Maura's life get any worse turns out it most certainly can. When a cruel prank nearly claims Maura's life, one of her classmates Ron rushes to her rescue. Darkly handsome mysteriously accepting, Ron doesn't seem to want to stay away, but Maura is reluctant to get too close since her mother has announced she's moving the two of them to Vancouver, nearly 3,000 miles away from their hometown of Indiana, Pennsylvania. If life wasn't already challenging enough, Maura begins to experience bizarre physical changes: her mother seems hell-bent on ignoring, compelling Maura to fear for her own life. Vicious nightmares, blood cravings, failing health, and the heart-shattering loss of Ron, as well as the discovery of a tangled web of her own mother's lies, become obstacles in Maura's desperate quest for the unfathomable truth she was never prepared to uncover.

Maura finally found the truth she was always seeking, or has she? Tragedy seems to stalk Maura and those around her as she stumbles along, altering the young changeling's family just when they have all come back together. The changes left in its wake could be for the better or may threaten their existence entirely. With the arrival of Christmas comes the opportunity for Maura to draw close to everyone she loves and finally reunite with Ron, the man she loves. But permanence has always eluded her, and in her current state of flux, this pattern endures as fate seems intent on snapping the threads that bind her to those she holds most dear. Maxwell's good intentions pave a road for Maura littered with misery, while her mother Caelyn's desire to shield her family from pain may tear her away from them altogether. The perfect happiness in the young vampire's grasp is so easily swept away and dragged under, out of reach. Can Maura erupt from the darkness and confusion to break the surface and find the life she's always dreamed of?

Riptide Betrayal of Blood. Maura has never felt so alone in her life, nor has her existence ever been so overshadowed by peril. Despised by her vampire cousin Aldiva for reasons Maura cannot yet comprehend, the young changeling will be forced to guard her back with every step as she comes to realize this member of her vampire family would love nothing more than to bring about her demise. Aldiva's wrath calls forth other members from both Vancouver covens, forcing them to rush to Maura's aid, even though her father, their king, has expressly forbidden the other vampires to initiate contact with his daughter. Will her extended family on Vancouver Island obey, abandoning Maura to her doom, or will they instead rebel against Maxwell's wishes in order to save her life? Can she be saved, or will the riptide drag Maura under, along with those she loves the most?
