckle Love** April Stace, 2020-10-21 April Stace, a happily married thirty-five year old mother, harpist, ordained pastor, and aspiring tenure track professor, thought she had finally made it when she accepted a dream job in New York City. Less than a year later, she found herself jobless, divorced, broke, and certain that she had failed in every way that mattered. In a last ditch effort to support herself and her son, she began training as a chaplain at an urban hospital. As she encountered death day after day, she began to wonder what would it mean to fall in love with being alive again. In **White Knuckle Love**, we encounter a spirit who learned to let go of the person she thought she should be in order to embrace life in unexpected places: hospital rooms, long subway commutes, a lesbian dance club, mundane moments of parenthood, and even in her own checkered past. Can we find our way by losing ourselves? Prepare to fall in love with your life again too. **Sara's Forever** Chelle Pimblott, 2021-11-07 Best friend's brother, emojis, and emotions. He's too young, isn't he? Meeting Leila Phillips at Vines gave Sara the best friend she's ever had. Meeting Matthew Phillip, Leila's younger brother, gave her a freaking headache as well as a heartache. She knows they can't work. He's too young. He communicates in emojis and text messages, which drives her insane, but he's also the kindest, most caring, and

handsome guy she's ever met. He does things to her mind, body, and soul that she's never found in anyone else. For Matt, Sara is the only one he wants. He may not have a lot of experience, but he's a fast learner and he wants to make Sara happy. He also knows that his sister is going to have an issue with him dating her best friend, but it's not going to be for the reasons that Sara assumes. How long can Matt wait for Sara to come to the realisation that she's in love with him? Will it take for Matt to walk away for Sara to make a choice that will make them both happy?

So much so that when he is approached by a five-year-old to find her stolen Panda, he jumps at the chance. But when the one escalates into seventeen and then a murder in front of him followed by an attempt on his own life and the death of his friend, he realises that there is more to this affair than was at first realised. When the truth is revealed and the extent of the criminal activity becomes known, Larry risks all to protect those around him and bring the perpetrators to justice.

Fool Me Once Lexy Parker, 2019-10-14 In a split second, all of my dreams were shattered. There's no place on the mound for a pitcher with a bum shoulder. Going back home was not in the plan, but it's the best place to heal. And to lay low. Media coverage on my injury is the last thing I need. The pretty massage therapist I've found is a welcome surprise. In the busyness of trying to live two lives, one a small town boy and the other a big time sports hero, I'm lost. This woman steps up and shows me some things I forgot all about. Passion in the midst of love. Family, friends, and healing in ways I couldn't imagine. Seems like the old me isn't at all who I am. And the joke is on me. This new guy wants to change everything for love.

A Calendar Of Love Series is a stand-alone series based on holiday romance. You do not need to read them in any order at all. We're excited to bring you a year of holiday love stories, one a month.

Harley and Me Bernadette Murphy, 2017-05-30 Bernadette Murphy's luminous book shows us how to take risks that make us fierce and vulnerable, knowing that true strength is about being generous as much as it is about not giving in.

Emily Rapp, Black author of *The Still Point of the Turning World* and *Poster Child*. What happens when women in midlife step out of what's predictable? For Bernadette Murphy, learning to ride a motorcycle at forty-eight becomes the catalyst that transforms her from a settled wife and professor with three teenage children into a woman on her own. The confidence she gained from mastering a new skill and conquering her fears gave her the courage to face deeper issues in her own life and start taking risks. It is a fact that men and women alike become more risk-averse in our later years, which, according to psychologists and neuroscience, is exactly what we should not do. And Murphy stresses that while hers is a story of transformation using a physical risk, emotional and

educational risks can serve the same beneficial purpose for other women Murphy uses her own story to explore the larger idea of how risk changes our brain chemistry how certain personality types embrace dangerous behavior and why it energizes them and why women's expectations change once estrogen levels drop after the childbearing years She also explores the idea of women and risk in pop culture why there are so few stories of the conquering heroine instead of hero Surely Thelma and Louise driving off the cliff should not be our only pop culture reference for women finding true freedom With scientific research and journalistic interviews weaving through a page turning road trip narrative *Harley and Me* is a compelling look at how one woman changed her life and found deeper meaning out on the open road
