Survived By His First Wife:

Social Security Rulings on Federal Old-age, Survivors, Disability and Health Insurance Benefits United States. Social Security Administration. Office of Program Policy and Planning, *His First Wife* Renate M. Schulz, 2003-07-01 Leah was known by many as the ignored older sister of the Bible's beautiful Rachel and the apparently unloved wife of the patriarch Jacob. Due to popular belief though her life was more than a dismal useless existence. Underneath the short account of her life in the Bible was a woman who dealt with many of the issues women face today rejection loneliness and control. This is her story in the form of a novel *The First Wife* Muna Shehadi, 2022-06-23 At the heart of a great love lies a devastating secret. Fans of Lucinda Riley Santa Montefiore and Louise Douglas will be gripped by Muna Shehadi's stunning new novel of twisting family secrets. Clear your schedule and dive into Muna Shehadi's latest triumph *The First Wife*. Her vivid characters walk right off the page and into your heart. I love this book. VICKI LEWIS THOMPSON New York Times bestselling author. Readers are captivated by *The First Wife*. A fabulous read full of twists and turns. A great book I loved it. Definitely a 5 star read. This is a great read. It was well written with a great storyline and well developed characters that I took to my heart. I couldn't put this book down. It was truly compelling. I was absolutely captivated by the atmosphere and the characters. My advice is not to start reading this unless you have time to go to the end. You will not be able to stop reading this book. Holly Penny expects that attending the funeral of her ex husband at the elegant mountain resort they enjoyed together so often will be momentous and emotional. Lyle was the love of her life. They were happier than she'd ever imagined being until a split second changed their lives and eventually destroyed their marriage. Surrounded by luxury she could once take for granted what Holly doesn't expect is to discover that Lyle kept their long loving relationship a secret from the two women he married after her. Even more troubling stories the other wives tell bear little resemblance to the man Holly knew so well. As the weekend unfolds guided by detailed instructions Lyle left behind new jarring surprises surface and new connections are formed that will force Holly to redefine both her future and more wrenchingly her past. I absolutely ADORED this beautiful book. Profoundly moving and very wise this stunningly original and touching tale is one to savour and re read. An immersive delight of a book. RENITA D SILVA A wonderfully heartfelt multi layered story of greed and grief love and loss tantalises the reader with its clever twists and turns impossible to put down. SARAH STEELE Captivating right out of the gate. This unique and beautifully told tale laced with mystery and secrets will keep readers hooked. A deeply moving and insightful story that will stay with me for a long time. ALISON RAGSDALE I loved the combination of mystery and love story every time I put it down I couldn't wait to get back to it. A compelling mystery wrapped up in a beautiful romance. EMMA ROBINSON From the very first page *The First Wife* seduced me with its promise of revelations to come part mystery part romance but above all the story of one woman's lifelong mission to be true to herself.
