Transmedia Brand Storytelling Karen E. Sutherland, Richie Barker, 2023-10-03 This book presents new global research on transmedia storytelling as a form of brand communication It explores the theoretical underpinnings of transmedia storytelling and its practical application through survey and interview data from creatives marketing advertising and public relations practitioners The final section analyzes contemporary campaigns from various countries and proposes a Transmedia Brand Storytelling Model for Practice based on primary and secondary research data The book aims to better understand and communicate the real world opportunities and barriers to producing transmedia brand storytelling campaigns for practitioners

Across the Spectrum of Socioeconomics International Socioeconomics Laboratory, 2020-12-28 The International Socioeconomics Laboratory ISL is a global research network of primarily students and young adults that strive to find the most adequate solutions to current socio economic problems and those that may be just around the corner We make use of existing records and data to create our own comprehensive models and studies to find plausible routes to the root cause of these problems and see what can be done about them or what knowledge can be acquired However our information collection is not limited to what is already in sight though it may be more difficult given the unprecedented times we also look to collect information and data through surveys and soon types of experiments as well The goal of the ISL is clear assess and address the issues that face our society through the will and capability of the youth in order to foster a greater one The work done in the ISL serves as the foundation for the work done by its sister organizations Finxspire and Finxerunt We plan on having our research be used by Finxerunt to create real political policy that will address the shortcomings that stem from society and its current state Our research will also be implemented by the committees within the ISL to serve as the basis for its campaigns podcasts and films Both organizations share a common goal in giving their best efforts to bring about positive change in the world The ISL will be the first and largest of its kind This spring the ISL looks to accept over 500 applicants and aim for a long term goal of over 1000 Through our work we can bring these students and young adults various benefits ranging from volunteer hours to PVSA awards signed by the President of the United States himself As many struggle from the implications of the global pandemic the ISL will serve as an incentive for them to move forward and look towards a brighter future The ISL serves as an important venue for the youth the youth are highly capable and intelligent many of them are cognizant or can identify if their societies are headed in the wrong direction However as it stands it is difficult for the youth to have a say for they are often overlooked and shadowed The ISL looks to change that however The ISL will allow for the youth to have their voices and ideas heard through us the youth can look to envision the very change they believe would be necessary to implement or consider Part of the

future of their respective societies starts with the youth and the future starts with the ISL Every research paper here has been written by our Fall Staffers from our fall Finxerunt Research programs For more information please go to www.finxerunt.org or www.socioeconlabs.org You can also reach out to us at info@socioeconlabs.org **Forthcoming Books** Rose Army,2002
