Survey Of Historic Sites In Kentucky Clark County:

Survey of Historic Sites in Kentucky: Clark County, 1979 The Kentucky Encyclopedia John E. Kleber, 2014-10-17

The Kentucky Encyclopedia's 2 000 plus entries are the work of more than five hundred writers. Their subjects reflect all areas of the commonwealth and span the time from prehistoric settlement to today's headlines recording Kentuckians' achievements in art, architecture, business, education, politics, religion, science, and sports. Biographical sketches portray all of Kentucky's governors and U S senators as well as note congressmen and state and local politicians. Kentucky's impact on the national scene is registered in the lives of such figures as Carry Nation, Henry Clay, Louis Brandeis, and Alben Barkley. The commonwealth's high range from writers Harriette Arnow and Jesse Stuart, reformers Laura Clay and Mary Breckinridge, and civil rights leaders Whitney Young Jr and Georgia Powers to sports figures Muhammad Ali and Adolph Rupp and entertainers Loretta Lynn, Merle Travis, and the Everly Brothers. Entries describe each county and county seat and each community with a population above 2 500. Broad overview articles examine such topics as agriculture, segregation, transportation, literature, and folklife. Frequently misunderstood aspects of Kentucky's history and culture are clarified and popular misconceptions corrected. The facts on such subjects as mint juleps, Fort Knox, Boone's coonskin cap, the Kentucky hot brown, and Morgan's Raiders will settle many an argument. For both the researcher and the more casual reader, this collection of facts and fancies about Kentucky and Kentuckians will be an invaluable resource.

Where In The World? Harry G. Enoch, 2012-12

Unusual place names evoke a sense of mystery and wonder. How did a place come to be called Barefoot or Battle Row? Where in the world were the Sycamore Forest and Blue Ball? Researching these names often reveals fascinating stories about local history, families, events, and politics. Clark County, Kentucky, is blessed with many such interesting places. The articles in this book are collected from a column in the Winchester Sun called Where in the World. Each article describes an historic place name in Clark County, some well known, some not so well known. The articles were written for the Bluegrass Heritage Museum in hopes of fostering an interest in local history and the museum. This book is intended to do the same. This work includes one hundred articles that appeared in the newspaper between January 6, 2005, and August 23, 2007. A few of the articles were updated for this publication when additional information became available.

Where In The World? Volume 3, Historic People and Places in Clark County, Kentucky Harry Enoch, 2018-04-03

Did you ever hear the name of a place and wonder where in the world was that? Answering that question about quaint and historic places in Clark County, Kentucky, became the basis of a regular column in the Winchester Sun called Where In The World. The series began on January 6, 2005, with Bramblett's Lick. This is the third published volume of those collected columns. Previous volumes contained 162 articles published between 2005 and 2016. This volume continues the series with 56 articles that appeared in the Sun from June 2016 to March 2018. There are fewer articles in this volume because more recent articles are much longer than the early ones. Each article describes a historic location or notable person in Clark County, some well known, some not so well known. Some

articles were updated from the newspaper version as additional information became available Where In The World?
