Survival Skills Leading Your Church In A Changing World:

Survival Skills Stan Toler, Glen Martin, 2001-08 Black and white television Westerns The Ford Edsel Full service gas stations The cold war The nuclear fallout shelter Fifty years ago these institutions were cornerstones of culture But now they are commemorated in museums and rarely affect everyday life As the rate of change continues to accelerate in our fast paced culture many ideas traditions and establishments quickly become obsolete If current trends continue the church will be next Just like the Ford Edsel whose time has come and gone most churches are equipped with a rearview mirror And they often spend more time looking at where they came from rather than where they are going Pastors must keep up with the times In *Survival Skills Leading Your Church in a Changing World* Stan Toler and Glen Martin teach pastors to look at the trends and the times to anticipate the future and help them develop the survival skills necessary for new millennium ministry

Leadership, God's Agency, and Disruptions Mark Lau Branson, Alan J. Roxburgh, 2021-02-16 Leaders in congregations and Christian organizations wrestle with an unraveling of the world in which they have little experience and training While they are offered unending resources by experts on leadership some with claims to biblical blueprints the challenges seem mismatched to those methods Branson and Roxburgh frame the situation as one in which modernity's wager the conviction that God is not necessary for life and wisdom and meaning has defined the Western imagination Because churches and leaders are colonized by this ethos even when God is named and beliefs are claimed approaches to leadership are blind to God's agency Branson and Roxburgh approach this challenge as a work in practical theology attending to our cultural context narratives of God's disruptive initiatives in Scripture and a reshaping of leadership theories with a priority on God's agency With years of experience as teachers consultants and guides they name practices which lead to more faithful participation *Leadership God's Agency and Disruption* is wide ranging in cultural and biblical scholarship challenging in its engagement with numerous leadership studies and practical with its focus toward the on the ground life of churches and organizations

Staying Sane in a Changing World Margot Cairnes, 2011-10-10 There's no doubt that the world is experiencing rapid change technological advances and globalisation are completely transforming the way we live including the way we work communicate and play We can no longer expect life to be how it was in the past Consequently we need to upgrade our thinking so that we can make the most of the opportunities in this constantly evolving world *Staying Sane in a Changing World* is a handbook to help navigate our new world Margot Cairnes international futurist author and keynote speaker has compiled a series of inspirational essays reflections and thought starters from her work for national and international professional journals and magazines These essays present new ways of looking at a range of issues from work to leadership to spirituality and family life and how they interconnect *The Calling of Congregational Leadership* Larry L. McSwain, 2013-05-30 Leading is a calling from God but that doesn't mean it is easy There are choices to be made about what your congregation believes how your church organizes for effective ministry and how your church serves the settings of

which you are a part The good news is that others have gone before you Author Larry L McSwain s forty years of experience can help guide you through these choices Rooted in research The Calling of Congregational Leadership teaches a three pronged approach to congregational leadership being a good leader the knowledge needed by the leader and the managing of ministry leadership By using this practical holistic approach to leading congregations McSwain shows you how to use your church s potential for conveying the power of God in the lives you touch The Calling of Congregational Leadership is for those who seek to enlarge the understanding of their leadership to make their communities of faith more vital and more reflective of the mission of God in the world

Leading Missional Change Paul J. Dunbar,Tony Blair,2013-04-02

It seems that nearly everyone is talking about missional change for congregations. As a result, many church leaders are attempting to drive that kind of change for the ministries they lead. Some succeed. But many others hit a wall of considerable frustration as they find that congregations resist the very change that is so needed. The reasons for this resistance are many and they are explored in this volume. What is required to move a church from resistance to readiness? Some resistance is deeply rooted in spiritual patterns. But there are other reasons as well, and they center on trust: personal trust in the leaders who offer missional change. For this work, the authors have done extensive primary and secondary research to identify patterns and behaviors that invite missional leadership. More than that, they've lived this out in their own ministries as pastors of traditional congregations. This book thus offers compelling first-person stories and congregational case studies alongside more generalized findings.

Leading Missional Change was written to support pastors and other church leaders who experience resistance to share wisdom and experience that may lead to readiness and to give hope and encouragement toward a re-energizing of your own congregation.

Surviving Toxic Leaders Kenneth O. Gangel, 2007-12-01

Since Jean Lipman Blumen's *The Allure of Toxic Leaders* shook the corporate world in 2005, countless articles, books, and Internet blogs have appeared on the topic. Despite such interest and response, no study of toxic leadership had appeared from a Christian point of view until this volume. Kenneth Gangel's *Surviving Toxic Leaders* begins by showing that toxic leadership existed throughout biblical history. Making generous use not only of biblical materials but also of contemporary leadership literature, Gangel names the causes and cures of power abuse, cheating, bullying, laziness, and dictatorial behavior in today's leaders. Readers will benefit from Gangel's leadership experience and expertise. He has been a pastor, a college dean twice, and a college president. Gangel currently edits *The Seal*, a review of leadership literature.

Practical and personal, *Surviving Toxic Leaders* abounds with stories of real people and their situations. Everyone who has ever had trouble at work will benefit from *Surviving Toxic Leaders*.

Reaching People Under 40 while Keeping People over 60 Edward H. Hammett, 2007-02-01

Many established churches are facing a number of challenges in today's increasingly secular culture. Such a shift in many communities creates a challenge of church growth and church health when it seems that satisfying the needs of one group creates barriers to reaching another group. So many are asking, "How do you keep people over sixty years of age who often hold church culture values while at the same time reach people under forty who often hold postmodern values?" If a church is interested in growing, this situation becomes a major challenge.

Reaching People under 40 while Keeping People over 60 looks at the church as it seeks to function in a new world. It looks at the differences in the generations and at postmodernism not just as a generational difference but as a global change. Most importantly, *Reaching People under 40 while Keeping People over 60* looks at what a church can do in this new age to help the church survive and thrive.

Foreword by Bill Easum. A TCP Leadership Series title.
