Appleton must root out a killer when two women are accused of witchcraft while the real killer an expert in poisons remains free to strike again Reprint **Face Down Before Rebel Hooves** Kathy Lynn Emerson,2003-04-01 Susanna Lady Appleton masquerades as her old friend Walter s deceased wife in order to infiltrate a gang of conspirators bent on overthrowing Queen Elizabeth I **The Book Review Digest** ,2007 [The Shadow of Reichenbach Falls](#) John R. King,2025-09-23

Probably the most infamous story in the Sherlock Holmes canon is The Final Problem as it relates the facts of the death murder of the master detective at Reichenbach Falls On May 4 1891 the detective met his archenemy Professor Moriarty on a ledge above the falls the two became locked in a titanic hand to hand struggle before both tumbled over the precipice presumably to their deaths as witnessed afar by Dr Watson The outcry against the death of such a popular character was so great that in 1901 Conan Doyle was forced to give in to the pressure of his fan mail He resurrected the detective by claiming that Holmes had managed to grab a tuft of grass during the fall into the dreadful cauldron and so had lived to solve another mystery But what really happened that infamous day at Reichenbach Falls and why did Holmes disappear in the aftermath And what of the infamous Moriarty How did a noble mathematician become the Napoleon of Crime The Shadow of Reichenbach Falls provides these answers and more It turns out that the events were not just witnessed by Watson but by another young detective of the Victorian era Carnacki the Ghost Finder Carnacki rescues an amnesiac gentleman from the base of the falls only to find himself and his companion doggedly pursued by an evil mastermind whose shadowy powers may reach from the bloody crime scenes of White Chapel to far beyond the grave Filled with Holmesian lore and thrilling encounters evocative of Doyle s work in the Strand magazine The Shadow of Reichenbach Falls will undoubtedly join the ranks of such successful Holmesian pastiches as The Seven Percent Solution The West End Horror and Murder by Decree At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *ROUGHING IT IN THE BUSH OR, FOREST LIFE IN CANADA BY SUSANNA MOODIE* Susanna Moodie,1923 **Face Down Across the Western Sea** Kathy Lynn Emerson,2002-04-09 Anxious to prove England s claim on the New World Queen Elizabeth has charged Sir Walter Pendennis seasoned spy and diplomat with the top secret mission Walter gathers a team of scholars at his Cornwall estate and calls upon his dear friend Susanna Lady Appleton to assist Susanna is an expert herbalist with a quick mind and wise ways and Walter has long carried a flame for her When Walter s wife appears uninvited at Priory House she sets about extinguishing that flame Meanwhile Susanna and Walter find that troubling discrepancies have surfaced among sailors accounts of the land beyond the Western Sea Their research becomes intrigue when an eyewitness account turns up missing and a scholar is found dead in his study Is the murder the work of an academic rival A jealous lover A Spanish spy Scholarly trickery and New World scandal come to light as Susanna s sleuthing skills are put to the test Face Down Across the Western Sea is a potent concoction brimming with the qualities that have made the Susanna Lady Appleton series a favorite among mystery lovers rich period detail first rate suspense and at the center of it all Susanna a headstrong and

beguiling heroine The Publishers Weekly ,2007 **Face Down Among the Winchester Geese** Kathy Lynn Emerson,1999-06-12 She heard him come up behind her expected him to turn her in his arms and embrace her with a lover's enthusiasm Instead his forearm abruptly cut off her supply of air as it pressed into her throat A harsh whisper close to her ear was the last thing she heard before one abrupt movement snapped her neck Where her murderer said No better than a Winchester goose It is the spring of 1563 and Susanna Lady Appleton wants only to tend to the medicinal herbs in the garden of her London townhouse But the appearance of a mysterious veiled woman disrupts her plans Is the woman just another mistress of Robert's her forever philandering husband When the gentlewoman is found dead with a snapped neck in London's notorious brothel district and her last known visitor was Robert Lady Appleton is forced to investigate As she delves deeper into the mystery she uncovers a string of murders from years dark haired of dark haired women all occurring on St Mark's Day and most perplexing all with a goose feather left by the bodies For Susanna nobody not even her own husband is above suspicion Kathy Lynn Emerson's third mystery in the Lady Appleton series once again will delight readers who appreciate suspenseful historical mysteries with a feminist slant Booklist
