Gardner,2019-02-26 *The Prison Break the Manhunt the Inside Story* In June 2015 two vicious convicted murderers broke out of the Clinton Correctional Facility in Dannemora in New York s North Country launching the most extensive manhunt in state history Aided by prison employee Joyce Mitchell double murderer Richard Matt and cop killer David Sweat slipped out of their cells followed a network of tunnels and pipes under the thirty foot prison wall and climbed out of a manhole to freedom For three weeks the residents of local communities were virtual prisoners in their own homes as law enforcement from across the nation swept the rural wilderness near the Canadian border The manhunt made front page headlines as did the prison sex scandal involving both inmates and Joyce Mitchell and culminated in a dramatic and bloody standoff Now Charles A Gardner a lifelong resident of the community and a former correction officer who began his training at Clinton and ultimately oversaw the training of staff in twelve prisons including Clinton tells the whole story from an insider s point of view From the lax ethics and sexual hunger that drove Joyce Mitchell to fraternize with Matt and Sweat smuggle them tools and offer to be their getaway driver to the state budget cuts that paved the way for prison corruption to the brave and tireless efforts to bring the escaped killers to justice *Dannemora* is a gripping account of

the circumstances that led to the bold breakout and the twenty three day search that culminated in one man dead and one man back in custody and lingering questions about those who set the deadly drama in motion A Lorton Prison Project Carolyn Williams, 2018-05-15 This story captures the insight of a bright intuitively smart young man who grew up in the low income housing projects of Southeast Washington DC our nations capital city His name was Jimmy Black Blango better known as JB He lived in the Barry Farms Housing projects at the height of a glorified drug market in the midst of a culture of the celebrated thug life gang violence and mob style crime Aside from all that it was a known fact that gangbangers pledged allegiance to serving time in jail Even JB got caught up in a clean sweep operation on the streets of Washington DC and was sent down to Lorton to serve his time From there his status on the streets of Washington DC was upgraded to include street credits i e the status of lieutenant for serving a stench at what was once called the most notorious prison on the east coast the Lorton Correctional Complex Now that the prison was mandated by federal law to shut down the criminal element on the outside decided to bring their drug enterprise on the inside This was an effort to establish networks that reached beyond the district and extended to all points targeted south Yet due to the pending closure of the Lorton Complex and the greed among thieves backstabbing gangbangers cold blooded killers malicious cutthroat staffers and others caused the whole scam to blow up At the end of the day a nefarious culmination of unsavory conduct caused many elements of the Lorton Complex to suffer its unfortunate demise Corrections: The Essentials Mary K.
